Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.

9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.

10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to subsection 16 of this section and shall maintain separate records of collection for alcohol-related offenses.

11. The state courts administrator shall include in the annual report **form** required by section ~~[476.350]~~ **476.412** the circuit court caseloads and the number of crime victims' compensation judgments entered.

12. All awards made to injured victims under sections 595.010 to 595.105 and all appropriations for administration of sections 595.010 to 595.105, except sections 595.050 and 595.055, shall be made from the crime victims' compensation fund. Any unexpended balance remaining in the crime victims' compensation fund at the end of each biennium shall not be subject to the provision of section 33.080 requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

14. All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.

15. Any person who knowingly makes a fraudulent claim or false statement in connection with any claim hereunder is guilty of a class A misdemeanor.

16. The department may receive gifts and contributions for the benefit of crime victims. Such gifts and contributions shall be credited to the crime victims' compensation fund as used solely for compensating victims under the provisions of sections 595.010 to 595.075."; and

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTY-SECOND DAY, TUESDAY, APRIL 10, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Restore unto me the joy of Thy salvation: and uphold me with Thy free spirit. (Psalm 51:12)

Almighty God, to whom all hearts are open, all desires are known, and from whom no secrets are hidden, make Your power known to us throughout the hours of this day. Fill our minds with wisdom, our hearts with love, and our spirits with the desire to walk humbly in the way of Your commandments.

We are glad that we are citizen-legislators living in this blessed state of Missouri. Let no violence, prejudice or discord dim our vision of people living together harmoniously and working for peace plus justice.

Bless our Speaker, our Members of this House of Representatives, and all who work under the dome of this Capitol. Bless every individual citizen that the sacred rights of freedom may be ours forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Alaina McAlister.

The Journal of the fifty-first day was approved as printed by the following vote:

The governing bodies of the eligible city and eligible county may place the ballot question before qualified voters through ordinance, resolution, or other appropriate means, and such governing bodies may place additional language on the ballot to describe the use or allocation of the revenues generated by the tax. The ballot question may also be placed before the voters through petition to the election authorities of such eligible city and eligible county by providing, no later than ninety days prior to the proposed election date, a petition signed by the registered voters of such eligible city and eligible county, of not less than one percent of the number of votes cast in each jurisdiction at the most recent general election for governor. The eligible city and eligible county election officials shall give legal notice at least sixty days prior to such election in at least two newspapers that such proposition shall be submitted at the next general or primary election or special election held for the submission of the proposition. The resolution or proposition shall be printed on the ballot and in the notice of election.

3. (1) If a majority of the votes cast on the proposal by the qualified voters in the eligible city and a majority of the votes cast on the proposal by the qualified voters in the eligible county voting thereon are in favor of the proposal, the district shall be deemed established and the tax rate for such district shall be in effect. The revenue received from the tax authorized under this section shall be deposited in a special fund to be known as the "Education and Job Training Television Broadcast Fund", which shall be established in the eligible city or eligible county treasury. The district shall not be established and the tax shall not be effective unless and until a proposition in substantially the form required under this section is adopted by the voters of both an eligible city and an eligible county. If the proposal fails to receive a majority of the votes in favor of the proposal in either an eligible city or an eligible county, such proposition shall not be resubmitted at any election held within one year of the date of the election in which the proposition was rejected within such city or county. Any such resubmission of such proposal shall comply with the provisions of this section. If a majority of votes are in favor of the proposal in only the eligible city or the eligible county, the proposal need not be resubmitted in such eligible city or eligible county for ten years after the vote in favor of the proposal.

(2) The results of the question submitted to voters under this section shall be certified by the election officials of such eligible city or eligible county to the governing body of such city or county no later than thirty days after the day of the election. Upon certification of the results, the governing body of such city or county may proceed with the performance of all actions necessary and incidental to the participation in the district.

(3) The commission appointed under subsection 4 of this section shall have exclusive administrative control and management of the fund and all programs to be funded therefrom. The commission shall be subject to an annual audit by a certified public accountant and shall require a similar annual audit of any recipient of funds from the commission. Such audits shall be submitted annually to the chief elected officer of each member of the district. The commission shall use the fund to provide programs solely within the district which shall promote:

- (a) Early childhood education programming;
- (b) Elementary and secondary education programming;
- (c) Adult education programming;
- (d) Job training programming, which shall include programming related or job training programs provided by federal, state, or local governments or nonprofit agencies; and
- (e) Activities related to preparing citizens for furthering their education and more fully participating in the economy of the region of such eligible city and eligible county. Such activities shall not be limited to traditional television broadcasting services but may include other forms of media including, but not limited to, seminars, professional training, research and development promoting collaboration among public and nonprofit education, job training and education providers, and similar or related activities that foster or enhance job training or education at all levels.

No funds shall be used directly or indirectly for any political purpose.

(4) In providing services under subdivision (3) of this subsection, the commission shall contract only with a nonprofit entity that is a noncommercial television broadcast station licensed to serve the metropolitan area of an eligible city and eligible county and that:

- (a) Under the rules and regulations of the Federal Communications Commission in effect on March 29, 1990, is licensed by the Federal Communications Commission as an NCE television broadcast station;
- (b) Is owned and operated by an organization exempt from taxation under 26 U.S.C. Section 501(c)(3) and headquartered within the eligible city or eligible county; and
- (c) Is eligible to receive a community service grant, or any successor grant, from the Corporation for Public Broadcasting, or any successor organization, on the basis of the formula set forth in 47 U.S.C. Section 396(k)(6)(B).

4. (1) The district shall be governed by a commission, which shall be a body corporate and a political subdivision of the state and shall be composed of five members appointed as follows:

- (a) Two persons appointed by the mayor of an eligible city;
- (b) Two persons appointed by the chief elected official of an eligible county; and
- (c) One person appointed by the governor, without the advice and consent of the senate, who shall serve as the chairperson of the commission.

(2) Upon the organization of the commission, the terms of the initial appointees shall be staggered such that:

- (a) Of the appointees under paragraph (a) of subdivision (1) of this subsection, one shall serve one year and one shall serve three years;
- (b) Of the appointees under paragraph (b) of subdivision (1) of this subsection, one shall serve two years and one shall serve four years; and
- (c) The appointee under paragraph (c) of subdivision (1) of this subsection shall serve four years.

Thereafter, the terms of the commissioners shall be four years. Commissioners may be reappointed. Vacancies shall be filled in the same manner as the original appointment was made.

(3) In addition to the chairperson of the commission, the commission shall select annually from its membership a vice chairperson and a treasurer. The treasurer shall be bonded in such amounts as the commission may require.

(4) The commission may appoint such officers, agents, and employees as it may require for the performance of its duties and shall determine the qualifications and duties and fix the compensation of such officers, agents, and employees, provided that in no event shall the commission expend more than two percent of the funds it receives in any given year on operating expenses, exclusive of the cost of the annual audit required under subsection 3 of this section.

(5) The commission shall fix the time and place at which its meetings shall be held. Meetings shall be held within the district and shall be open to the public and shall comply with the provisions of chapter 610.

(6) A majority of the commissioners shall constitute a quorum for the transaction of business. No action of the commission shall be binding unless taken at a meeting at which a quorum is present and a majority of the commissioners present at such meeting vote in favor thereof.

(7) Commissioners shall be subject to all provisions applicable to conflicts of interest in any business transaction of the district or commission. A commissioner shall disclose any conflict of interest in writing to the other commissioners and shall abstain from voting on any matter relating to such activity or such business transaction.

(8) Commissioners shall have official immunity under the common law for any action at law or equity, or other legal proceeding, against any commissioner relating to any act or omission of the commissioner arising out of his or her performance of duties as a commissioner. If any action at law or equity, or other legal proceeding, shall be brought against any commissioner for any act or omission arising out of the performance of duties as a commissioner, the commissioner shall be indemnified in whole and held harmless by the commission for any judgment or decree entered against the commissioner and shall be defended at the expense of the commission in any such proceeding.

5. The governing bodies of a member of the district that adopts the sales tax authorized under this section shall submit the question of whether to continue the tax to the voters ten years from the date of the implementation of the tax and every ten years thereafter on a date available for elections for the city. The ballot language shall be in substantially the following form:

Shall the City of _____ (insert name of eligible city) and the County of _____ (insert name of eligible county) continue collecting a tax of _____ (insert rate) cents per each one hundred dollars of assessed valuation for the purpose of education and job training television broadcasting?

☐ YES ☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to continuation, the repeal of the tax shall become effective on December thirty-first of the calendar year in which such continuation failed to be approved. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of continuation, the tax shall remain effective until the question is resubmitted under this subsection to the qualified voters and continuation fails to be approved by a majority of the qualified voters voting on the question."; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset 12 years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Taylor assumed the Chair.

On motion of Representative Haefner, **House Amendment No. 1** was adopted.

Representative Swan offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 2140, Page 1, Section A, Line 2, by inserting after all of said line the following:

"34.010. 1. The term "department" as used in this chapter shall be deemed to mean department, office, board, commission, bureau, institution, or any other agency of the state, except the legislative and judicial departments **and public institutions of higher education**.

2. The term "lowest and best" in determining the lowest and best award, cost, and other factors are to be considered in the evaluation process. Factors may include, but are not limited to, value, performance, and quality of a product.

3. The term "Missouri product" refers to goods or commodities which are manufactured, mined, produced, or grown by companies in Missouri, or services provided by such companies.

4. The term "negotiation" as used in this chapter means the process of selecting a contractor by the competitive methods described in this chapter, whereby the commissioner of administration can establish any and all terms and conditions of a procurement contract by discussion with one or more prospective contractors.

5. The term "purchase" as used in this chapter shall include the rental or leasing of any equipment, articles or things.

6. The term "supplies" used in this chapter shall be deemed to mean supplies, materials, equipment, contractual services and any and all articles or things, except for utility services regulated under chapter 393 or as in this chapter otherwise provided.

7. The term "value" includes but is not limited to price, performance, and quality. In assessing value, the state purchaser may consider the economic impact to the state of Missouri for Missouri products versus the economic impact of products generated from out of state. This economic impact may include the revenues returned to the state through tax revenue obligations."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Swan, **House Amendment No. 2** was adopted.

Representative Lavender offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for House Bill No. 2140, Page 1, Section A, Line 2, by inserting the following after all of said line:

"34.040. 1. All purchases in excess of ~~three~~ **ten** thousand dollars shall be based on competitive bids, except as otherwise provided in this chapter.

2. On any purchase where the estimated expenditure shall be ~~twenty-five~~ **one hundred** thousand dollars or over, except as provided in subsection 6 of this section, the commissioner of administration shall:

(1) Advertise for bids in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before bids for such purchases are to be opened. Other methods of advertisement, which may include minority business purchase councils, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post a notice of the proposed purchase in his or her office; and
(3) Solicit bids by mail or other reasonable method generally available to the public from prospective suppliers. All bids for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening bids.

3. The contract shall be let to the lowest and best bidder. The commissioner of administration shall have the right to reject any or all bids and advertise for new bids, or purchase the required supplies on the open market if they can be so purchased at a better price. When bids received pursuant to this section are unreasonable or unacceptable as to terms and conditions, noncompetitive, or the low bid exceeds available funds and it is determined in writing by the commissioner of administration that time or other circumstances will not permit the delay required to resolicit competitive bids, a contract may be negotiated pursuant to this section, provided that each responsible bidder who submitted such bid under the original solicitation is notified of the determination and is given a reasonable opportunity to modify their bid and submit a best and final bid to the state. In cases where the bids received are noncompetitive or the low bid exceeds available funds, the negotiated price shall be lower than the lowest rejected bid of any responsible bidder under the original solicitation.

4. The director of the department of revenue shall follow bidding procedures as contained in this chapter and may promulgate rules necessary to establish such procedures. No points shall be awarded on a request for proposal for a contract license office to a bidder for a return-to-the-state provision offer.

5. All bids shall be based on standard specifications wherever such specifications have been approved by the commissioner of administration. The commissioner of administration shall make rules governing the delivery, inspection, storage and distribution of all supplies so purchased and governing the manner in which all claims for supplies delivered shall be submitted, examined, approved and paid. The commissioner shall determine the amount of bond or deposit and the character thereof which shall accompany bids or contracts.

6. The department of natural resources may, without the approval of the commissioner of administration required pursuant to this section, enter into contracts of up to five hundred thousand dollars to abate illegal waste tire sites pursuant to section 260.276 when the director of the department determines that urgent action is needed to protect public health, safety, natural resources or the environment. The department shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

7. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise.

8. The commissioner of administration shall be authorized to hold a reverse auction to procure merchandise, supplies, raw materials, or finished goods if price is the primary factor in evaluating bids. The office of administration shall promulgate rules regarding the handling of the reverse auction process. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

34.042. 1. When the commissioner of administration determines that the use of competitive bidding is either not practicable or not advantageous to the state, supplies may be procured by competitive proposals. The commissioner shall state the reasons for such determination, and a report containing those reasons shall be maintained with the vouchers or files pertaining to such purchases. All purchases in excess of ~~[five]~~ **ten** thousand dollars to be made under this section shall be based on competitive proposals.

2. On any purchase where the estimated expenditure shall be ~~[twenty-five]~~ **one hundred** thousand dollars or over, the commissioner of administration shall:

(1) Advertise for proposals in at least two daily newspapers of general circulation in such places as are most likely to reach prospective offerors and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before proposals for such purchases are to be opened. Other methods of advertisement, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post notice of the proposed purchase; and

(3) Solicit proposals by mail or other reasonable method generally available to the public from prospective offerors.

All proposals for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening proposals. Proposals shall be opened in a manner to avoid disclosure of contents to competing offerors during the process of negotiation.

3. The contract shall be let to the lowest and best offeror as determined by the evaluation criteria established in the request for proposal and any subsequent negotiations conducted pursuant to this subsection. In determining the lowest and best offeror, as provided in the request for proposals and under rules promulgated by the commissioner of administration, negotiations may be conducted with responsible offerors who submit proposals selected by the commissioner of administration on the basis of reasonable criteria for the purpose of clarifying and assuring full understanding of and responsiveness to the solicitation requirements. Those offerors shall be accorded fair and equal treatment with respect to any opportunity for negotiation and subsequent revision of proposals; **however, a request for a proposal may set forth the manner for determining which offerors are eligible for negotiation including, but not limited to, the use of shortlisting.** Revisions may be permitted after submission and before award for the purpose of obtaining best and final offers. In conducting negotiations there shall be no disclosure of any information derived from proposals submitted by competing offerors. The commissioner of administration shall have the right to reject any or all proposals and advertise for new proposals or purchase the required supplies on the open market if they can be so purchased at a better price.

4. The commissioner shall make available, upon request, to any members of the general assembly, information pertaining to competitive proposals, including the names of bidders and the amount of each bidder's offering for each contract.

34.044. 1. The commissioner of administration may waive the requirement of competitive bids or proposals for supplies when the commissioner has determined in writing that there is only a single feasible source for the supplies. Immediately upon discovering that other feasible sources exist, the commissioner shall rescind the waiver and proceed to procure the supplies through the competitive processes as described in this chapter. A single feasible source exists when:

(1) Supplies are proprietary and only available from the manufacturer or a single distributor; or

(2) Based on past procurement experience, it is determined that only one distributor services the region in which the supplies are needed; or

(3) Supplies are available at a discount from a single distributor for a limited period of time.

2. On any single feasible source purchase where the estimated expenditure shall be ~~[five]~~ **ten** thousand dollars or over, the commissioner of administration shall post notice of the proposed purchase. Where the estimated expenditure is ~~[twenty-five]~~ **one hundred** thousand dollars or over, the commissioner of administration shall also advertise the commissioner's intent to make such purchase in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders or offerors and may provide such information through an electronic medium available to the general public at least five days before the contract is to be let. Other methods of

advertisement, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased. The requirement for advertising may be waived, if not feasible, due to the supplies being available at a discount for only a limited period of time.

34.047. Notwithstanding any provision in section 34.040, section 34.100, or any other law to the contrary, departments shall have the authority to purchase products and services related to information technology when the estimated expenditure of such purchase shall not exceed ~~[seventy-five]~~ **one hundred fifty** thousand dollars, the length of any contract or agreement does not exceed twelve months, the department complies with the informal methods of procurement established in section 34.040, and 1 CSR 40-1.050(1) for expenditures of less than ~~[twenty-five]~~ **one hundred** thousand dollars, and the department posts notice of such proposed purchase on the online bidding/vendor registration system maintained by the office of administration. For the purposes of this section, "information technology" shall mean any computer or electronic information equipment or interconnected system that is used in the acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of information, including audio, graphic, and text."; and

Further amend said bill, page, and section, Line 9, by inserting the following after all of said line:

"34.353. 1. Each contract for the purchase or lease of manufactured goods or commodities by any public agency, and each contract made by a public agency for construction, alteration, repair, or maintenance of any public works shall contain a provision that any manufactured goods or commodities used or supplied in the performance of that contract or any subcontract thereto shall be manufactured or produced in the United States.

2. This section shall not apply where the purchase, lease, or contract involves an expenditure of less than ~~[twenty-five]~~ **one hundred** thousand dollars. This section shall not apply when only one line of a particular good or product is manufactured or produced in the United States.

3. This section shall not apply where the executive head of the public agency certifies in writing that:

(1) The specified products are not manufactured or produced in the United States in sufficient quantities to meet the agency's requirements or cannot be manufactured or produced in the United States within the necessary time in sufficient quantities to meet the agency's requirements;

(2) Obtaining the specified products manufactured or produced in the United States would increase the cost of the contract by more than ten percent;

(3) The specified products are to be purchased or leased by a state-supported four-year institute of higher education and such certification as required by subdivision (1) or (2) of this subsection has been made within the last three years;

(4) The specified products are to be purchased or leased by a publicly supported institution and such certification as required by subdivision (1) or (2) of this subsection has been made within the last three years; or

(5) The political subdivision has adopted a formal written policy to encourage the purchase of products manufactured or produced in the United States.

4. The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contacted by the public agency or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

5. Certificates required by this section shall be maintained by the public agency for a period of three years." and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Lavender, **House Amendment No. 3** was adopted.

On motion of Representative Haefner, **HCS HB 2140, as amended**, was adopted.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let the peace of God rule in your hearts and be ye thankful. (Colossians 3:15)

O Great God, we rejoice in the dawning of another day and pray that we may be so conscious of Your presence and so receptive to the guidance of Your spirit that we may walk more respectably and peacefully in Your ways. We know You are with us and we want to acknowledge that we are with You.

Deepen our faith, increase our love, and strengthen our hands that we may be faithful to You, devoted to our State, and true to the best within us. We do not ask You to remove hard decisions but to give us power to meet them courageously, to manage them confidently, and to master them creatively. We do not pray for tasks equal to our strength but for strength equal to our tasks; not for responsibilities we can carry easily but for an inner peace to carry our responsibilities however heavy and serious.

Give to us such greatness of character, such gentleness of spirit, and such goodness of heart that we may do our duties with due respect for the dignity and rights of others. May we be just and kind in all our ways and honest and straightforward through all our days.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Lucas Bailey.

The Journal of the fifty-second day was approved as printed by the following vote:

SENSITIVE CONTENT WARNING

This report contains content of a sensitive and sexual nature. The House Special Investigative Committee on Oversight has kept descriptions of an adult nature and coarse language in order to provide an unfiltered record of witness testimony. In some cases, the identities of witnesses and sensitive information have been redacted from the record to protect privacy.

HISTORY OF THE COMMITTEE

The House Special Investigative Committee on Oversight (the Committee) was formed by Speaker Todd Richardson on February 27, 2018, and consists of seven members: Chairman Jay Barnes, Vice-chairman Don Phillips, Ranking Member Gina Mitten, Rep. Jeanie Lauer, Rep. Kevin Austin, Rep. Shawn Rhoads, and Rep. Tommie Pierson Jr.

House Resolution 5565, adopted by a unanimous vote of the House of Representatives on March 1, 2018, established procedures for the Committee. In particular, HR 5565 empowered and required the Committee to “investigate allegations against Governor Eric R. Greitens” and “report back to the House of Representatives within forty days of such committee being appointed[.]” It further permitted the Committee to close all or a portion of hearings to hear testimony or review evidence, and to redact testimony transcripts and other evidence to protect witness identities or privacy.

Subpoenas were issued to compel the appearance of witnesses and the production of documents. Every witness before the Committee testified under oath.

- On February 22, 2018, Speaker Todd Richardson indicated he would form a committee to investigate allegations against Governor Greitens (Greitens). In response, counsel for Greitens stated that they would “welcome reviewing this issue with the independent, bipartisan committee of the Missouri House of Representatives.” Counsel promised to “work with the committee,” after faulting the Circuit Attorney for the City of St. Louis for refusing to meet with Greitens.¹
- On February 27, 2018, the Committee was formed by Speaker Todd Richardson.
- On February 28, 2018, Chairman Barnes made contact with attorneys Ed Dowd, Counsel for Greitens; Scott Simpson, counsel for Witness 1; and Al Watkins, counsel for Witness 3. Requests were made for production of documents.
- Counsel for Witnesses 1 and 3 timely responded to the Committee’s request for documents. Counsel for Greitens declined to provide any documents, stating that they were under a non-disclosure order from the Circuit Court of the City of St. Louis in an existing criminal case not to disclose documents from that case. However, the Committee notes that only one of the requests for documents to Greitens involved documents from the current pending case.
- On March 7, 2018, pursuant to subpoena, the Committee took testimony from Witness 1.
- On March 9, 2018, pursuant to subpoena, the Committee took testimony from Witness 2, who identified herself as a close friend of Witness 1, and Witness 3, the ex-husband of Witness 1.
- On March 12, 2018, pursuant to subpoena, the Committee took testimony from Witness 4, a close friend of Witness 1.

¹ See Ex. 23, Correspondence with Greitens’ Counsel.

- On March 22, 2018, Chairman Barnes sent requests for sworn answers to interrogatories to counsel for Greitens, and requested that counsel be prepared at a meeting the next morning to provide available dates and times at which Greitens could testify before the Committee.
- On March 23, 2018, Chairman Barnes, Vice-chairman Phillips, and staff attorneys Alex Curchin and Alixandra Hallen met informally with Ed Dowd, counsel for Greitens and Ross Garber, counsel for the Office of the Governor of Missouri. Chairman Barnes informed counsel that, although Greitens did not have a constitutional right to testify before the Committee at this point, the Committee was treating the process as if he did. Chairman Barnes requested that counsel inform the Committee by Monday, March 26, 2018 whether Greitens intended to exercise or waive his right to testify before the Committee at this point in time.
- On March 26, 2018, counsel for Greitens informed the Committee that Greitens would decline to testify before the Committee at this point in time. The Committee notes that Greitens has the constitutional right to so decline, and that the Committee has treated this process as if he also has the right to testify at this point in time.
- On April 3, 2018, the Committee met to discuss the process for redactions of the record and drafting of this report.
- On April 5, 2018, the Committee met to vote on redactions of the record and discuss a draft of this report.

LIMITATIONS OF THE COMMITTEE

The Committee operated under significant time and resource constraints pursuant to the resolution. The Committee also notes that Greitens has declined to participate in this fact-finding process at this time. Greitens declined to provide the requested testimony, documents, and sworn answers to interrogatories. Greitens enjoys a fifth amendment constitutional right not to testify in his criminal trial – and before this Committee. Yet, it is also true that he enjoys a constitutional right to testify in his criminal trial if he so chooses. Further, this Committee treated the process to date as if Greitens also had a right to testify before it.

Greitens has effectively waived the right to testify before this Committee at this point in time. Thus, to the extent this report does not include Greitens' perspective, that is the result of his choice not to participate. While disappointing to the Committee, his failure to participate is not held by the Committee as an indication of the truthfulness of the allegations. Finally, the Committee also notes that Greitens will be afforded further opportunities to present evidence should additional proceedings of the Committee be deemed necessary.

Finally, this Committee was not tasked with recommending specific actions for the House of Representatives or Senate to take following this report. Instead, the Committee's purpose, per HR 5565, is to determine, to the best extent possible, the underlying evidence to allegations made against Greitens. Accordingly, while individual members of the Committee may have recommendations and beliefs about appropriate actions given these facts, those beliefs are the Committee members' as individual representatives, not of the committee as a whole. The Committee also notes that the seriousness of this process is such that it would be inappropriate for it to make recommendations after a series of closed hearings and before other elected officials and the public have been made aware of the facts included in this report.

FINDINGS OF THE COMMITTEE

A. Conduct in Relation to Witness 1

Based on the testimony and evidence received by the Committee to date, the Committee finds reason to believe the following:

1. The Committee finds Witness 1 to be an overall credible witness.
2. Witness 2, a confidant of Witness 1, testified she has known Witness 1 for ten years.²
3. Witness 3 authenticated a surreptitious recording of a conversation with Witness 1 that took place on March 25, 2015, approximately four days after Witness 1's sexual encounter with Greitens.
4. Witness 4, a confidant of Witness 1, testified that she has known Witness 1 for thirty years, dating back to elementary school.³
5. Greitens declined the opportunity to testify and failed to respond to the Committee's request for production of documents and sworn answers to written interrogatories.⁴ The Committee notes that Greitens has the constitutional right to so decline, and that the Committee has treated this process as if he also has the right to testify at this point in time.
6. Witness 1, a hair stylist, met Greitens in 2013, when he became her client.⁵ Witness 1 testified:

He became a regular client of mine. And – I don't know. I saw him pretty regularly, unless he was traveling. Seemed pretty typical...we got to know each other pretty well, and I thought he was great. I thought he was this perfect guy. I probably knew too much about what he had maybe done in the past, as far as – I knew – I knew that he was an author, I knew he was a motivational speaker, I knew he was a Navy SEAL. I knew he had volunteered at the Mother Theresa House...I don't want to say that he was speaking highly of himself, but he found a way to tell me these things, and so I just thought he was wonderful.⁶
7. From the fall of 2014 to March 2015, Greitens did not make any appointments with Witness 1. Then, on or about March 7, 2015, Greitens returned for a haircut.⁷

[W]hen I saw Eric was coming in that time, I was super nervous because he was one of – you know, really, my only client that I had somewhat of a crush on and thought he was this great guy, and so I just felt kind of nervous having him come in, and because I thought that maybe he didn't come in to see me after that time because he felt bad flirting with me, because he was having a baby soon.⁸
8. Witness 1 testified that, during the March 7 appointment, Greitens moved his hand up her leg and "all the way up to [her] crotch" without her consent.⁹
9. On or about March 7, Greitens attempted to call Witness 1 on her cell phone, but she did not answer.¹⁰ Witness 1 explained her feelings:

I was at least curious. Did he have the same feelings for me? Was he going through something similar with his wife? Why did he feel like he could do that? Because he didn't know I was separated. So, anyway – so I was at least curious. I didn't want to talk to him, but I did want him to call me.¹¹

10. On or about March 14, Witness 1 called Greitens while she was out with friends in the Central West End area of St. Louis. Witness 1 testified:

[W]e were trying to have a conversation in code of sorts, like, I'm really – my friend is really curious – she's in a situation. She was really curious what happened and why...you know, it was kind of in code. The way he was talking, I could tell he was most likely at his house because he wasn't really talking.

And – so he said, Actually – hey can you meet me outside of Starbucks in an alley – oh, because he asked me where I was, and I said – I was in the Central West End with some of my friends...¹²

11. They met for a few minutes in an alleyway behind Starbucks. There was no sexual contact during this meeting. Witness 1 testified:

[H]e asked where I was, and I said I was at a restaurant in the Central West End – a Mexican restaurant there. And he said, Well, can you meet me in a few minutes in the alleyway behind Starbucks, because I think I have a solution to your friend's problem. So I said, Okay. And I went over to kind of where he was talking about behind the Starbucks, and I was, like, shaking, because I was nervous to even be talking to him like this. And he kind of hugged me and just said, Listen, calm down, it's not – it'll be okay. I have an idea of, you know, of a time when we can talk about this openly. Next weekend, my wife is going out of town, you can come over to my house, we can discuss these things, because ... I have to get back to my house in a minute.¹³

12. On Friday, March 20, Witness 1 called Greitens from her salon and told him, "I don't feel comfortable coming to your house, can you please meet me at Starbucks or Coffee Cartel?" Greitens responded that he could not be seen in public with her because he was running for office and people would be watching him, especially in the Central West End. Instead, he insisted they meet at his house where she could "come in through the back door, nobody will see you, we can talk, you can get back to work, it'll be fine."¹⁴

13. Witness 1 arrived at the backdoor to Greitens' home at approximately 7 a.m. on Saturday, March 21.¹⁵

14. Witness 1 had to be at work by approximately 7:45 a.m. that morning.¹⁶

15. Upon entering the home, Greitens made a "shush motion" to Witness 1, took her purse and keys, removed all items from her purse and searched it, patted her down from head-to-toe, and then went back outside to check if anyone had seen her enter the home.¹⁷

16. Witness 1 testified that she was nervous, and Greitens attempted to calm her down. Greitens asked if she could come back later after she finished working. Witness 1 informed him that she would be finished at 4:00 p.m., but that she had to pick her children up at that time so she could not return that afternoon. Witness 1 then testified to the following:

[H]e said, Well, okay, I have this idea. And I thought about you so much, and I have this idea, and it's to make you feel good. I feel like you haven't been treated good in so long. And I said, Well, I want to talk to you. I want to know what is going on in your relationship. You don't even know

what's going on in mine. And he said, I know...but we don't have a whole lot of time. Have you exercised today?

It was like he was on a mission, sort of, like this kind of high energy – it was kind of high energy. And I said, No I haven't exercised. And he said, Will you let me take you through an exercise – like, through a workout? I just have this idea. It's going to make you feel so good and – for whatever reason, I trusted him, thought this is okay, this is – somehow we're going to get to this – I don't know – I'm going to leave here feeling more clarified that, obviously, he has feeling for me.¹⁸

17. Witness 1 explained that Greitens had prepared clothes for her to change into:

So he said, I have these clothes I want you to put on. He had clothes sitting on his countertop. I want you to go change into these – take off all of your stuff – take off everything you're wearing and put on these clothes. And I just kind of looked at him like, Oh, God, what do you have? And he said, Just trust me. ... I just want to make you feel good.

So I went – he has, like, a little bathroom off his kitchen, and I went in there, changed into these clothes. The shirt was his – like, a man's white T-shirt that he had cut a slit at the top, and the pants were men's pajama pants.¹⁹

18. When Witness 1 emerged from the bathroom wearing the clothes Greitens had set out for her, Witness 1 testified that Greitens told her he would show her “how to do a proper pull-up.” Witness 1 testified that she believed “this is going to be some sort of sexy workout.”²⁰ She explained, “I thought this was going to be some sort of, like, sexy workout. I knew he – he had asked if I worked out that morning. I knew he – he said he had this idea that – something that would be – make me feel really good and I did work out, because he wanted to take me through a workout. And at this point I thought – we hadn't worked out together ever, so I thought, Oh, maybe it'll be some sort of – I don't know – sexy workout.”²¹

19. Witness 1 testified that she “was shocked” and “confused” at that point in time:

I still really thought he was perfect. He definitely knew – I know I had made it clear I had not cheated on my husband before and that, you know, I didn't want to do anything physical with him. So I think I was just confused, kind of shocked. And I was curious enough – he likes me this much that he has something planned for our workout? I don't know. I – I guess more than anything, confused.”²²

20. At that point, Witness 1 testified that she would not have been “okay with a normal sexual encounter with him if he said, Hey I just want to have sex in the basement.”²³

21. When asked if she thought she was being led into a “a situation,” Witness 1 testified:

I did. But at this point, not a bad situation...More that he had a plan and – like I said, I think I really thought maybe he will, you know, have some sort of sexy workout planned, which is why – because he said, Change your clothes into these, and I said, What do you mean? And he said, I just want to take you through a workout, come on. Just trust me. I want to make you feel good. And I

¹⁸ Tr. W1 at 19:27 to 20:25.

¹⁹ Tr. W1 at 21:1-13; 86:8-17, answering in the affirmative to question posed by Rep. Lauer whether Greitens appeared to have “planned to have those available.”

²⁰ Tr. W1 at 21:14 to 22:1. This testimony is consistent with statements Witness 1 made to Witness 3 in the surreptitiously recorded phone call of March 24, 2015. See Ex. 1 at 16:24 to 17:5.

just feel like you haven't been treated good in so long. So at this point, it was more curiosity / confusion.²⁴

22. Upon entering the basement, Witness 1 testified that Greitens taped her hands to pull-up rings with “this gauzed tape stuff” and then put a blindfold on her. Witness 1 testified that these items were laying on a “workout bench right there, and that’s where he had that stuff.”²⁵

23. Witness 1 testified to Greitens’ demeanor at the time, stating, “[H]e kind of had this controlling sort of – again, it almost as if he had a – like we were on a movie set. So he’s got this whole thing down of what he was going to say or whatever, but he was super – he was in a controlled state, which at this point was intriguing to me.”²⁶

24. Witness 1 testified that Greitens then spit water into her mouth:

And then he said, First, before we start a workout, you have to be hydrated and puts water in his mouth and tries to spit it in my mouth, at which point I realized he’s trying to kiss me, but I don’t even want to kiss him. ...

So I just spit it out. He does it and he’s like, You’re not going to be a bad girl, are you? Tries to do it again, to which I just let it dribble out, because I didn’t even want to kiss him.²⁷

25. Witness 1 testified that she had not spoken to that point, and that Greitens then, “[S]tarts kissing down my neck and he starts kissing kind of like down to my chest. And he takes the shirt and rips it open.”²⁸

26. Witness 1 testified that she did not consent to Greitens’ tearing of the shirt, exposing her.²⁹

27. Witness 1 testified that Greitens then commented on a scar on Witness 1’s stomach, before “kissing down [her] stomach” and “pull[ing] down [her] pants.”³⁰

28. Witness 1 testified she did not consent to Greitens pulling her pants down to her ankles.³¹

29. After Greitens pulled down her pants, Witness 1 testified, “[T]hen I hear him kind of, like, step back – take a step back and I hear – I can hear like a, like a cell phone – like a picture, and I can see a flash through the blindfold.”³²

30. Witness 1 testified that she felt like her “privacy was invaded.”³³

³¹ Tr. W1 at 72:12-14, responding in the negative to question posed by Rep. Mitten.

³² Tr. W1 at 23:19-23; 62:3-24, testifying that Greitens admitted to her that he took the picture and that she “could hear it and [she] could see the flash;” Tr. W1 at 78:13-25, testifying again to hearing a click, seeing a flash, and that Greitens “acknowledge[d] it after he took it and sa[id], I’m going to put this picture everywhere. And then whenever [she] came back, telling [her] that he had erased it;” Ex. 1 at 17:24 to 18:2, stating four days later, “[H]e stepped back, and I saw a flash through the blindfold, and he said, ‘You’re never going to mention my name, otherwise there will be pictures of [you] everywhere.’”

³³ Tr. W1 at 65:17-24, responding in the affirmative to question posed by Rep. Phillips. The Committee notes that this question was related to a general feeling of invasion of privacy and not necessarily to the elements required for a conviction under §565.252, RSMo.

31. Witness 1 testified that she never saw an actual picture.³⁴ Nor did she recall “the first time she saw his phone.”³⁵

32. On April 9, 2018, the Committee was made aware of a motion filed in the criminal case by Greitens’ counsel that asserted Witness 1 testified as follows:

Q: Did you ever see him in possession of a camera or phone?

A: Not to my knowledge. I didn’t see him with it.

Q: And as you sit here now, you cannot state under oath that you ever saw him in possession of a camera – with a camera or a phone?

A: Correct.

Q: And you can’t say you saw it on his person, you can’t say you saw him put it down in the kitchen, take it from the kitchen, or put it down anywhere in the basement. Those are all correct statements, are they not?

A: Yes, I cannot say.

The motion notes that, when asked by the Assistant Circuit Attorney, “did you see what you believed to be a phone?” Witness 1 answered, “... I haven’t talked about it because I don’t know if it’s because I’m remembering it through a dream or I – I’m not sure, but yes, I feel like I saw it after that happened, but I haven’t spoken about it because of that.”³⁶

33. When asked whether she had reason to believe a photograph of her was transmitted in a way that allowed access via a computer, Witness 1 stated she knew “he had an iPhone ... And if he had iCloud, yes.”³⁷

34. The committee does not possess any physical or electronic evidence of a photograph or its transmission.³⁸

35. Witness 1 testified that Greitens then said, “You’re not going to mention my name. Don’t even mention my name to anybody at all, because if you do, I’m going to take these pictures, and I’m going to put them everywhere I can. They are going to be everywhere, and then everyone will know what a little whore you are.”³⁹

36. Witness 1 explained her reaction:

I just stood there, because I was like What the fuck? He doesn’t have feelings for me, he just wants to fuck me. So anyways, I was completely silent. I didn’t say anything, especially – so I didn’t even – my husband traveled for a living, and I didn’t even let him get pictures of me. So I

³⁶ The Committee notes that it includes these quotes in the absence of a full transcript from the deposition. It does so in reliance upon Greitens’ counsels’ obligation of candor as officers of the court. The Committee also notes that, on March 23, 2018, Chairman Barnes informed Greitens’ counsel that the Committee would support a motion by either party to the criminal case to make an exception to the current non-disclosure order in that case. “However, in the event any such evidence is provided, we would insist on having the complete set of evidence. In other words, we will not accept cherry-picked evidence from either the Circuit Attorney’s office or your client.” Greitens’ counsel’s motion may be found in Exhibit 23. Counsel for Witness 1 responded with a statement and an email asserting that said motion “mischaracterizes” her deposition testimony. Counsel for Witness 1’s statement and email is labeled Exhibit 24.

³⁷ Tr. W1 at 103:18-25.

³⁸ The Committee’s requests for documents and sworn answers to interrogatories directed to Greitens sought photographs and information identifying all computing devices and electronic communications accounts under Greitens’ custody or control during the relevant period. Greitens declined to respond.

³⁹ Tr. W1 at 23:24 to 24:5.

just stood there quietly, and then he came up close to me and he said, Are you going to say anything? Are you going to mention my name? Of course, in my head, I was screaming, Fuck, all I want to do is tell people right now. I'm dying. This is the most embarrassing thing that's ever happened to me. So I just didn't answer at all, and then he spanked me and said, Are you going to mention my name? And I said – I just gritted through my teeth and I said, No. And he's like Good – now that's a good girl and was, like, back in his – whatever – you know, the thing that he had in his mind, the thing that he was going to do with me.⁴⁰

37. Witness 1 testified that Greitens began kissing down her stomach again, and “as soon as he got, like, low on me, I just started freaking out and I started ripping down my hands. I was like, Get me out of here. I'm not ready for this. I don't want this. I don't want this.”⁴¹

38. Witness 1 described her emotions at that point:

I was definitely fearful. I was so embarrassed and ashamed, because I really felt like a whore because I had let him get me in this position before we've even kissed. I felt really used. I felt like what the – who are you? I think it was the thing that just kept playing through my mind is, who are you? What is this? What is this? Oh, my God, where am I? Get me out of here – because I just kept saying, Get me out of here. I'm not ready for this. It was also, too, that feeling of, I came here not wanting to do anything – nothing.⁴²

39. Witness 1 testified that after she stated, “I don't want this,” Greitens “stood up and started helping me take down this tape. He was like...calm down, it's okay. It's okay.”⁴³

40. Witness 1 testified that she responded by stating, “No I'm leaving, I'm leaving.” However, as soon as she “start[ed] walking out – or going to go up the stairs, ... he grabs me and like – like, in a bear hug, and was like, Shh, shh, it's okay, calm down, calm down, and like, lays me down on this ground in the basement. ... Not, like, hard, like – I mean, I was like a puddle of – no. I just, like, was crying.”⁴⁴

41. Witness 1 then testified:

So he was laying there and I was laying next to him just crying – like uncontrollably crying. And he was like, Shh, shh, it's okay, it's okay. That's all he was really saying at this point. And he was trying to, like fondle my body. ...

I'm bawling my eyes out. Yeah, so I'm still crying. And then he's like – I can tell he's still, like, in it – he's still in this – in this thing that he's got in his mind of whatever he's doing, and he's still like messing with me.

He starts undoing his pants, and he takes his penis out and puts it, like, near where my face is. And I'm like – so this guy literally just wants me for this, and this is all he wants, and then he'll let me – because at this point, too, I also know I have to be at work, and he's not going to let me leave, because he's obviously still horny. So I gave him oral sex at this point.⁴⁵

⁴⁰ Tr. W1 at 24:6-25; 101:20-25; Ex. 1 at 18:4-8.

⁴¹ Tr. W1 at 24:25 to 25:5; Ex. 1 at 18:12-16.

⁴⁴ Tr. W1 at 25:8-16.

⁴⁵ Tr. W1 at 25:18 to 26:12.

42. Witness 1 further testified that Greitens pulled his pants down and “pulled his penis out...max, six inches or something” from her face while she was still crying and felt that she had no other choice if she were going to get out of the basement.⁴⁶

43. As to whether she consented to oral sex at that point, Witness 1 testified, “It’s a hard question because I did it – it felt like consent, but, no, I didn’t want to do it.”⁴⁷ She further explained, “Coerced, maybe. I felt as though that would allow me to leave. That’s what he wanted – I felt that’s what he wanted....”⁴⁸ Witness 1 then agreed with the statement that she “didn’t feel necessarily able to leave without performing oral sex.”⁴⁹ She further testified, “Looking back, yes” she believed that saying no when she was bound and blind-folded extended to not consenting to further contact, but, “In the moment, I was so emotional” and that one of the emotions was “definitely” fear for her “physical self.”⁵⁰

44. Later, Witness 1 presented conflicting testimony as to whether she was physically afraid at that particular moment. When directly asked, “Did you feel afraid to leave?,” she answered, “No. Not at this point. I feel like he hadn’t gotten what he wanted,” but also affirming she was crying, under duress, felt as if she had no other choice if she was going to get out of the basement at that moment, and that it was only after feeling she had no other choice that she performed oral sex.⁵¹

45. Witness 1 testified that after performing oral sex, “He did exactly what I thought he would do. He was just like, Okay. I literally got up – he didn’t stop me from leaving. I walked upstairs, went into the bathroom, got dressed, and left and went to work.”⁵²

46. Witness 1 forgot her keys and had to return to Greitens’ house to retrieve them after work.⁵³

47. Witness 1 testified that Greitens was waiting for her when she returned at the end of her workday at 4:00 p.m. She testified that she then confronted Greitens about the picture:

[H]e was already in the kitchen and opened the door and said, You forgot your keys. I said, Yeah. And I was obviously pissed. And he said, You’re angry. And I said, I’m really angry. I’m so angry. That is not at all what I wanted to do, Eric. And he said, I know, I know, I just – I kept thinking about you. And I said, No, you took a freaking picture of me. My husband doesn’t even have a picture of me. You took a picture of me. And he said, I know...but you have to understand, I’m running for office, and people will get me, and I have to have some sort of thing to protect myself. And I thought about you, though, and I felt bad, so I erased it. To which – you know, I didn’t believe him, but at least, he, like, acknowledged that it was messed up and had a reason why[.]⁵⁴

48. Witness 1 further testified that after she and Greitens talked for a while:

[H]e was back to kind of being that guy that I knew from the salon. It was extremely charismatic, very – kept looking at me straight in my eyes and engaged – like, I felt like he cared about me. He kept trying to hug me and touch me and kind of fondle me, meaning, like maybe hugging me and

trying to put his hand up my shirt. And at this point, it – I was really kind of mixed, because I hated him from earlier, but I also loved the man that I knew before[.]”⁵⁵

49. Witness 1 further testified that she had never been photographed in a state of partial or complete nudity either before or after March 21, 2015.⁵⁶

50. Witness 2 testified that she spoke with Witness 1 within days of the encounter between Witness 1 and Greitens on March 21, 2015. Witness 2’s testimony about the contents of her conversation with Witness 1 is consistent with key portions of Witness 1’s testimony before the Committee. Witness 2 testified that, in an emotional phone call,⁵⁷ Witness 1 told her:

- a. “Greitens had suggested that she come over to his house, that she had said that she really didn’t feel comfortable going there, that she would rather do something like talk at a coffee shop. He said that he could not do that because he could not be seen in public with her. And so – that he wanted her to come over to his house. And it was within walking distance of...where she worked, and that she did – she did end up going over there.”⁵⁸
- b. “She had went into his house, that he was trying to make her feel comfortable because she was nervous. He had given her some sort of loungewear – some sort of lounge pant to put on and some sort of T-shirt – not what she wore over there, but clothes that he had had, and that he invited her down to his basement to teach her how to do a proper pull-up – she’s really into fitness.”⁵⁹
- c. “She went downstairs. He had bound her hands to some sort of pull-up equipment with some sort of tape that he had, put a blindfold over her eyes. He had ripped her shirt and pulled down her pants some, because – she has a...a scar[.]...He had made some comment about that.”⁶⁰
- d. “She had seen a flash through the blindfold and that he had taken a picture.”⁶¹
- e. “[S]he did not consent” to the taking of the picture. “She said she was embarrassed and shocked that he had said that she had better not mention his name because he would then distribute the pictures.”⁶²
- f. “[S]he was embarrassed and upset. She was married, so she was worried about the stuff being out. She has a family that she’s close to, that she had gotten upset, and that Greitens was trying to comfort her, telling her that it was going to be okay, and that she did end up performing oral sex on him. ... I think it was on a floor – a basement floor. She was upset, and he was consoling her. That’s the only thing I can remember from that, besides the actual fact.”⁶³
- g. “[S]he had went back upstairs. She got back to the salon. She had forgotten her keys there, so she had to go back to his house. She was upset, she was angry, she was embarrassed, and that he said, Just don’t worry about it; I have deleted the picture.”⁶⁴

51. Witness 4 testified that she spoke with Witness 1 soon after the encounter between Witness 1 and Greitens on March 21, 2015. Witness 4’s testimony about the contents of her conversation with Witness 1 are

consistent with key portions of Witness 1's testimony before the Committee. Witness 4 testified that Witness 1 told her:

- a. "She said that she went to his home and that when she entered his home he had checked her for bugs as far as being bugged, wired I guess, and made her disrobe into one of his dress shirts. And he checked her purse and her belongings for any devices, recording devices."⁶⁵
- b. "[A]fter he had blindfolded her that she had saw a flash type and recognized that he had taken a photograph of her, and he said that if you mention my name that I'll put this out there or put this on the Internet, something to that effect. And she got very upset and wanted to get down, wanted him to get her down."⁶⁶
- c. "[W]hen he said that to her about the photograph or that incident that he sounded different and that she was afraid at that point."⁶⁷
- d. "[H]e helped her down, and was trying to comfort her. She was very upset. Freaking out was how she described it. And said that – he said that 'I deleted it. I deleted it.'"⁶⁸
- e. "I don't know when this incident occurred. I'm not sure if it was from the original encounter or not, I don't know, but there's pieces of things that we've talked about and she had described an encounter where she was really upset and that she had given him oral sex and she said that she just did it so that she could leave."⁶⁹

52. On March 24 or 25, 2015, Witness 1 testified that she decided that she had to tell Witness 3 about the encounter. The resulting conversation was recorded by Witness 3 without her knowledge or consent, and portions of it have been broadcast on television.⁷⁰ Witness 3 promised their conversation would not "leave the car."⁷¹ Witness 1's statements in the conversation are consistent with key portions of her testimony before the Committee. In that conversation, Witness 1 told Witness 3:

- a. "I met Eric a year ago and I instantly had a big crush on him. No, I never flirted with him. Never confided in him except for I talked about...and he helped me with that and just talked about life and whatever. He is very motivating. That's his personality. He's very persuasive. He never flirted with me other than complimenting me a couple of times on, 'Oh, I really like your hair like that,' or whatever."⁷²
- b. "[H]e quit coming in, and then I didn't see him at all for five months. Like I wasn't lying about that. And then he came in, it was a Friday, and I was so nervous to even have him come in because I knew that I had those feelings, those unexplained feelings of I shouldn't have a crush on anybody; I'm married; this is so stupid. So then I had really bad anxiety."⁷³
- c. "He came in. Knowing that I felt better whenever he came in and I felt more calm and that made me feel better, but while I was shampooing his hair and telling him about my class – at first I thought it was just me, but then I realized it wasn't. He was – I was in the middle of talking and he was doing 'this' to my leg. And at first I ignored it because I didn't know if that was just me, and then I realized he was doing that and I said, 'Eric, you need' – well, I said, 'You need to stop.' And he looked at me

and he said, ‘What?’ And then I said, ‘You know what you’re doing. I know what you’re doing. You need to stop.’ And he didn’t say anything. And then he came back and sat down in the chair and I said – because there was silence. And I said, ‘Is that why you didn’t come in here for five months?’ And he said, ‘Yes.’ Or, no, he said, ‘Maybe.’ Because I guess he was attracted to me.”⁷⁴

- d. That she met Greitens on the weekend of March 14, but “nothing happened on the 14th,” but that she had met him outside and he told her that he wanted to see her the next weekend.⁷⁵
- e. “[O]n Friday, I called him from work and said, ‘I’m going home. ... I cannot come over. ... I would like to discuss or to try to get all of these thoughts away from me. Will you just meet me for coffee or something so that way we can just talk’. And he said, ‘No, I can’t – I can’t be seen with you. This is wrong.’ And I said, ‘I know.’ So he said, ‘Just please come to my house.’”⁷⁶
- f. “So on Saturday morning before my first client, I did go to his house. ... For the first time. Ever. Like I said, nothing period, had ever happened or taken place until this snowball. This fucking tornado just happened. I know I brought it on. I showed up and I said, ‘I’m only here to talk.’ And he said, ‘I know.’ I said, ‘I just want to tell you I feel like you’re always hope because I don’t know your relationship.’ He doesn’t talk about his relationship, at all. He didn’t talk about himself at all, so I don’t even know. But I said, ‘I just had a feeling that you wouldn’t be attracted to me if you didn’t have a wife with a baby. I’m just trying to process why I’m feeling this way, and I hate it. I really hate it.’ And then he – basically had been fantasizing about me, tried to live out that fantasy. He just coaxed me, kept talking to me gently and touching me, whatever he could do to still have that fantasy play out. And I did it.”⁷⁷
- g. “I was so confused with emotion. I can’t even believe it because it’s not really in my character. I don’t even fucking know. I’m so confused. He said, ‘I’ll make you feel better. I’ll make you feel good. Come downstairs. I want to show you how to do a proper pullup.’ And I knew that he was being sexual, and I still let him. And he used some sort of tape, I don’t know what it was, and taped my hands to these rings and then put a blindfold on me.”⁷⁸
- h. “And said, ‘If you’re going to do proper pullups, you need to know how to drink,’ and I guess put water in his mouth and tried to pour it in mine and it scared me. And I spit because I didn’t want to kiss him. I mean, I’m so I thought I thought.”⁷⁹
- i. “He just kept touching me over my clothes and just kept touching me. And then undid my clothes. I just didn’t say anything at all. I didn’t – I was just completely numb. I didn’t even know. I was just numb. I just stood there and didn’t fucking know. I was so – he was sort of messing with me with his hands.”⁸⁰
- j. “[A]nd he stepped back, and I saw a flash through the blindfold, and he said, ‘You’re never going to mention my name, otherwise there will be pictures of [you] everywhere.’ ... He said, ‘You’re not going to mention my name, are you?’ I didn’t say anything. I didn’t realize what – I don’t know what the fuck I’m doing. And then he asked me again. And I just said, ‘No.’”⁸¹

I don’t want this.’ And he instantly stood up and freaked out and took off the blindfold and undid my hands and said, ‘I’m really sorry. Oh, my God...I’m so sorry. I thought – I want to be – I want to make you feel better.’”⁸²
- l. “I left my fucking keys at his place and so I had to go back and get the fucking keys after work. ... And I showed up, said, ‘I’m so sorry for what happened earlier. I’m just obsessed over you; it’s wrong and in real life, but I need to not do that. I know. I love my wife, and I’m really sorry. And we should not ever talk again, and I hope that you get everything figured out. ... I said, ‘Well, I’m leaving.’ He said, ‘Just stay for a little while longer, please.’ And I said, ‘No, I really have to go.’ ‘Please just stay.’ And then he held me for a long time and then made me feel better, just kept kind of touching me. ... I just – it was like, I don’t know 45 minutes of me being there, me leaving, and then him going, ‘You know, are you sure you really want to go? I’m just never going to see you after this and.’ ... And that was it.” Witness 1 stated that she never touched him, but, “He kept touching me,” that he turned her on, “and then didn’t, did both,” she felt “every emotion.”⁸³
- m. When Witness 3 said, “You’ve been half-raped and blackmailed,” Witness 1 responded simply, “Yes.”⁸⁴
- n. When Witness 3 asked why she was “not going to tell anybody,” Witness 1 responded, “When I came back, I said to him, ‘I’m very, very pissed off at you. I’m grossed out. I’m so pissed off.’ He said, ‘I know.’ ‘You took a picture.’ He said, ‘...’, it’s just because I fantasized about you, I fantasized about all these things, and you could ruin my life. And – but I erased it.”⁸⁵

53. Greitens came in for an appointment with Witness 1 approximately a week and a half or two weeks after her conversation with Witness 3. Witness 1 testified that Greitens first question was, “You didn’t tell anybody, did you?” Witness 1 told Greitens that she had not, and Greitens told her that he could not quit thinking about her and wanted to see her again.⁸⁶

54. The next time Witness 1 met Greitens was for another appointment at the salon, for which Greitens arrived 30 minutes early so that he was the first appointment of the day. Witness 1 testified, “When he showed up, I consensually kissed him – so that would have been like the first time that I was – that was totally my decision. He came in – at that time we stayed clothed and everything, but essentially made out. And then he – my client – my coworkers showed up, I did his hair and he left.”⁸⁷

55. The next encounter between Witness 1 and Greitens occurred in May 2015. Witness 1 was reading a book outside her salon when Greitens drove by, stopped his car, and invited Witness 1 to his house that evening. Witness 1 agreed to meet him for “a little bit” and went to Greitens’ house sometime around 6:30 p.m. She entered through the backdoor again, and the two of them had consensual oral sex.⁸⁸

56. The next encounter occurred on a Saturday in June 2015. Witness 1 testified:

I went out with a few of my girlfriends after work and then went over to his house afterwards. So this – my guess would have been 10:00 p.m., kind of later. And at first was consensual, you know – he has a spare bedroom upstairs and took me up there, and we were, like making out at this point. My guess is at least seminude at this point. And he looks at me and asked me ... have you

been intimate with anybody? And I said, What do you mean? And he said, Well, since you and I started – because he knew that I had been separated from my husband. And I said, Well, I slept with my husband – because I know at some point I had. And he slapped me across my face, just like hard to where I was like, What? Eric, what in the heck? You’re married. Why would – what do you mean? And he just said, No. Like, that was – you’re mine. This is – what do you mean you slept with your husband? You are not supposed to be sleeping with him, you know? And I said, I think you’re screwed up from being in the Navy[.]⁸⁹

57. Witness 1 testified that she did not believe the slap was intended to physically hurt her. Instead, she said, “I felt like he was trying to claim me.”⁹⁰ The slap did not leave a mark but “was just jarring. It wasn’t sweet and gentle; it was forceful.”⁹¹

58. Witness 1 testified that immediately afterwards, “[W]e laid there and talked about him being in the Navy and what happened there. Because I know we talked about – there was a bomb that went off – I don’t know. That was pretty much our conversation after that, because it was just bizarre.”⁹²

59. Witness 2 testified that she spoke with Witness 1 after the slapping incident, and that Witness 1 had told her:

[H]e was communicating with her through a TracPhone, and that she had went there. His wife was out of town, that she had – he had asked if she had any sort of sexual relationship with anybody since they had been together last. She stated that she had had sex with her husband – her husband at the time, and that that had made him angry, and that he had slapped her in the face and called her a whore.⁹³

60. Witness 1 testified that she spoke with Greitens a few times over the next week via a burner phone that he had purchased, and then “saw him one more time, which was in the morning before work.” Greitens asked if she wanted to come over to workout. Witness 1 testified:

[W]e did exercise and went through, like, a workout, and then at the end of it, then it turned sexual in nature. And at first it was fine, and then we were in a position that would have been as if we were having sex, like doggy style, but we didn’t ever have intercourse throughout all of the times that I saw him. So he was essentially, like fingering me and – but in that position, and out of nowhere, just, like, kind of smacked me and grabbed me and shoved me down on the ground.

And I instantly just started bawling and was just like, What is wrong with you? What is wrong with you? And I just laid there crying while he was just like...you’re fine, you’re fine. You know, not really – I think he was just – I don’t know. Maybe that’s normal, but, to me, it’s not. So, after that, I got ready and left and went to work.⁹⁴

61. Witness 1 testified that this incident “might have actually left a mark”:

[I]t actually hurt, and I know that I actually was really scared and sad when that happened. The only reason why I say it might have actually left a mark is because I can remember afterwards looking in a mirror – so it was only maybe a week and a half, two weeks, tops, later that my husband and I were back together of sorts – at least considering it. I remember looking in the

mirror and thinking, Can he see anything? So – I think that there’s probably a good chance that there was something there. I didn’t take pictures of it.⁹⁵

62. Witness 1 testified that Greitens was waiting for her when she left work that afternoon. He told Witness 1 “there’s an issue” and she needed to follow him in her car. Eventually, they pulled into a parking lot by a Kmart and Greitens asked her to get in his car. He then told her, “Somebody has emailed my wife today. I think it’s this Democratic operative that lives in my neighborhood.” Witness 1 suspected it was actually Witness 3, and her belief was confirmed by later testimony and documents from Witness 3.⁹⁶ Witness 1 testified that Greitens informed her that he planned to fly out to see his wife, convince her that Witness 1 was “running in the neighborhood,” “came up to the door to get a book for [her] daughter,” and that Greitens gave her a tour of the house and she “went out the back way.” Witness 1 then told Greitens that they should not see each other again in any setting. She testified, “I said, No, do not come into the salon. This is not fair to me, this is not fair to your wife, just leave me alone.”⁹⁷

63. In October 2015, Greitens came into the salon again and the receptionist told him Witness 1 had just had a cancelled appointment that Greitens could fill. Witness 1 then told Greitens again that she did not want to see him anymore. Greitens informed Witness 1 that his wife “doesn’t think anything.” After telling Witness 3 of the encounter that evening, Witness 1 then sent Greitens an email stating, “Please think of everyone involved and just leave me alone. Don’t come in at all.”⁹⁸ Greitens never returned and Witness 1 never saw him again.⁹⁹

64. When asked why she would continue to have contact with Greitens after the first encounter, Witness 1 testified:

I’ve asked myself that so many times. I think it comes down to a few things. One, I felt really disgusted with myself that I allowed that first time to happen. Really embarrassed that he thought of me as a whore. And so after my – I told my husband and he was clear that he did not want anything to do with me, that he wanted to move into an apartment, and when Eric came back in and he was normal and so kind to me, that felt so much better and it allowed me to just ignore any of those bad feelings about myself, in particular. Because if I thought he was this horrible person, I really felt shameful of myself.

And so, I think I just wanted to feel better about it. I didn’t want to think that he thought of me as just a whore. I wanted to think that he actually really liked me and wanted to have a relationship with me of sorts.¹⁰⁰

65. Witness 1 testified that she thought it was her intent at the time to have a relationship with Greitens:

I think at the time – I think – I don’t even know. I think just to feel better than whatever I felt the day before. Because then I would have – we had chunks of time where we didn’t see each other where I did feel more like myself, I started to feel better. And then when I would see him, it was almost like this excitement would build up, and then I would feel, you know, a ton of emotions again, and then I would feel awful and disgusting and I hated myself and it was horrible. And then I would start to feel better, and then he would come in again – you know, it was just such an up and down. Because I didn’t want to be involved with somebody who was married. I didn’t want to

be having any feelings for him, in particular because I was so embarrassed about the first encounter. He basically made it clear that he felt that I was a thing to him.¹⁰¹

66. Witness 4 testified that she had a similar impression of Witness 1's motivation to continue to have contact with Greitens. She testified that Witness 1 "was very embarrassed by what had happened. She had been called a whore by her husband and felt as though she was a whore to Eric and was trying to find some thing that she felt that he cared about her for her to feel okay with herself. She was very critical of herself."¹⁰²

67. Greitens declined to testify, stating through counsel that he would be willing to testify at the conclusion of the criminal trial. Greitens also declined to provide documents, or answer interrogatories under oath.¹⁰³

- a. On February 28, 2018, Chairman Barnes sent a request for production of documents to counsel for Greitens that included four requests, including one request for all documents produced in the criminal case against Greitens. Subsequent to the request, an order was entered prohibiting disclosure of information in that case. Accordingly, Greitens' counsel was prohibited from releasing the documents called for in one of the requests. However, the Committee's request was broader than the documents that had been disclosed in the criminal case, and Greitens' counsel did not provide those documents.
- b. From February 28 to March 23, 2018, Chairman Barnes engaged in several conversations with Greitens' counsel in which he repeatedly informed Greitens' counsel that Greitens had the opportunity to testify before the Committee.
- c. On March 22, 2018, Chairman Barnes sent requests for sworn answers to interrogatories to counsel for Greitens, each of which sought disclosure of the various computing devices and electronic communications accounts under Greitens' control. Greitens failed to respond.
- d. On March 23, 2018, Chairman Barnes sent correspondence to Greitens' counsel requesting that they inform the Committee whether Greitens would exercise or waive his opportunity to testify by Monday, March 26.
- e. On Monday, March 26, Greitens' counsel informed the Committee that he would be waiving his right to testify.

68. Though he waived his opportunity to testify before the committee, Greitens has been asked several times in public settings whether he took a picture during the encounter at on March 21, 2015.

69. On or about January 20, 2018, Greitens was interviewed by the Associated Press.¹⁰⁴

- a. When asked, "Did you tie or bind the hands or blindfold your former hairdresser?" Greitens answered:

[T]his was a consensual relationship. There was no blackmail. There was no violence. There was no threat of violence. There was no threat of blackmail. There was no threat of using a photograph for blackmail. All of those things are false. The mistake that I made was that I was engaged in a consensual relationship with a woman who is not my wife. And that is a mistake for which I am

very sorry, sorry to Sheena. I'm sorry to our boys. I'm sorry to our family, to our friends and to everyone who has been affected by that. Beyond that this is—it's a private matter and everyone involved has asked for privacy and I respect that and I'd ask you to as well.¹⁰⁵

b. When asked the follow-up, "Did you actually take a photo of her?," Greitens responded:

As I said, this was a consensual relationship, David. And there was no blackmail. There was no threat of using a photograph for blackmail. And there was no violence. The mistake that I made, as I said, was that I was engaged in a consensual relationship with a woman who wasn't my wife. And beyond that, everyone---Sheena, everyone has asked for privacy and again, we would ask you to respect that.¹⁰⁶

70. On January 22, 2018, Greitens held a press conference to discuss the state budget.

a. When asked, "[T]here's one point we want to clarify. Did you take a picture of the woman in question?," Greitens responded:

...I'm happy to address this for everyone here once. And to make sure that we can move on, and talk about the budget and other important priorities that are, before us. As I said before, I made a personal mistake years ago before I was elected. A personal mistake for which I take full responsibility. And it's something that Sheena and I dealt with years ago. We dealt with it by the book. We dealt with it openly. And it was hard, but with loving family and a lot of prayer and tremendous support, we've made it.

And I am grateful, grateful to Sheena, for her forgiveness and grateful to God, for His forgiveness. I'm also grateful for people around the state of Missouri who, at this time, come to us, with tremendous love and compassion and prayer, who have helped us through a very difficult time. And we also appreciate those who understand that this is a private issue that Sheena and I dealt with years ago that's now been dragged into the public. We look forward--I look forward to working with legislators in this building, people around the State of Missouri in getting their priorities passed and making a difference for them.

A lot of what's been put out is not true. There was no blackmail. There was no violence. There was no photograph for blackmail. There was no threat of using a photograph for blackmail. There was no threat of violence. The mistake that I made was that I was engaged in a consensual relationship and a mistake for which I am deeply sorry. For Sheena and I, that is where the story begins and ends. Everyone involved has asked for privacy. I'm going to respect that privacy and I would ask you to respect that privacy.¹⁰⁷

b. When asked the follow-up, "[T]he woman's now ex-husband asked her if she was quote 'half-raped and blackmailed' and she said yes. How do you account for the difference in those two accounts?" Greitens responded, "Ma'am, ma'am, ma'am, I have addressed everything in the answer that I just gave you and in the interviews that we did over the weekend. We are now—there's been a lot of people in the State of Missouri who are counting on us."¹⁰⁸

- c. When asked another follow-up, “The question is: why did she say she was blackmailed and you say she wasn’t?” Greitens responded, “I answered your question, and we answered them in interviews throughout the weekend. Does anyone have a question on the budget?”¹⁰⁹
- d. When asked, “Governor, yes or no, did you ever take her picture?” Greitens responded, “Sir, again, I just answered. We answered them over the course of the weekend, and we are moving forward.”¹¹⁰
- e. When pressed, “With all due respect, Governor, you haven’t answered the photo questions.” Greitens responded, “Sir—sir, I’ve answered your question. We answered them with multiple outlets this weekend, and we’re moving forward.”¹¹¹

71. On February 8, 2018 at a luncheon for the Missouri Press Association, Greitens was asked again, “[D]id you take a photograph of the woman?” Greitens responded, “Actually ...we have answered all of those questions.” When pressed, “So what is the answer to that one?” Greitens responded, “We’ve answered them in multiple interviews with multiple people. ...we’re ready to move forward, which we have, which we are, and we have.”¹¹²

72. In review of the evidence as a whole, this Committee does not view Witness 1’s non-reporting of these events to law enforcement or others as bearing on her credibility.

73. Witness 1 did not initiate sharing these details with the public, law enforcement, this Committee, or anyone other than close friends. To the contrary, she testified that she would rather not have to endure recounting the events of 2015:

I’m angry that I’m in the middle of this. I am – of course, I’m upset with myself for any of my involvement with him. In particular, because he was married, but, also, because he didn’t share the same type of feelings. And also because I was still technically married.

But I’m also dealing with things for the first time these past two months that I never did before. I just pushed them aside because it was too scary. I didn’t want to think about it. I didn’t want to talk about it. I just wanted it to go away, and then maybe it never happened like that. And knowing that I’m in the situation and knowing that at this point, the only parts that Eric has denied are the parts that were hurtful. The other parts weren’t traumatic to me at all. You know, it was – it was consensual, and those parts were not traumatic. The parts that he denies are the parts that I’m finally dealing with and going – I feel sad for that person I was. That was so vulnerable. I was so vulnerable. I just feel really taken advantage of, I think – and also by my ex-husband, hugely.¹¹³

74. Witness 1 testified that she could not read the transcript of the conversation her husband had surreptitiously taped, “I started to read part of it, and I got to the part where he took the picture, and I just couldn’t read it, so I have not read any of the rest of it.”¹¹⁴

75. Witness 2 described Witness 1 as suffering from anxiety and stress after the news reports in January. “[S]he never wanted this to come out. She would have never brought this out. She’s got minor children; she has her own business and – a lot of stress.”¹¹⁵

76. Witness 3 repeatedly threatened her with release of information about Witness 1 and Greitens. Witness 1 testified that Witness 3 told her, “Just wait, because your good reputation...your outstanding reputation is going to be ruined and so is Eric Greitens’. You guys are going to go down because I have proof of it.”¹¹⁶ Witness 1 further testified that Witness 3 repeatedly said, “I’m going to ruin this guy, I’m going to ruin this guy.”¹¹⁷

77. Witness 3 released the recording to media outlets in December 2017.¹¹⁸

78. Witness 3 testified that an unidentified third-party had paid at least \$15,000 “to cover lawyer fees and all of the things that were about to happen to me financially because of the fallout” relating to these events.¹¹⁹

79. The first time Witness 1 heard from a news organization occurred in December 2017 when a reporter named Lauren Trager “booked a fake appointment under a fake name, and ... came in and announced that she wasn’t there for a haircut, that she was just working on a story about the governor.”¹²⁰ Witness 1 testified that she cried and asked Trager not to run a story, saying, “No, you do not understand how traumatic this whole thing is. I cannot go there. I have kids. My ex-husband is so, so vindictive, he wants to hurt me so bad. Please do not run this story... please do not do this to me. I have children. I’m in school full-time. I work full-time – my life is so busy.”¹²¹

80. The next time Witness 1 heard from Trager was the day before the story aired. Trager told her that she was in possession of a recording.¹²² Trager was soon informed by Witness 1’s counsel at the time that Witness 1 “does not want any part of this. Please do not do this.”¹²³ Trager called Witness 1’s lawyer three minutes before the story aired, stating that Greitens had admitted to the affair and that they would air the story.¹²⁴

81. Witness 1 testified that she learned the story was going to air moments before it went live, explained to the Committee the circumstances of the airing of the report, and how she was forced to inform her children about it.¹²⁵

82. Witness 1 testified to concerns she presently has:

How will this affect my kids? Because it has already. What’s going to come of all of this, you know? What will people think of me that don’t know me? I’ve had huge support with family and friends and clients – and that’s the other thing too. Beforehand, I thought what will happen to all of my clients? I have a huge client base, and I love my clients, and a big part of why we love each other is because I am – I’m a very open book, normally. This is the one thing I just kept in a pit in my stomach and I never talk about this. And so far, that’s actually been a pretty good – my clients have been pretty good to me, for sure.

¹¹⁶ Tr. W1 at 49:14-20.

¹¹⁷ Tr. W1 at 47:3-4.

¹¹⁸ Tr. W3 at 73:22 to 74:12.

¹¹⁹ Tr. W3 at 53:24 to 54:9, Witness 3: “I spoke to the Post-Dispatch well before, and I have received nothing so far. My lawyer has a trust account that someone put something in after speaking to the Post-Dispatch, to cover lawyer fees and all of the things that were about to happen to me financially because of the fallout, but I had spent \$15,000 or so dollars of my own prior to all of this[.] ... And while I was talking to the Post, someone contacted my lawyer and said he was going to help with legal fees.”

¹²⁵ Tr. W1 at 55:1-24.

So now I think my fear is if this comes – becomes public – I’m in school full-time. So far I don’t think the students on campus know, but then how does that affect my schooling? ... Does that push me back?

Luckily, I’m not as fearful physically anymore, because I feel like anybody would be crazy to hurt me because they would know who it is, so – that’s one huge positive thing that’s happened.¹²⁶

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FORTY-EIGHTH DAY, TUESDAY, APRIL 3, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let integrity and uprightness preserve me; for I wait on Thee. (Psalm 25:21)

O Glorious God, who has brought us to the beginning of a new week, grant that in all our ways we may always remember that You are with us. Help us to do our duties, to carry our responsibilities, and to make our decisions with sincerity of mind and genuineness of heart. Remove from us all pretense, deceit, and hypocrisy, and by Your spirit may we do what we believe to be right and good for the people we serve.

Fill our lives with love and the motivation for service that we may rise above the boundaries of class, color, creed and party to seek to support the many serious needs of all the wonderful people of this great state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Trenton Bernskoetter, Julia Bernskoetter, John Bernskoetter, Chase Castrop, Grace Bernskoetter, Kaylee Rose Nance, Hannah Brattin, Garrett Brattin, Mariah Brattin, Kayla Brattin, Rick Brattin III, Wyatt Bartholomew Korman, Grant Charles Korman, and Alice Catherine Korman.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

O keep my soul, and deliver me: let me not be ashamed; for I put my trust in Thee. (Psalm 25:20)

On this day, as we recall with sorrow the sudden and unexpected passing 50 years ago of the Reverend Dr. Martin Luther King Jr., may his dream for a more perfect world and nation become valued and remembered with truth and charity.

O Loving God, whose way is life, whose work is truth, and whose will is love, let Your presence abide in our hearts today and every day, that seeking Your life we may find it, searching for Your truth we may discover it, and striving for Your love we may possess it. May we live together safely and securely, proving ourselves faithful to Your trust in us.

We entrust our state to Your loving care and keeping. Guide our leaders in right paths and our people in true ways.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Clark Cornejo, Nora Cornejo, Ruthie Cornejo, Elias Daniel Eggering, Jonna Rose Eggering, Brynn Williams, Daniel Rodgerson, Ryan Head, Gracie Remole, Jessica Harris, Andrew Williams, Kaity Askew, and Kourtney Showalter.

In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements of public moneys in accordance with distribution requirements and procedures developed by the department of elementary and secondary education. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. If a distant state takes action, the state shall promptly notify the home state and the commission.

5. If a psychologist's license in any home state, another compact state, or any temporary authorization to practice in any distant state, is restricted, suspended or otherwise limited, the IPC shall be revoked and therefore the psychologist shall not be eligible to practice in a compact state under the temporary authorization to practice.

337.125. A psychologist may practice in a receiving state under the authority to practice interjurisdictional telepsychology only in the performance of the scope of practice for psychology as assigned by an appropriate state psychology regulatory authority, as defined in the rules of the commission, and under the following circumstances:

(1) The psychologist initiates a client/patient contact in a home state via telecommunications technologies with a client/patient in a receiving state;

(4) Other actions may be imposed as determined by the rules promulgated by the commission.

4. A home state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a licensee which occurred in a receiving state as it would if such conduct had occurred by a licensee within the home state. In such cases, the home state's law shall control in determining any adverse action against a psychologist's license.

5. A distant state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a psychologist practicing under temporary authorization practice which occurred in that distant state as it would if such conduct had occurred by a licensee within the home state. (2) Issue cease and desist or injunctive relief orders to revoke a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice.

2. During the course of any investigation, a psychologist may not change his or her home state licensure. A home state psychology regulatory authority is authorized to complete any pending investigations of a psychologist and to take any actions appropriate under its law. The home state psychology regulatory authority shall promptly report the conclusions of such investigations to the commission. Once an investigation has been completed, and pending the outcome of said investigation, the psychologist may change his or her home state licensure. The commission shall promptly notify the new home state of any such decisions as provided in the rules of the commission. (3) The commission may levy on and collect an annual assessment from each compact state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission which shall promulgate a rule binding upon all compact states.

(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any of the compact states, except by and with the authority of the compact state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

9. (1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing in this subsection shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

337.150. 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the compact states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compact state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the website of the commission; and

(2) On the website of each compact states' psychology regulatory authority or the publication in which each state would otherwise publish proposed rules.

5. The notice of proposed rulemaking shall include:

(1) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(2) The text of the proposed rule or amendment and the reason for the proposed rule;

(3) A request for comments on the proposed rule from any interested person;

(4) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

6. Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

7. The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least twenty-five persons who submit comments independently of each other;

(2) A governmental subdivision or agency; or

(3) A duly appointed person in an association that has at least twenty-five members.

8. (1) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing.

(2) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(3) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(4) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(5) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

10. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of commission or compact state funds;

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(4) Protect public health and safety.

13. (1) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule.

(2) A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

337.155. 1. (1) The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

2. (1) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(a) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default or any other action to be taken by the commission; and

(b) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges and benefits

conferred by this compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

(4) A compact state which has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the U.S. District Court for the state of Georgia or the federal district where the compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. (1) Upon request by a compact state, the commission shall attempt to resolve disputes related to the compact which arise among compact states and between compact and noncompact states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

4. (1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

337.160. 1. The compact shall come into effect on the date on which the compact is enacted into law in the seventh compact state. The provisions which become effective at that time shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. Any state which joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule which has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

3. (1) Any compact state may withdraw from this compact by enacting a statute repealing the same.

(2) A compact state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(3) Withdrawal shall not affect the continuing requirement of the withdrawing state's psychology regulatory authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a noncompact state which does not conflict with the provisions of this compact.

5. This compact may be amended by the compact states. No amendment to this compact shall become effective and binding upon any compact state until it is enacted into the law of all compact states.

337.165. This compact shall be liberally construed so as to effectuate the purposes thereof. If this compact shall be held contrary to the constitution of any state member thereto, the compact shall remain in full force and effect as to the remaining compact states."; and

4. A psychologist practicing into a distant state under the temporary authorization to practice will be subject to the distant state's authority and law. A distant state may, in accordance with that state's due process law, limit or revoke a psychologist's temporary authorization to practice in the distant state and may take any other necessary actions under the distant state's applicable law to protect the health and safety of the distant state's citizens. If a distant state takes action, the state shall promptly notify the home state and the commission.

5. If a psychologist's license in any home state, another compact state, or any temporary authorization to practice in any distant state, is restricted, suspended or otherwise limited, the IPC shall be revoked and therefore the psychologist shall not be eligible to practice in a compact state under the temporary authorization to practice.

337.125. A psychologist may practice in a receiving state under the authority to practice interjurisdictional telepsychology only in the performance of the scope of practice for psychology as assigned

by an appropriate state psychology regulatory authority, as defined in the rules of the commission, and under the following circumstances:

- (1) The psychologist initiates a client/patient contact in a home state via telecommunications technologies with a client/patient in a receiving state;
- (2) Other conditions regarding telepsychology as determined by rules promulgated by the commission.

2. A receiving state may take adverse action on a psychologist's authority to practice interjurisdictional telepsychology within that receiving state. A home state may take adverse action against a psychologist based on an adverse action taken by a distant state regarding temporary in-person, face-to-face practice.

3. (1) If a home state takes adverse action against a psychologist's license, that psychologist's authority to practice interjurisdictional telepsychology is terminated and the E.Passport is revoked. Furthermore, that psychologist's temporary authorization to practice is terminated and the IPC is revoked.

(2) All home state disciplinary orders which impose adverse action shall be reported to the commission in accordance with the rules promulgated by the commission. A compact state shall report adverse actions in accordance with the rules of the commission.

(3) In the event discipline is reported on a psychologist, the psychologist will not be eligible for telepsychology or temporary in-person, face-to-face practice in accordance with the rules of the commission.

(4) Other actions may be imposed as determined by the rules promulgated by the commission.

4. A home state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a licensee which occurred in a receiving state as it would if such conduct had occurred by a licensee within the home state. In such cases, the home state's law shall control in determining any adverse action against a psychologist's license.

5. A distant state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a psychologist practicing under temporary authorization practice which occurred in that distant state as it would if such conduct had occurred by a licensee within the home state. In such cases, distant state's law shall control in determining any adverse action against a psychologist's temporary authorization to practice.

6. Nothing in this compact shall override a compact state's decision that a psychologist's participation in an alternative program may be used in lieu of adverse action and that such participation shall remain non-public if required by the compact state's law. Compact states shall require psychologists who enter any alternative programs to not provide telepsychology services under the authority to practice interjurisdictional telepsychology or provide temporary psychological services under the temporary authorization to practice in any other compact state during the term of the alternative program.

7. No other judicial or administrative remedies shall be available to a psychologist in the event a compact state imposes an adverse action pursuant to subsection 3 of this section.

337.135. 1. In addition to any other powers granted under state law, a compact state's psychology regulatory authority shall have the authority under this compact to:

(1) Issue subpoenas, for both hearings and investigations, which require the attendance and testimony of witnesses and the production of evidence. Subpoenas issued by a compact state's psychology regulatory authority for the attendance and testimony of witnesses, or the production of evidence from another compact state shall be enforced in the latter state by any court of competent jurisdiction, according to that court's practice and procedure in considering subpoenas issued in its own proceedings. The issuing state psychology regulatory authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state where the witnesses or evidence are located; and

(2) Issue cease and desist or injunctive relief orders to revoke a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice.

2. During the course of any investigation, a psychologist may not change his or her home state licensure. A home state psychology regulatory authority is authorized to complete any pending investigations of a psychologist and to take any actions appropriate under its law. The home state psychology regulatory authority shall promptly report the conclusions of such investigations to the commission. Once an investigation has been completed, and pending the outcome of said investigation, the psychologist may change his or her home state licensure. The commission shall promptly notify the new home state of any such

decisions as provided in the rules of the commission. All information provided to the commission or distributed by compact states pursuant to the psychologist shall be confidential, filed under seal and used for investigatory or disciplinary matters. The commission may create additional rules for mandated or discretionary sharing of information by compact states.

337.140. 1. The commission shall provide for the development and maintenance of a coordinated licensure information system "coordinated database" and reporting system containing licensure and disciplinary action information on all psychologist individuals to whom this compact is applicable in all compact states as defined by the rules of the commission.

3. The coordinated database administrator shall promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

4. Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

5. Any information submitted to the coordinated database that is subsequently required to be expunged by the law of the compact state reporting the information shall be removed from the coordinated database.

A commissioner shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for commissioners' participation in meetings by telephone or other means of communication.

(3) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(4) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in section 337.150.

- (5) The commission may convene in a closed, nonpublic meeting if the commission shall discuss:

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

- (1) Meet an imminent threat to public health, safety, or welfare;
- (2) Prevent a loss of commission or compact state funds;
- (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
- (4) Protect public health and safety.

13. (1) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule.

(2) A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

337.155. 1. (1) The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

2. (1) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(a) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default or any other action to be taken by the commission; and
(b) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges and benefits conferred by this compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

(4) A compact state which has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the U.S. District Court for the state of Georgia or the federal district where the compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. (1) Upon request by a compact state, the commission shall attempt to resolve disputes related to the compact which arise among compact states and between compact and noncompact states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

4. (1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

337.160. 1. The compact shall come into effect on the date on which the compact is enacted into law in the seventh compact state. The provisions which become effective at that time shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. Any state which joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule which has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

3. (1) Any compact state may withdraw from this compact by enacting a statute repealing the same.

(2) A compact state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(3) Withdrawal shall not affect the continuing requirement of the withdrawing state's psychology regulatory authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a noncompact state which does not conflict with the provisions of this compact.

5. This compact may be amended by the compact states. No amendment to this compact shall become effective and binding upon any compact state until it is enacted into the law of all compact states.

337.165. This compact shall be liberally construed so as to effectuate the purposes thereof. If this compact shall be held contrary to the constitution of any state member thereto, the compact shall remain in full force and effect as to the remaining compact states.

Section B. Sections 337.100, 337.105, 337.110, 337.115, 337.120, 337.125, 337.130, 337.135, 337.140, 337.145, 337.150, 337.155, 337.160, and 337.165 of this act shall become effective upon notification by the commission to the revisor of statutes that seven states have adopted the psychology interjurisdictional compact."; and

Further amend said bill, Page 2, Section 324.015, Line 43, by inserting after all of said section and line the following:

"324.018. 1. For purposes of this section, the following terms mean:

(1) "Licensing authority", any agency, examining board, credentialing board, or other office with the authority to impose occupational fees or licensing requirements on any occupation or profession;

2. State licensing authorities shall not contract for pay, or otherwise compensate any lobbyist to lobby on their behalf; except this section shall not be construed to prohibit, limit, preclude, or deprive any officer or employee of a department or agency from exercising the department's or agency's individual right to communicate with members of the general assembly through proper official channels at the request of a member or to request legislative action or appropriations that are deemed necessary for the efficient conduct of public business or actually made in the proper performance of his or her official duties, including testifying before the general assembly or any committee thereof for information purposes.

Such lists shall be made available to the public.

3. Any requirement of a state or political subdivision licensing authority that assesses the character or moral fitness of the applicant for licensure shall be limited to consideration of the criminal offenses, civil penalties or judgments, or disciplinary actions taken by other licensing authorities contained in the list developed by the licensing authority under subsection 2 of this section. "143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. **For all tax years beginning on or before December 31, 2018**, a corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, or the manner set forth in subdivision (3) of this subsection:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "Wholly in this state" if both the seller's shipping point and the purchaser's destination point are in this state;

b. "Partly within this state and partly without this state" if the seller's shipping point is in this state and the purchaser's destination point is outside this state, or the seller's shipping point is outside this state and the purchaser's destination point is in this state;

c. Not "wholly in this state" or not "partly within this state and partly without this state" only if both the seller's shipping point and the purchaser's destination point are outside this state.

(d) For purposes of this subdivision:

a. The purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale; and

b. The seller's shipping point is determined without regard to the location of the seller's principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state;

(e) For the purposes of this subdivision, a transaction involving the sale other than the sale of tangible property is "in this state" if the taxpayer's market for the sales is in this state. The taxpayer's market for sales is in this state:

a. In the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this state;

b. In the case of rental, lease, or license of tangible personal property, if and to the extent the property is located in this state;

c. In the case of sale of a service, if and to the extent the ultimate beneficiary of the service is located in this state and shall not be in this state if the ultimate beneficiary of the service rendered by the taxpayer or the taxpayer's designee is located outside this state; and

d. In the case of intangible property:

(i) That is rented, leased, or licensed, if and to the extent the property is used in this state by the rentee, lessee, or licensee, provided that intangible property utilized in marketing a good or service to a consumer is "used in this state" if that good or service is purchased by a consumer who is in this state. Franchise fees or royalties received for the rent, lease, license, or use of a trade name, trademark, service mark, or franchise system or provides a right to conduct business activity in a specific geographic area are "used in this state" to the extent the franchise location is in this state; and

(ii) That is sold, if and to the extent the property is used in this state, provided that:

i. A contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is "used in this state" if the geographic area includes all or part of this state;

ii. Receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease, or licensing of such intangible property under item (i) of this subparagraph; and

iii. All other receipts from a sales of intangible property shall be excluded from the numerator and denominator of the sales factor;

(f) If the state or states of assignment under paragraph (e) of this subdivision cannot be determined, the state or states of assignment shall be reasonably approximated;

(g) If the state of assignment cannot be determined under paragraph (e) of this subdivision or reasonably approximated under paragraph (f) of this subdivision, such sales shall be excluded from the denominator of the sales factor;

(h) The director may prescribe such rules and regulations as necessary or appropriate to carry out the purposes of this section.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) "Affiliate", the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either

engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.

10. The provisions of this section do not impact any other apportionment election available to a taxpayer under Missouri statutes.

143.456. 1. As used in this section, unless the context otherwise requires:

(1) "Apportionable income" means:

(a) All income that is apportionable under the Constitution of the United States and is not allocated under the laws of this state, including:

a. Income arising from transactions and activity in the regular course of the taxpayer's trade or business; and

b. Income arising from tangible and intangible property if the acquisition, management, employment, development or disposition of the property is or was related to the operation of the taxpayer's trade or business; and

(b) Any income that would be allocable to this state under the Constitution of the United States, but that is apportioned rather than allocated under the laws of this state;

(2) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed;

(3) "Financial organization" means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, or any type of insurance company;

(4) "Non-apportionable income" means all income other than apportionable income;

(5) "Public utility" means any business entity:

(a) Which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, except by pipeline, or the production, transmission, sale, delivery, or furnishing of electricity, water or steam; and

(b) Whose rates of charges for goods or services have been established or approved by a federal, state or local government or governmental agency;

(6) "Receipts" means all gross receipts of the taxpayer that are not allocated under paragraphs of this section and that are received from transactions and activity in the regular course of the taxpayer's trade or business; except that receipts of a taxpayer from hedging transactions and from the maturity, redemption, sale, exchange, loan or other disposition of cash or securities, shall be excluded.

2. For all tax years beginning on or after January 1, 2019, any corporation having income from business activity which is taxable both within and without this state shall allocate and apportion its net income as provided in this section.

3. For purposes of allocation and apportionment of income under this section, a corporation is taxable in another state if:

(1) In that state it is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax, or

(2) That state has jurisdiction to subject the corporation to a net income tax regardless of whether, in fact, the state does or does not do so.

4. Rents and royalties from real or tangible personal property, capital gains, interest, dividends or patent or copyright royalties, to the extent that they constitute nonapportionable income, shall be allocated as provided in subsections 5 through 8 of this section.

5. (1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocable to this state:

(a) If and to the extent the property is utilized in this state, or

(b) In their entirety if the corporation's commercial domicile is in this state and the corporation is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the corporation, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

6. (1) Capital gains and losses from sales of real property located in this state are allocable to this state.

- (2) Capital gains and losses from sales of tangible personal property are allocable to this state if:
 - (a) The property had a situs in this state at the time of the sale, or
 - (b) The corporation's commercial domicile is in this state and the corporation is not taxable in the state in which the property had a situs.
- (3) Capital gains and losses from sales of intangible personal property are allocable to this state if the corporation's commercial domicile is in this state.
- 7. Interest and dividends are allocable to this state if the corporation's commercial domicile is in this state.
- 8. (1) Patent and copyright royalties are allocable to this state if and to the extent that:
 - (a) The patent or copyright is utilized by the payer in this state, or
 - (b) The patent or copyright is utilized by the payer in a state in which the corporation is not taxable and the corporation's commercial domicile is in this state.
- (2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.
- (3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the corporation's commercial domicile is located.
- 9. All apportionable income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the total receipts of the taxpayer in this state during the tax period and the denominator of which is the total receipts of the taxpayer everywhere during the tax period.
- 10. Receipts from the sale of tangible personal property are in this state if:
 - (1) The property is delivered or shipped to a purchaser, other than the United States Government, within this state regardless of the f.o.b. point or other conditions of the sale; or
 - (2) The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and:
 - (a) The purchaser is the United States Government or
 - (b) The corporation is not taxable in the state of the purchaser.
- 11. (1) Receipts, other than receipts described in subsection 10 of this section, are in this state if the corporation's market for the sales is in this state. The corporation's market for sales is in this state in the case of:
 - (a) Sale, rental, lease or license of real property, if and to the extent the property is located in this state;
 - (b) Rental, lease or license of tangible personal property, if and to the extent the property is located in this state;
 - (c) Sale of a service, if and to the extent the service is delivered to a location in this state; and
 - (d) Intangible property, that is:
 - a. Rented, leased, or licensed, if and to the extent the property is used in this state, provided that intangible property utilized in marketing a good or service to a consumer is "used in this state" if that good or service is purchased by a consumer who is in this state; and
 - b. Sold, if and to the extent the property is used in this state, provided that:
 - (i) A contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is "used in this state" if the geographic area includes all or part of this state;
 - (ii) Receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease or licensing of such intangible property under subparagraph a. of paragraph (d) of subdivision (1) of this subsection; and
 - (iii) All other receipts from a sale of intangible property shall be excluded from the numerator and denominator of the receipts factor.
- (2) If the state or states of assignment under subdivision (1) of this subsection cannot be determined, the state or states of assignment shall be reasonably approximated.

(3) If the corporation is not taxable in a state to which a receipt is assigned under subdivision (1) or (2) of this subsection, or if the state of assignment cannot be determined under subdivision (1) of this subsection or reasonably approximated under subdivision (2) of this subsection, such receipt shall be excluded from the numerator and denominator of the receipts factor.

(4) The director may prescribe regulations as necessary or appropriate to carry out the purposes of this section.

12. (1) If the allocation and apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (a) Separate accounting;
- (b) The inclusion of one or more additional factors which will fairly represent the corporation's business activity in this state; or
- (c) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(2) (a) If the allocation and apportionment provisions of this section do not fairly represent the extent of business activity in this state of corporations engaged in a particular industry or in a particular transaction or activity, the tax administrator may, in addition to the authority provided in subdivision (1) of this subsection, establish appropriate rules or regulations for determining alternative allocation and apportionment methods for such taxpayers.

(b) A regulation adopted pursuant to this section shall be applied uniformly, except that with respect to any corporation to whom such regulation applies, the corporation may petition for, or the director may require, adjustment pursuant to subdivision (1) of subsection 12 of this section.

(3) The party petitioning for, or the director requiring, the use of any method to effectuate an equitable allocation and apportionment of the corporation's income pursuant to subdivision (1) of this subsection must prove:

- (a) That the allocation and apportionment provisions of this section do not fairly represent the extent of the corporation's business activity in this state; and
- (b) That the alternative to such provisions is reasonable.

The same burden of proof shall apply whether the corporation is petitioning for, or the director is requiring, the use of any reasonable method to effectuate an equitable allocation and apportionment of the corporation's income. Notwithstanding the previous sentence, if the director can show that in any two of the prior five tax years, the corporation had used an allocation or apportionment method at variance with its allocation or apportionment method or methods used for such other tax years, then the director shall not bear the burden of proof in imposing a different method pursuant to subdivision (1) of this subsection.

(4) If the director requires any method to effectuate an equitable allocation and apportionment of the corporation's income, the director cannot impose any civil or criminal penalty with reference to the tax due that is attributable to the taxpayer's reasonable reliance solely on the allocation and apportionment provisions of this section.

(5) A corporation that has received written permission from the director to use a reasonable method to effectuate an equitable allocation and apportionment of the corporation's income shall not have that permission revoked with respect to transactions and activities that have already occurred unless there has been a material change in, or a material misrepresentation of, the facts provided by the corporation upon which the director reasonably relied.

13. For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(1) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(2) "Affiliate", the meaning as set forth in 15 U.S.C. section 80a-2(a)(3)(C), as may be amended from time to time;

(3) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares.

In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into under 15 U.S.C. section 80a-15(b), as may be amended from time to time;

(4) "Investment company", any person registered under the federal investment company act of 1940, as amended from time to time, or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to section 80a-3(c)(1) of the act;

(5) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under section 203 of the investment advisors act of 1940, as may be amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(6) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

(a) Pursuant to a contract with the investment company entered into under 15 U.S.C. section 80a-15(a), as may be amended from time to time;

(b) For a person that has entered into such contract with the investment company; or

(c) For a person that is affiliated with a person that has entered into such contract with an investment company;

(7) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(8) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

14. Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(1) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(2) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to subdivision (1) of this subsection. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(3) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

15. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state. Such report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. This subsection shall not apply to a railroad.

16. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

17. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting the same to or from another net income or loss shown by the return.

18. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

19. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

20. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect on Missouri taxable income of the deduction for net operating loss allowed by section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the

Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the deduction.

21. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.

143.461. 1. A corporation shall elect to determine income applicable to this state by multiplying the total income from all sources by the fraction determined in the manner in section 143.451; first, by filing written notice with the director of revenue on or before the due date of the return (including extensions of time) of the taxpayer's election, or, second, by failing to keep its books and records in such manner as to show the income applicable to this state, including gross income and deductions applicable thereto.

2. If the corporation shall keep its books and records so as to show by any other method of allocation between this state and other states involved of income from transactions partially within and partially without this state, including gross income and deductions applicable thereto, and such method shows the income applicable to this state, including gross income and deductions applicable thereto, then it may, on or before sixty days before the end of any taxable year, petition the director of revenue, in writing, to be permitted in its return required to be filed to apportion to this state according to the method shown by such books or records. If the director of revenue finds that such method does show the income applicable to this state including gross income and the deductions applicable thereto, he shall notify the corporation, at least thirty days prior to the last day on which such corporation's return for that taxable year is to be filed, that it may use that method as long as such method shows the income applicable to this state, including gross income and deductions applicable thereto.

3. The corporation shall cease using such method whenever the director of revenue finds and notifies such corporation on or before ninety days before the end of the taxable year, that such method does not so show. Upon and after such revocation the corporation shall be permitted to petition to use another method of allocation that will show such income including gross income and deductions applicable thereto as though no petition had ever been filed.

4. Failure, after a method has been revoked by the director of revenue, to submit a method which the director of revenue finds will show such income applicable to this state including gross income and deductions applicable thereto, on or before sixty days before the end of any taxable year, or failure to make a return on the basis, which has been approved by the director of revenue on petition of the corporation and which stands unrevoked, shall constitute an election to accept the determination of income applicable to this state by multiplying the total income from all sources by the fraction determined in the manner set forth in section 143.451.

5. If the allocation and apportionment provisions of section 143.456 or this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) separate accounting;**
- (2) the inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or**
- (3) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income."; and**

On motion of Representative Shaul (113), **House Amendment No. 3** was adopted.

Representative Kelley (127) offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for House Bill No. 2540, Page 127, Section 135.313, Line 26, by inserting after all of said section and line the following:

"135.760. 1. This section shall be known and may be cited as the "Missouri Earned Income Tax Credit Act".

2. For purposes of this section, the following terms mean:

- (1) "Department", the department of revenue;**
- (2) "Eligible taxpayer", a resident individual with a filing status of single, head of household, widowed, or married filing combined who is subject to the tax imposed under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265, and who is allowed a federal earned income tax credit under Section 32 of the Internal Revenue Code of 1986, as amended;**
- (3) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.**

3. For all tax years beginning on or after January 1, 2019, an eligible taxpayer shall be allowed a tax credit in an amount equal to twenty percent of the amount such taxpayer would receive under the federal earned income tax credit. The tax credit allowed by this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143 after

reduction for all other credits allowed thereon. If the amount of the credit exceeds the tax liability, the difference shall not be refunded to the taxpayer and shall not be carried forward to any subsequent tax year.

4. Notwithstanding the provision of subsection 4 of section 32.057 to the contrary, the department shall determine whether any taxpayer filing a report or return with the department who did not apply for the credit authorized under this section may qualify for the credit and, if so determines a taxpayer may qualify for the credit, shall notify such taxpayer of his or her potential eligibility. In making a determination of eligibility under this section, the department shall use any appropriate and available data including, but not limited to, data available from the Internal Revenue Service, the U.S. Department of Treasury, and state income tax returns from previous tax years.

5. The department shall prepare an annual report containing statistical information regarding the tax credits issued under this section for the previous tax year, including the total amount of revenue expended on the earned income tax credit, the number of credits claimed, and the average value of the credits issued to taxpayers whose earned income falls within various income ranges determined by the department.

6. The department shall contract with one or more nonprofit group to provide notice of the earned income tax credit to eligible taxpayers. The department shall require evidence of the effectiveness of the nonprofit group, the connection with the community in which the group operates, and the ability to contact taxpayers that are unlikely to claim the federal earned income tax credit including, but not limited to, non-English speakers, the elderly, tenants, and very low-income taxpayers who do not file tax returns annually. The department shall give preference to nonprofit groups with members in low- and moderate-income areas, to nonprofit groups with at least fifty-one percent of its board of directors having low to moderate incomes and residing in target communities, and to nonprofit groups that have a record of effective door-to-door outreach for similar community projects.

7. The director of the department shall promulgate rules and regulations to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 5

AMEND House Committee Substitute for House Bill No. 2540, Page 134, Section 143.225, Line 47, by inserting after all of said section and line the following:

"143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, or the manner set forth in subdivision (3) of this subsection:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "Wholly in this state" if both the seller's shipping point and the purchaser's destination point are in this state;

b. "Partly within this state and partly without this state" if the seller's shipping point is in this state and the purchaser's destination point is outside this state, or the seller's shipping point is outside this state and the purchaser's destination point is in this state;

c. Not "wholly in this state" or not "partly within this state and partly without this state" only if both the seller's shipping point and the purchaser's destination point are outside this state.

(d) For purposes of this subdivision:

a. The purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale; and

b. The seller's shipping point is determined without regard to the location of the seller's principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state;

(e) For the purposes of this subdivision, a transaction involving the sale other than the sale of tangible property is "in this state" if the taxpayer's market for the sales is in this state. The taxpayer's market for sales is in this state:

a. In the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this state;

b. In the case of rental, lease, or license of tangible personal property, if and to the extent the property is located in this state;

c. In the case of sale of a service, if and to the extent the ultimate beneficiary of the service is located in this state and shall not be in this state if the ultimate beneficiary of the service rendered by the taxpayer or the taxpayer's designee is located outside this state; and

d. In the case of intangible property:

(i) That is rented, leased, or licensed, if and to the extent the property is used in this state by the rentee, lessee, or licensee, provided that intangible property utilized in marketing a good or service to a consumer is "used in this state" if that good or service is purchased by a consumer who is in this state. Franchise fees or royalties received for the rent, lease, license, or use of a trade name, trademark, service mark, or franchise system or provides a right to conduct business activity in a specific geographic area are "used in this state" to the extent the franchise location is in this state; and

(ii) That is sold, if and to the extent the property is used in this state, provided that:

i. A contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is "used in this state" if the geographic area includes all or part of this state;

ii. Receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease, or licensing of such intangible property under item (i) of this subparagraph; and

iii. All other receipts from a sales of intangible property shall be excluded from the numerator and denominator of the sales factor;

(f) If the state or states of assignment under paragraph (e) of this subdivision cannot be determined, the state or states of assignment shall be reasonably approximated;

(g) If the state of assignment cannot be determined under paragraph (e) of this subdivision or reasonably approximated under paragraph (f) of this subdivision, such sales shall be excluded from the denominator of the sales factor;

(h) The director may prescribe such rules and regulations as necessary or appropriate to carry out the purposes of this section.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) "Affiliate", the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment

company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

(6) Notwithstanding the Multistate Tax Compact, sections 32.200 to 32.240; this section; and section 143.461 to the contrary, sales and business transactions shall not include any intercompany transactions between corporations of an affiliated group that file a consolidated income tax return in this state. For purposes of this subdivision, "affiliated group" has the same meaning as that term is defined under 26. U.S.C. Section 1504(a) and "intercompany transaction" has the same meaning as that term is defined under 26 C.F.R. Section 1.1502-13.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this

state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by **the** fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.

10. The provisions of this section do not impact any other apportionment election available to a taxpayer under Missouri statutes **unless explicitly stated in this section.**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FIFTIETH DAY, THURSDAY, APRIL 5, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Say to them that are of a fearful heart, be strong, fear not; behold your God will come and save you. (Isaiah 35:4)

Almighty and Everlasting God, who has made this earth a magnificent place in which we can live, reveal to us Your will and renew Your love in us that by responding to You we may learn to live together in peace and love.

Help us to feel Your presence within us this day seeking to guide us as we determine our decisions and striving to assist us in leading our people along the roads to righteousness and love, and our State along the ways of justice and peace.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-ninth day was approved as printed.

CORRECTION TO THE HOUSE JOURNAL

AFFIDAVIT

I, State Representative Justin Hill, District 108, hereby state and affirm that my vote was incorrectly recorded as "absent with leave" on the motion by which HB 2012 was read the third time and passed on Page 1504 of the Journal of the House for the Forty-sixth day, Thursday, March 29, 2018. Pursuant to House Rule 94, I ask that the Journal be corrected to note that I was in the chamber while the board was open, and I did, in fact, vote "Yes."

IN WITNESS WHEREOF, I have hereunto subscribed my hand to this affidavit on this 5th day of April, 2018.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FORTY-THIRD DAY, MONDAY, MARCH 26, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Bill Kidd.

Oh God, the Eternal Father, as we begin this week in service to You, may Your spirit attend us, guide and direct us, and may You grant unto us heavenly angels to attend to our work. Open our hearts that we might be sensitive to the needs and pain of the people. Enlighten our minds, inspiring us with wisdom, that we might be in tune with Your divine plan. Open our ears that we might hear the whisperings of Your desires for this great state. May our mouths speak with kindness the heavenly messages You have for us. Give light unto our eyes that we might see Your distant vision through the mist of darkness that would seek to obscure. Open our arms with kindness in our actions and conversations with one another.

This Easter Week may the stone of sin that brought us death be rolled away and the resurrection of Your son be alive in us. May we always be reminded of the people to whom we answer, the constitution to which we adhere, and Your son, whom we follow.

And we ask this in the name of Your only begotten son, Jesus Christ.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-first day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FORTY-FOURTH DAY, TUESDAY, MARCH 27, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Representative Ken Wilson.

Heavenly Father, the great architect of the universe, we acknowledge that You are the creator of all things and the giver of every good and perfect gift, and we are thankful. Father, in these few moments of quiet prayer we seek Your guidance and blessing as we begin our daily work. As we are united in our praying, so may we be united in our desire to work together as a body. Open our eyes that we may discern the things that You are doing in our midst. Open our ears that we may hear what You are saying to us. We pray that Your wisdom may be with us as we prepare to do our work today. Now may we take due notice and govern ourselves accordingly. We ask these things in the name of Jesus Christ, our Lord. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Sydney Suthoff.

The Journal of the forty-third day was approved as printed by the following vote:

Prayer by Representative Lindell Shumake.

Psalms 67:5-6

Let us pray.

The Psalmist said, *Let the people praise thee, O God; let all the people praise thee. Then shall the earth yield her increase; and God, even our own God, shall bless us.*

We come before You today, Lord, to ask Your blessings of peace and prosperity upon the entire state of Missouri. We ask this peace and prosperity for our great cities of St. Louis, Columbia, Kansas City, Springfield, Joplin, and St. Joseph. Lord, please remember the rural regions of the Great Northwest, the Southwest, the Southeast, the Central and Northeast regions.

As we give You praise, Lord, we ask that You bless the forthcoming planting season. We acknowledge our dependence on You, Lord, to have a safe and abundant season for our great rural economy. We ask Your divine favor also, for the manufacturing service sectors of our economy. Your blessings be upon all Missourians. Please give wisdom, Lord, to this body and our colleagues in the Senate. Please remember all of our statewide elected officials, the Missouri Supreme Court, and all those in authority in the federal government, and our military at home and abroad.

Give us grace as we enter into the business of the day. As we give praise to You, may we increase with the increase of God.

In Jesus' name.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Katie Hardman and Khloe Hardman.

The Journal of the forty-fourth day was approved as printed by the following vote:

The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular assistant physician. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

10. No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. Such limitation shall not apply to assistant physicians of population-based public health services as defined in 20 CSR 2150-5.100 as of April 30, 2009 **or assistant physicians providing opioid addiction treatment.**

(3) An assistant physician shall receive a certificate of controlled substance prescriptive authority from the state board of registration for the healing arts upon verification of licensure under section 334.036."; and

VACANCIES: 001

Prayer by Representative Pat Conway.

Almighty Father, we ask this day that You bestow a special blessing upon all those who have served us in our military. We devoutly pray, in recognition of those who are to be honored this day, on Missouri's Vietnam Veterans Day. May their sacrifices never be forgotten! Let us ask Your blessing on those over 58,000 men and women, over 1,400 from Missouri alone, who gave their lives on behalf of their country. Pray too for their families, those parents who lost a child, those brothers and sisters that grew up without their loved ones, and especially for those children whose fathers were not there for their birthdays, graduations and weddings.

For those who are living, who have faced their challenges and their demons, we ask a special prayer. Give them peace in their days and new hope in the years to come.

Let us please remember as Legislators, much like lawmakers in those chaotic days of Vietnam, that in each of our decisions we must ask for Your guidance, that even the simplest choice can have unimagined repercussions.

As we and my fellow Vietnam veterans in the chamber recite the Pledge of Allegiance, let us all stand a little taller, let us speak a little louder, and may we reflect a little deeper, O Lord, on the multitude of blessings You have bestowed upon our nation.

May today give comfort to all who have served during the Vietnam conflict and bless those who have served the United States and this great state of Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was led by Representatives Shumake and Wessels.

SPECIAL RECOGNITION

Representative Andrews presented Representative Pat Conway with a resolution.

Representative Conway (10) assumed the Chair and addressed the House.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

THIRTY-EIGHTH DAY, MONDAY, MARCH 12, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Becky Ruth.

Dear Heavenly Father:

We come to You today not just as individuals with our own wants and needs, but as one body, together in prayer, to ask for Your guidance and to grant us discernment, fortitude and wisdom. In James 3:17 we are told, *But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, impartial and sincere*. Let us remember this as we continue our work not only today but each and every day. Remind us to be humble and gracious in all that we do. Help us to always find our servant's heart, and we ask that You continue to bless those here today and our loved ones at home.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Kaleb Stacy.

The Journal of the thirty-seventh day was approved as corrected by the following vote:

(8) "Professional employer organization" or "PEO", any person engaged in the business of providing professional employer services. A person engaged in the business of providing professional employer services shall be subject to registration and regulation under sections 285.700 to 285.750 regardless of its use of the term or conducting business as a professional employer organization, staff leasing company, registered staff leasing company, employee leasing company, administrative employer, or any other name. The following shall not be deemed to be professional employer organizations or the providing of professional employment services for the purposes of sections 285.700 to 285.750:

285.710. 1. Nothing contained in sections 285.700 to 285.750 or in any professional employer agreement shall affect, modify, or amend any collective bargaining agreement or the rights or obligations of any client, PEO, or covered employee under the federal National Labor Relations Act, the federal Railway Labor Act, or sections 105.500 to 105.530.

2. Nothing in sections 285.700 to 285.750 or in any professional employer agreement shall:

- (1) Diminish, abolish, or remove rights of covered employees to a client or obligations of such client to a covered employee existing prior to the effective date of a professional employer agreement;
- (2) Affect, modify, or amend any contractual relationship or restrictive covenant between a covered employee and any client in effect at the time a professional employer agreement becomes effective. A professional employer agreement shall also not prohibit or amend any contractual relationship or restrictive covenant that is entered into subsequently between a client or a covered employee. A PEO shall have no responsibility or liability in connection with, or arising out of, any such existing or new contractual relationship or restrictive covenant unless the PEO has specifically agreed otherwise in writing; or
- (3) Create any new or additional enforceable right of a covered employee against a PEO that is not specifically provided by the professional employer agreement or sections 285.700 to 285.750.

3. Nothing contained in sections 285.700 to 285.750 or any professional employer agreement shall affect, modify, or amend any state, local, or federal licensing, registration, or certification requirement applicable to any client or covered employee.

4. A covered employee who shall be licensed, registered, or certified according to law or regulation is deemed solely an employee of the client for purposes of any such license, registration, or certification requirement.

5. A PEO shall not be deemed to engage in any occupation, trade, profession, or other activity that is subject to licensing, registration, or certification requirements, or is otherwise regulated by a governmental entity solely by entering into and maintaining a coemployment relationship with a covered employee who is subject to such requirements or regulation.

6. A client shall have the sole right of direction and control of the professional or licensed activities of covered employees and of the client's business. Such covered employees and clients shall remain subject to regulation by the regulatory or governmental entity responsible for licensing, registration, or certification of such covered employees or clients.

7. For purposes of the determination of tax credits, economic incentives, or other benefits provided by this state or any other government entity and based on employment, covered employees shall be deemed employees solely of the client. A client shall be entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of the employment of covered employees of such client. Notwithstanding that the PEO is the W-2 reporting employer, the client shall continue to qualify for such benefit, incentive, or credit. If the grant or amount of any such benefit, incentive, or credit is based on the number of employees, then each client shall be treated as employing only those covered employees coemployed by the client. Covered employees working for other clients of the PEO shall not be counted. Each PEO shall provide, upon request by a client or an agency or department of this state, employment information reasonably required by any agency or department of this state responsible for administration of any such tax credit, economic incentive, or other benefit that is necessary to support any request, claim, application, or other action by a client seeking any such tax credit, economic incentive, or other benefit.

8. With respect to a bid, contract, purchase order, or agreement entered into with the state or a political subdivision of the state, a client company's status or certification as a minority business enterprise or a women's business enterprise, as those terms are defined in section 37.020, shall not be affected because the client company has entered into an agreement with a PEO or uses the services of a PEO.

285.715. 1. Except as otherwise provided in sections 285.700 to 285.750, no person shall provide, advertise, or otherwise hold itself out as providing professional employer services in this state, unless such person is registered under sections 285.700 to 285.750.

2. Each applicant for registration under sections 285.700 to 285.750 shall provide the secretary of state with the following information:

- (1) The name or names under which the PEO conducts business;
- (2) The address of the principal place of business of the PEO and the address of each office it maintains in this state;
- (3) The PEO's taxpayer or employer identification number;
- (4) A list by jurisdiction of each name under which the PEO has operated in the preceding five years, including any alternative names, names of predecessors, and, if known, successor business entities;
- (5) A statement of ownership, which shall include the name and evidence of the business experience of any person that, individually or acting in concert with one or more other persons, owns or controls, directly or indirectly, twenty-five percent or more of the equity interests of the PEO;
- (6) A statement of management, which shall include the name and evidence of the business experience of any person who serves as president, chief executive officer, or otherwise has the authority to act as senior executive officer of the PEO; and

(7) A financial statement setting forth the financial condition of the PEO or PEO group. At the time of application for a new license, the applicant shall submit the most recent audit of the applicant, which shall not be older than thirteen months. Thereafter, a PEO or PEO group shall file on an annual basis, within one hundred eighty days after the end of the PEO's or PEO group's fiscal year, a succeeding audit. An applicant may apply for an extension with the secretary of state, but any such request shall be accompanied by a letter from the auditors stating the reasons for the delay and the anticipated audit completion date. The financial statement shall be prepared in accordance with generally accepted accounting principles and audited by an independent certified public accountant licensed to practice in the jurisdiction in which such accountant is located and shall be without qualification as to the going concern status of the PEO. A PEO or PEO group

may submit combined or consolidated audited financial statements to meet the requirements of this section. A PEO that has not had sufficient operating history to have audited financials based upon at least twelve months of operating history shall meet the financial capacity requirements of sections 285.700 to 285.750 and present financial statements reviewed by a certified public accountant.

3. (1) Each PEO operating within this state as of the effective date of sections 285.700 to 285.750 shall complete its initial registration not later than one hundred eighty days after the effective date of sections 285.700 to 285.750. Such initial registration shall be valid until one hundred eighty days from the end of the PEO's first fiscal year that is more than one year after the effective date of sections 285.700 to 285.750.

(2) Each PEO not operating within this state as of the effective date of sections 285.700 to 285.750 shall complete its initial registration prior to initiating operations within this state. In the event a PEO not registered in this state becomes aware that an existing client not based in this state has employees and operations in this state, the PEO shall either decline to provide PEO services for those employees or notify the secretary of state within five business days of its knowledge of this fact and file a limited registration application under subsection 6 of this section or a full business registration if there are more than fifty covered employees. The secretary of state may issue an interim operating permit for the period the registration applications are pending if the PEO is currently registered or licensed by another state and the secretary of state determines it to be in the best interest of the potential covered employees.

4. Within one hundred eighty days after the end of a registration's fiscal year, such registrant shall renew its registration by notifying the secretary of state of any changes in the information provided in such registration's most recent registration or renewal. A registrant's existing registration shall remain in effect during the pendency of a renewal application.

5. PEOs in a PEO group may satisfy the reporting and financial requirements of sections 285.700 to 285.750 on a combined or consolidated basis, provided that each member of the PEO group guarantees the financial capacity obligations under sections 285.700 to 285.750 of each other member of the PEO group. In the case of a PEO or PEO group that submits a combined or consolidated audited financial statement including entities that are not PEOs or that are not in the PEO group, the controlling entity of the PEO group under the consolidated or combined statement shall guarantee the obligations of the PEOs in the PEO group.

6. (1) A PEO is eligible for a limited registration under sections 285.700 to 285.750 if such PEO:

(a) Submits a properly executed request for limited registration on a form provided by the secretary of state;

(b) Is domiciled outside this state and is licensed or registered as a professional employer organization in another state;

(c) Does not maintain an office in this state or directly solicit clients located or domiciled within this state; and

(d) Does not have more than fifty covered employees employed or domiciled in this state on any given day.

(2) A limited registration is valid for one year, and may be renewed.

(3) A PEO seeking limited registration under this section shall provide the secretary of state with information and documentation necessary to show that the PEO qualifies for a limited registration.

(4) The provisions of section 285.725 shall not apply to applicants for limited registration.

7. The secretary of state shall maintain a list of professional employer organizations registered under sections 285.700 to 285.750 that is readily available to the public by electronic or other means.

8. The secretary of state may produce forms necessary to promote the efficient administration of this section.

9. The secretary of state shall, to the extent practical, permit the acceptance of electronic filings in conformance with sections 432.200 to 432.295, including applications, documents, reports, and other filings required by sections 285.700 to 285.750. The secretary of state may provide for the acceptance of electronic filings and other assurance by an independent and qualified assurance organization approved by the secretary of state that provides satisfactory assurance of compliance acceptable to the secretary of state consistent with or in lieu of the requirements of sections 285.715 and 285.725 and other requirements of sections 285.700 to 285.750. The secretary of state shall permit a PEO to authorize such an approved assurance organization to act on the PEO's behalf in complying with the registration requirements of sections 285.700 to 285.750, including electronic filings of information and payment of registration fees. Use of such an approved assurance organization shall be optional and not mandatory for a registrant. Nothing in this subsection shall limit or change the secretary of state's authority to register or terminate registration of a professional employer organization or to investigate or enforce any provision of sections 285.700 to 285.750.

10. All records, reports, and other information obtained from a PEO under sections 285.700 to 285.750, except to the extent necessary for the proper administration of sections 285.700 to 285.750 by the secretary of state, shall be confidential and shall not be considered a "public record" as that term is defined in section 610.010.

285.720. 1. Upon filing an initial registration statement under sections 285.700 to 285.750, a PEO shall pay an initial registration fee not to exceed five hundred dollars.

2. Upon each annual renewal of a registration statement filed under sections 285.700 to 285.750, a PEO shall pay a renewal fee not to exceed two hundred fifty dollars.

3. The secretary of state shall determine any fee to be charged for a group registration.

4. Each PEO seeking limited registration shall pay a fee in the amount not to exceed two hundred fifty dollars upon initial application for limited registration and upon each renewal of such limited registration.

5. No fee charged under sections 285.700 to 285.750 shall exceed the amount reasonably necessary for the administration of sections 285.700 to 285.750.

285.725. Except as provided by 285.715, each PEO or collectively each PEO group shall maintain either:

(1) Positive working capital as defined by generally accepted accounting principles at registration as reflected in the financial statements submitted to the secretary of state with the initial registration and each annual renewal; or

(2) A PEO or PEO group that does not have positive working capital may provide a bond, irrevocable letter of credit, or securities with a minimum market value equaling the deficiency plus one hundred thousand dollars to the secretary of state. Such bond is to be held by a depository designated by the secretary of state securing payment by the PEO of all taxes, wages, benefits, or other entitlement due to or with respect to covered employees if the PEO does not make such payments when due.

285.730. 1. Except as specifically provided in sections 285.700 to 285.750 or in the professional employer agreement, in each coemployment relationship:

(1) The client shall be entitled to exercise all rights, and shall be obligated to perform all duties and responsibilities otherwise applicable to an employer in an employment relationship;

(2) The PEO shall be entitled to exercise only those rights and obligated to perform only those duties and responsibilities specifically required under sections 285.700 to 285.750 or set forth in the professional employer agreement. The rights, duties, and obligations of the PEO as coemployer with respect to any covered employee shall be limited to those arising pursuant to the professional employer agreement and sections 285.700 to 285.750 during the term of coemployment by the PEO of such covered employee; and

(3) Unless otherwise expressly agreed by the PEO and the client in a professional employer agreement, the client retains the exclusive right to direct and control the covered employees as is necessary to conduct the client's business, to discharge any of the client's fiduciary responsibilities, or to comply with any licensure requirements applicable to the client or to the covered employees.

2. Except as specifically provided under sections 285.700 to 285.750, the coemployment relationship between the client and the PEO and between each coemployer and each covered employee shall be governed by the professional employer agreement. Each professional employer agreement shall include the following:

(1) The allocation of rights, duties, and obligations as described in subsection 1 of this section;

(2) A requirement that the PEO shall have responsibility to:

(a) Pay wages to covered employees;

(b) Withhold, collect, report, and remit payroll-related and unemployment taxes; and

(c) To the extent the PEO has assumed responsibility in the professional employer agreement, to make payments for employee benefits for covered employees.

As used in this section, the term "wages" does not include any obligation between a client and a covered employee for payments beyond or in addition to the covered employee's salary, draw, or regular rate of pay, such as bonuses, commissions, severance pay, deferred compensation, profit sharing, vacation, sick, or other paid-time off pay, unless the PEO has expressly agreed to assume liability for such payments in the professional employer agreement; and

(3) A requirement that the PEO shall have a right to hire, discipline, and terminate a covered employee as may be necessary to fulfill the PEO's responsibilities under sections 285.700 to 285.750 and the professional employer agreement. The client shall have a right to hire, discipline, and terminate a covered employee.

3. With respect to each professional employer agreement entered into by a PEO, such PEO shall provide written notice to each covered employee affected by such agreement of the general nature of the coemployment relationship between and among the PEO, the client, and such covered employee.

4. Except to the extent otherwise expressly provided by the applicable professional employer agreement:

(1) A client shall be solely responsible for the quality, adequacy, or safety of the goods or services produced or sold in the client's business;

(2) A client shall be solely responsible for directing, supervising, training, and controlling the work of the covered employees with respect to the business activities of the client and solely responsible for the acts, errors, or omissions of the covered employees with regard to such activities;

(3) A client shall not be liable for the acts, errors, or omissions of a PEO or of any covered employee of the client and a PEO if such covered employee is acting under the express direction and control of the PEO;

(4) A PEO shall not be liable for the acts, errors, or omissions of a client or of any covered employee of the client if such covered employee is acting under the express direction and control of the client;

(5) Nothing in this subsection shall serve to limit any contractual liability or obligation specifically provided in the written professional employer agreement; and

(6) A covered employee is not, solely as the result of being a covered employee of a PEO, an employee of the PEO for purposes of general liability insurance, fidelity bonds, surety bonds, employer's liability that is not covered by workers' compensation, or liquor liability insurance carried by the PEO unless the covered employees are included by specific reference in the professional employer agreement and applicable prearranged employment contract, insurance contract, or bond.

5. A PEO under sections 285.700 to 285.750 is not engaged in the sale of insurance or in acting as a third party administrator by offering, marketing, selling, administering, or providing professional employer services that include services and employee benefit plans for covered employees. The provisions of this section shall not supercede or preempt any requirements under section 375.014.

6. For purposes of this state or any county, municipality, or other political subdivision thereof:

(1) Any tax or assessment imposed upon professional employer services or any business license or other fee that is based upon "gross receipts" shall allow a deduction from the gross income or receipts of the business derived from performing professional employer services that is equal to that portion of the fee charged to a client that represents the actual cost of wages and salaries, benefits, payroll taxes, withholding, or other assessments paid to or on behalf of a covered employee by the professional employer organization under a professional employer agreement;

(2) Any tax assessed or assessment or mandated expenditure on a per capita or per employee basis shall be assessed against the client for covered employees and against the professional employer organization for its employees who are not covered employees coemployed with a client. Benefits or monetary consideration that meet the requirements of mandates imposed on a client and that are received by covered employees through the PEO either through payroll or through benefit plans sponsored by the PEO shall be credited against the client's obligation to fulfill such mandates; and

(3) In the case of a tax or an assessment imposed or calculated upon the basis of total payroll, the professional employer organization shall be eligible to apply any small business allowance or exemption available to the client for the covered employees for purposes of computing the tax.

285.740. 1. The responsibility to obtain workers' compensation coverage for covered employees in compliance with all applicable laws shall be specifically allocated in the professional employer agreement to either the client or the PEO.

2. (1) Coverage for both the directly employed workers of a client and the covered employees of that client shall be all in the residual or all in the voluntary market with the same carrier.

(2) Workers' compensation coverage for covered employees in the voluntary market may be obtained by either:

(a) The client through a standard workers' compensation policy or through duly authorized self-insurance under section 287.280; or

(b) The PEO through duly authorized self insurance under section 287.280, through the type of policy referenced under the provisions of 20 CSR 500-6.800(5)(c)2 issued to the PEO by a carrier authorized to do business in this state, or through a multiple coordinated workers' compensation policy issued by a carrier authorized to do business in this state in the name of the PEO or the client.

A PEO authorized to self-insure under section 287.280 shall report to the insurer or the appropriate state and rating authorities such client-based information as is necessary to maintain the client's experience rating.

(3) Workers' compensation for covered employees in the residual market may be obtained by the client through a residual market policy or by the PEO through a multiple coordinated policy in either the name of the PEO or the client that provides to the appropriate state and rating authorities the client-based information satisfactory to maintain the client's experience rating.

3. A PEO that applies for coverage or is covered through the voluntary market shall also maintain and furnish to the insurer sufficient information to permit the calculation of an experience modification factor for each client upon termination of the coemployment relationship. Information reported during the term of the coemployment relationship which is used to calculate an experience modification factor for a client prior to and upon termination of the professional employer agreement shall continue to be used in the future experience ratings of the PEO. Such information shall include:

- (1) The client's corporate name;
- (2) The client's taxpayer or employer identification number;
- (3) Payroll summaries and class codes applicable to each client, and, if requested by the insurer, a listing of all covered employees associated with a given client; and
- (4) Claims information grouped by client, and any other information maintained by or readily available to the PEO that is necessary for the calculation of an experience modification factor for each client.

4. In addition to any other provision of chapter 287, any material violations of this section by a PEO is grounds for cancellation or nonrenewal of the PEO's insurance policy by the insurer. If a PEO has received notice that its workers' compensation insurance policy will be canceled or nonrenewed, the PEO shall notify by certified mail, within ten days after the receipt of the notice, all of the clients for which there is a coemployment relationship covered under the policy to be canceled, provided that notice shall not be required if the PEO has obtained another insurance policy from a carrier authorized to do business in this state, with an effective date that is the same as the date of cancellation or nonrenewal.

5. If the coemployment relationship with a client is terminated, the client shall utilize an experience modification factor which reflects its individual experience, including, if applicable, experience incurred for covered employees under the professional employer agreement. The PEO shall provide to the client the client's information that is maintained under subsection 3 of this section within five business days of receiving notice from the client or within five business days of providing notice to the client that the coemployment relationship will terminate. The PEO shall also provide such information to any future client insurer, if requested by such client. The PEO shall notify the insurer of its intent to terminate any client relationship prior to termination when feasible. When prior notice is not feasible, the PEO shall notify its insurer within five business days following actual termination.

6. Both the client and the PEO shall be considered the employer for purposes of coverage under chapter 287. The protection of the exclusive remedy provision under section 287.120 shall apply to the PEO, the client, and to all covered employees and other employees of the client irrespective of which coemployer obtains such workers' compensation coverage. Nothing in this section shall be construed to exempt either the client or the PEO from compliance with the provisions of chapter 287.

7. A client may request the information maintained under subsection 3 of this section at any time and every PEO shall provide that information to such client within five business days of receiving such a request.

8. In the case of a request for information by a third party requesting verification of a client's experience modification factor for a client in the type of policy referenced under the provisions of 20 CSR 500-6.800(5)(c)2, the PEO shall, within five business days of receipt of receiving the client's consent, provide such third party with only the information maintained by the PEO under subsection 3 of this section. If a client refuses to grant consent to a request for information under this subsection, the PEO shall notify the requesting third party that the client has refused to consent to the disclosure of the information maintained by the PEO under subsection 3 of this section.

9. A client shall provide any prospective insurer with the information maintained by the PEO under subsection 3 of this section upon receiving such information from the PEO. Failure to provide a future insurer with such information shall be considered a violation of subsection 6 of section 287.128.

10. (1) A client shall notify any prospective insurer of the client's previous or current relationship with a PEO. Failure to provide a future insurer with such information shall be considered a violation of subsection 6 of section 287.128.

(2) This subsection shall not apply if the PEO did not provide workers' compensation coverage to a client during the coemployment relationship.

11. For purposes of chapter 288, a PEO registered under sections 285.700 to 285.750 shall be treated as a "lesser employing unit" under section 288.032.

285.750. 1. A person shall not knowingly:

(1) Offer or provide professional employer services or use the names PEO, professional employer organization, staff leasing, employee leasing, administrative employer, or other title representing professional employer services without first becoming registered under sections 285.700 to 285.750; or

(2) Provide false or fraudulent information to the secretary of state in conjunction with any registration, renewal, or in any report required under sections 285.700 to 285.750.

2. Disciplinary action shall be taken by the secretary of state for violation of this section for:

(1) The conviction of a professional employer organization or a controlling person of a PEO of a crime that relates to the operation of a PEO or the ability of the licensee or a controlling person of a licensee to operate a PEO;

(2) Knowingly making a material misrepresentation to the secretary of state or other governmental agency; or

(3) A willful violation of sections 285.700 to 285.750 or any order issued by the secretary of state under sections 285.700 to 285.750.

3. Upon finding, after notice and opportunity for hearing, that a PEO, a controlling person of a PEO, or a person offering PEO services has violated one or more provisions of this section and subject to appeal, the secretary of state may:

(1) Deny an application for a license;

(2) Revoke, restrict, or refuse to renew a license;

(3) Impose an administrative penalty in an amount not to exceed one thousand dollars for each material violation;

(4) Place the licensee on probation for the period and subject to conditions that the secretary of state specifies; or

(5) Issue a cease and desist order."; and

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 2127, Page 8, Section 334.037, Line 159, by inserting immediately after said section and line the following:

"334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice registered nurse as defined in subdivision (2) of section 335.016. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, and Schedule II - hydrocodone; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance and Schedule II - hydrocodone prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services.

3. The written collaborative practice arrangement shall contain at least the following provisions:

- (1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;
- (2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;
- (3) A requirement that there shall be posted at every office where the advanced practice registered nurse is authorized to prescribe, in collaboration with a physician, a prominently displayed disclosure statement informing patients that they may be seen by an advanced practice registered nurse and have the right to see the collaborating physician;
- (4) All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;
- (5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:
 - (a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;
 - (b) Maintain geographic proximity, except the collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by P.L. 95-210, as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic. The collaborating physician is required to maintain documentation related to this requirement and to present it to the state board of registration for the healing arts when requested; and
 - (c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;
- (6) A description of the advanced practice registered nurse's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the nurse to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;
- (7) A list of all other written practice agreements of the collaborating physician and the advanced practice registered nurse;
- (8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse;
- (9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's delivery of health care services. The description shall include provisions that the advanced practice registered nurse shall submit a minimum of ten percent of the charts documenting the advanced practice registered nurse's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days; and
- (10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital

employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician shall not enter into a collaborative practice arrangement **or supervision agreement** with more than ~~three~~ **six** full-time equivalent advanced practice registered nurses, **full-time equivalent licensed physician assistants, or full-time equivalent licensed assistant physicians, or any combination thereof.** This limitation shall not apply to collaborative arrangements **or supervision agreements** of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice

registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

Prior to commencing practice, the supervising physician and physician assistant shall attest on a form provided by the board that the physician shall provide supervision appropriate to the physician assistant's training and that the physician assistant shall not practice beyond the physician assistant's training and experience. Appropriate supervision shall require the supervising physician to be working within the same facility as the physician assistant for at least four hours within one calendar day for every fourteen days on which the physician assistant provides patient care as described in subsection 3 of this section. Only days in which the physician assistant provides patient care as described in subsection 3 of this section shall be counted toward the fourteen-day period. The requirement of appropriate supervision shall be applied so that no more than thirteen calendar days in which a physician assistant provides patient care shall pass between the physician's four hours working within the same facility. The board shall promulgate rules pursuant to chapter 536 for documentation of joint review of the physician assistant activity by the supervising physician and the physician assistant.

2. (1) A supervision agreement shall limit the physician assistant to practice only at locations described in subdivision (8) of subsection 1 of this section, where the supervising physician is no further than fifty miles by road using the most direct route available and where the location is not so situated as to create an impediment to effective intervention and supervision of patient care or adequate review of services.

(2) For a physician-physician assistant team working in a rural health clinic under the federal Rural Health Clinic Services Act, P.L. 95-210, as amended, no supervision requirements in addition to the minimum federal law shall be required.

3. The scope of practice of a physician assistant shall consist only of the following services and procedures:

(10) Physician assistants shall not perform or prescribe abortions.

4. Physician assistants shall not prescribe any drug, medicine, device or therapy unless pursuant to a physician supervision agreement in accordance with the law, nor prescribe lenses, prisms or contact lenses for the aid, relief or correction of vision or the measurement of visual power or visual efficiency of the human eye, nor administer or monitor general or regional block anesthesia during diagnostic tests, surgery or obstetric procedures. Prescribing of drugs, medications, devices or therapies by a physician assistant shall be pursuant to a physician assistant supervision agreement which is specific to the clinical conditions treated by the supervising physician and the physician assistant shall be subject to the following:

(1) A physician assistant shall only prescribe controlled substances in accordance with section 334.747;

(2) The types of drugs, medications, devices or therapies prescribed by a physician assistant shall be consistent with the scopes of practice of the physician assistant and the supervising physician;

(5) A physician assistant shall not prescribe any drugs, medicines, devices or therapies the supervising physician is not qualified or authorized to prescribe.

5. A physician assistant shall clearly identify himself or herself as a physician assistant and shall not use or permit to be used in the physician assistant's behalf the terms "doctor", "Dr." or "doc" nor hold himself or herself out in any way to be a physician or surgeon. No physician assistant shall practice or attempt to practice without physician supervision or in any location where the supervising physician is not immediately available for consultation, assistance and intervention, except as otherwise provided in this section, and in an emergency situation, nor shall any physician assistant bill a patient independently or directly for any services or procedure by the physician assistant; except that, nothing in this subsection shall be construed to prohibit a physician assistant from enrolling with the department of social services as a MO HealthNet or Medicaid provider while acting under a supervision agreement between the physician and physician assistant.

6. For purposes of this section, the licensing of physician assistants shall take place within processes established by the state board of registration for the healing arts through rule and regulation. The board of healing arts is authorized to establish rules pursuant to chapter 536 establishing licensing and renewal procedures, supervision, supervision agreements, fees, and addressing such other matters as are necessary to protect the public and discipline the profession. An application for licensing may be denied or the license of a physician assistant may be suspended or revoked by the board in the same manner and for violation of the standards as set forth by section 334.100, or such other standards of conduct set by the board by rule or regulation. Persons licensed pursuant to the provisions of chapter 335 shall not be required to be licensed as physician assistants. All applicants for physician assistant licensure who complete a physician assistant training program after January 1, 2008, shall have a master's degree from a physician assistant program.

7. "Physician assistant supervision agreement" means a written agreement, jointly agreed-upon protocols or standing order between a supervising physician and a physician assistant, which provides for the delegation of health care services from a supervising physician to a physician assistant and the review of such services. The agreement shall contain at least the following provisions:

(1) Complete names, home and business addresses, zip codes, telephone numbers, and state license numbers of the supervising physician and the physician assistant;

(2) A list of all offices or locations where the physician routinely provides patient care, and in which of such offices or locations the supervising physician has authorized the physician assistant to practice;

(3) All specialty or board certifications of the supervising physician;

(4) The manner of supervision between the supervising physician and the physician assistant, including how the supervising physician and the physician assistant shall:

(a) Attest on a form provided by the board that the physician shall provide supervision appropriate to the physician assistant's training and experience and that the physician assistant shall not practice beyond the scope of the physician assistant's training and experience nor the supervising physician's capabilities and training; and

(b) Provide coverage during absence, incapacity, infirmity, or emergency by the supervising physician;

(5) The duration of the supervision agreement between the supervising physician and physician assistant; and

(6) A description of the time and manner of the supervising physician's review of the physician assistant's delivery of health care services. Such description shall include provisions that the supervising physician, or a designated supervising physician listed in the supervision agreement review a minimum of ten percent of the charts of the physician assistant's delivery of health care services every fourteen days.

8. When a physician assistant supervision agreement is utilized to provide health care services for conditions other than acute self-limited or well-defined problems, the supervising physician or other physician designated in the supervision agreement shall see the patient for evaluation and approve or formulate the plan of treatment for new or significantly changed conditions as soon as practical, but in no case more than two weeks after the patient has been seen by the physician assistant.

9. At all times the physician is responsible for the oversight of the activities of, and accepts responsibility for, health care services rendered by the physician assistant.

10. It is the responsibility of the supervising physician to determine and document the completion of at least a one-month period of time during which the licensed physician assistant shall practice with a supervising physician continuously present before practicing in a setting where a supervising physician is not continuously present.

11. No contract or other agreement shall require a physician to act as a supervising physician for a physician assistant against the physician's will. A physician shall have the right to refuse to act as a supervising physician, without penalty, for a particular physician assistant. No contract or other agreement shall limit the supervising physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any physician assistant, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by the hospital's medical staff.

12. Physician assistants shall file with the board a copy of their supervising physician form.

13. No physician shall be designated to serve as supervising physician **or collaborating physician** for more than ~~three~~ **six** full-time equivalent licensed physician assistants, full-time equivalent advanced practice registered nurses, or full-time equivalent assistant physicians, or any combination thereof. This limitation shall not apply to physician assistant agreements **or collaborative practice arrangements** of hospital employees providing inpatient care service in hospitals as defined in chapter 197."; and

THIRTY-NINTH DAY, TUESDAY, MARCH 13, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

With the Lord is strength and wisdom. (Job 12:16)

O Gracious God, after a long day yesterday, as the quiet splendor of a new day starts, we look again to You seeking the guidance of Your spirit, the goodness of Your presence and the greatness of Your power. In the duties and responsibilities of another lengthy day in the People's House, let not our spirits fail, our steps falter nor our strength fade. Help us to always walk honorably in the ways of Your word and uphold what is right, just and quick.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Elis Samual Long and Por Suman.

SPECIAL RECOGNITION

John Cruickshank, Consul General of Canada, was introduced by Speaker Richardson.

Consul General Cruickshank addressed the House.

The Journal of the thirty-eighth day was approved as printed by the following vote:

86.250. Retirement of a member on a service retirement allowance shall be made by the board of trustees as follows:

- ~~[(4)]~~ Any member **who commenced employment before October 1, 2018**, may terminate employment as a police officer and actually retire after completing twenty or more years of creditable service or attaining the age of fifty-five upon the member's written application to the board of trustees setting forth at what time, but not more than ninety days subsequent to the execution and filing of the application, the member desires to be retired[; ————
- ~~(2) Any member in service who has attained the age of sixty-five shall be terminated as a police officer and actually retired forthwith provided that upon request of the chief of police the board of trustees may permit such member to remain in service for periods of not to exceed one year from the date of the last request from the chief of police].~~ **Any member who commenced employment for the first time on or after October 1, 2018, may terminate employment as a police officer and actually retire after completing ten or more years of creditable service and attaining the age of fifty-five upon the member's written application to the board of trustees setting forth at what time, but not more than ninety days subsequent to the execution and filing of the**

application, the member desires to be retired; provided, however, that any member who commenced employment for the first time on or after October 1, 2018, may enter the DROP at any time after completing twenty years of creditable service.

86.251. 1. The board of trustees may develop and establish a deferred retirement option plan (DROP) in which members who are eligible for retirement but who have not terminated employment as police officers and who have not actually retired may participate. The DROP shall be designed to allow members with at least twenty years of creditable service or who have attained the age of fifty-five who have achieved eligibility for retirement and are entitled to a service retirement allowance and other benefits to postpone actual retirement, continue active employment and accumulate a deferred receipt of the service retirement allowance. No one shall participate in the DROP for a period exceeding five years.

2. Any member who has at least twenty years of creditable service or has attained the age of fifty-five may elect in writing before retirement to participate in the DROP. A member electing to participate in the DROP shall postpone actual retirement, shall continue in active employment and shall not receive any direct retirement allowance payments or benefits during the period of participation. **Any member who commenced employment for the first time on or after October 1, 2018, who terminates employment before age fifty-five shall not be eligible to receive a retirement allowance until he or she reaches age fifty-five.**

3. Upon the start of the participation in the DROP, the member shall cease to make any mandatory contributions to the system. No contribution shall be required by the city into the DROP account. During the period of participation in the DROP, the amount that the member would have received as a service retirement allowance if the member had actually retired instead of entering DROP shall be deposited monthly in the member's DROP account which shall be established in the member's name by the board of trustees. The member's service retirement allowance shall not be adjusted for any cost-of-living increases for any period prior to the member's termination of employment as a police officer and actual retirement. Cost-of-living increases, if any, for any period following the member's termination of employment as a police officer and actual retirement shall be applied only to monthly service retirement payments made following termination of employment as a police officer and actual retirement. Service earned during the period of participation in the DROP shall not be creditable service and shall not be counted in determination of any service retirement allowance or surviving spouse's or dependents' benefits. Compensation paid during the period of participation in the DROP shall not be earnable compensation and shall not be counted in the determination of any service retirement allowance or surviving spouse's or dependent's benefits. The member's service retirement allowance shall be frozen as of the date the member enters DROP. Except as specifically provided in sections 86.200 to 86.366, the member's frozen service retirement allowance shall not increase while the member is participating in DROP or after the member's participation in DROP ends, and the member shall not share in any benefit improvement that is enacted or that becomes effective while such member is participating in the DROP.

4. A member shall cease participation in the DROP upon the termination of the member's employment as a police officer and actual retirement, or at the end of the five-year period commencing on the first day of the member's participation in the DROP, or as of the effective date of the member's election to return to active participation in the system, whichever occurs first. A member's election to return to active participation in the system before the end of the five-year period commencing on the first day of participation in the DROP shall be made and shall become effective in accordance with procedures established by the board of trustees. Upon the member's termination of employment as a police officer and actual retirement, the member shall elect to receive the value of the member's DROP account, in one of the following forms of payment:

- (1) A lump sum payment; or
- (2) Equal monthly installments over a ten-year period.

Either form of payment should begin within thirty days after the member's notice to the board of trustees that the member has selected a particular option.

5. If a member who is participating in the DROP elects to return to active participation in the system or if a member who is participating in the DROP does not terminate employment and actually retires as a police officer in the city for which the retirement system was established pursuant to sections 86.200 to 86.366 at the end of the five-year period commencing on the first day of the member's participation in the DROP, the member shall return to active participation in the system and shall resume making mandatory contributions to the system effective as of the day after participation in the DROP ends. The board of trustees shall notify the chief of police to begin deducting mandatory contributions from the member's salary and the member's employment period shall count as creditable service beginning as of the day the member returns to active participation.

6. In no event shall a member, **including any member who commenced employment for the first time on or after October 1, 2018**, whose participation in DROP has ended for any reason be eligible to participate in DROP again.

7. Upon the member's termination of employment as a police officer and actual retirement, the member's mandatory contributions to the retirement system shall be paid to the member pursuant to subsection 4 of section 86.253.

8. If a member dies prior to termination of employment as a police officer and actual retirement while participating in the DROP or before the member has received full withdrawal of the amount in the member's DROP account under the installment optional payment form, the remaining balance of the member's DROP account shall be payable to the member's surviving spouse; or, if the member is then unmarried, to the member's dependent children in equal shares; or, if none, to the member's dependent mother or father; or, if none, to the member's designated beneficiary or, if no such beneficiary is then living, to the member's estate. Payment shall be made in a lump sum within sixty days after receipt by the board of trustees of evidence and proof of the death of a member. In addition, the member's mandatory contributions, if any, that were not already paid to the member pursuant to subsection 4 of section 86.253 shall be paid to the member's surviving spouse pursuant to section 86.288.

9. If a member applies for and receives benefits for an accidental disability retirement allowance pursuant to the provisions of section 86.263, the member shall forfeit all rights, claims or interest in the member's DROP account and the member's benefits shall be calculated as if the member has continued in employment and had not elected to participate in the DROP. Any portion of a DROP account that has been forfeited as provided in this subsection shall be a general asset of the system.

10. ~~[A member's]~~ **The DROP account of a member who commenced employment before October 1, 2018**, shall earn interest equal to the rate of return earned by the system's investment portfolio on a market value basis, including realized and unrealized gains and losses, net of investment expense, as certified by the system's actuary. As of the last day of each plan year beginning after DROP participation begins, the member's DROP account balance, determined as of the last day of the prior plan year, shall be credited with interest at the investment rate earned by the assets of the retirement system for such prior plan year. If distribution of the member's DROP account balance is made in a lump sum under subsection 4 or 8 of this section, interest for the plan year of distribution shall be credited on the ending balance for the prior plan year at the investment rate earned on the assets of the retirement system for the prior plan year, in proportion to the part of the plan year preceding the date of the member's termination of employment or death, whichever is earlier. If the member's DROP account is paid in equal monthly installments pursuant to subsection 4 of this section, interest during the installment period shall be credited as of the last day of each plan year ending after installment payment begins on the account balance as of the first or last day of the plan year, whichever is lower, at the investment rate earned by the assets of the system for the prior plan year. Interest for the year in which the final installment is paid shall be credited on the balance remaining after the final installment is paid, at the investment rate earned on the assets of the system for the prior plan year, in proportion to the part of the plan year preceding payment of the final installment. Any interest credited to the DROP account during the installment period shall be paid as soon as reasonably possible after the final monthly installment. No interest shall be credited on amounts, if any, added to the member's DROP account during the year in which the distribution of the account is completed. **Any member who commenced employment for the first time on or after October 1, 2018, shall earn interest for all purposes for which interest is allowed at the rate of return earned by the ten-year United States Treasury note as of September thirtieth each year plus one percent, not to exceed a rate of six percent per annum.**

11. The board of trustees shall not incur any liability individually or on behalf of other individuals for any act or omission made in good faith in relation to the DROP or assets credited to DROP accounts established by this section. The provisions of the Internal Revenue Code and regulations promulgated thereunder shall supersede any provision of this section if there is any inconsistency with the Internal Revenue Code or regulation.

12. Upon the receipt by the board of trustees of evidence and proof that the death of a member resulted from an event occurring while the member was in the actual performance of duty, and if the member is participating in the DROP, the member's surviving spouse or, if the member is then unmarried, the member's unmarried dependent children, may elect within thirty days after the member's death to have the amount in the member's DROP account paid in the form of a monthly survivor annuity. Payment of the survivor annuity shall begin within sixty days after the election is received. Payment to the member's surviving spouse shall continue until the surviving spouse's death; payment to the member's unmarried dependent children shall be made while any child qualifies as an unmarried dependent child pursuant to section 86.280. The survivor annuity shall be the actuarial equivalent of the

member's DROP account as of the date of the member's death. In no event shall the total amount paid pursuant to this subsection be less than the member's DROP account balance as of the date of the member's death.

86.253. 1. Upon termination of employment as a police officer and actual retirement for service, a member **who commenced employment before October 1, 2018**, shall receive a service retirement allowance which shall be an amount equal to two percent of the member's average final compensation multiplied by the number of years of the member's creditable service, up to twenty-five years, plus an amount equal to four percent of the member's average final compensation for each year of creditable service in excess of twenty-five years but not in excess of thirty years; plus an additional five percent of the member's average final compensation for any creditable service in excess of thirty years. Notwithstanding the foregoing, the service retirement allowance of a member who ~~[does not earn any creditable service after August 11, 1999]~~ **commenced employment before October 1, 2018**, shall not exceed an amount equal to ~~[seventy]~~ **seventy-five** percent of the member's average final compensation~~[- and the service retirement allowance of a member who earns creditable service on or after August 12, 1999, shall not exceed an amount equal to seventy five percent of the member's average final compensation; provided, however, that the service retirement allowance of a member who is participating in the DROP pursuant to section 86.251 on August 12, 1999, who returns to active participation in the system pursuant to section 86.251, and who terminates employment as a police officer and actually retires for reasons other than death or disability before earning at least two years of creditable service after such return shall be the sum of (1) the member's service retirement allowance as of the date the member entered DROP and (2) an additional service retirement allowance based solely on the creditable service earned by the member following the member's return to active participation]. However, if a member commenced employment for the first time on or after October 1, 2018, the service retirement allowance of the member shall not exceed an amount equal to seventy percent of the member's average final compensation.~~ The member's total years of creditable service shall be taken into account for the purpose of determining whether the additional allowance attributable to such additional creditable service is two percent, four percent or five percent of the member's average final compensation.

2. If, at any time since first becoming a member of the retirement system, the member has served in the Armed Forces of the United States, and has subsequently been reinstated as a policeman within ninety days after the member's discharge, the member shall be granted credit for such service as if the member's service in the police department of such city had not been interrupted by the member's induction into the Armed Forces of the United States. If earnable compensation is needed for such period in computation of benefits it shall be calculated on the basis of the compensation payable to the officers of the member's rank during the period of the member's absence. Notwithstanding any provision of sections 86.200 to 86.366 to the contrary, the retirement system governed by sections 86.200 to 86.366 shall be operated and administered in accordance with the applicable provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended.

3. The service retirement allowance of each present and future retired member **who earned creditable service before October 1, 2018, and** who terminated employment as a police officer and actually retired from service after attaining age fifty-five or after completing twenty years of creditable service shall be increased annually at a rate not to exceed three percent as approved by the board of trustees beginning with the first increase in the second October following the member's retirement and subsequent increases in each October thereafter, provided that each increase is subject to a determination by the board of trustees that the consumer price index (United States City Average Index) as published by the United States Department of Labor shows an increase of not less than the approved rate during the latest twelve-month period for which the index is available at the date of determination; and provided further, that if the increase is in excess of the approved rate for any year, such excess shall be accumulated as to any retired member and increases may be granted in subsequent years subject to a maximum of three percent for each full year from October following the member's retirement but not to exceed a total percentage increase of thirty percent. **The service retirement allowance of a member who commenced employment for the first time on or after October 1, 2018, shall be increased in the same manner; except that, the increases shall not exceed a total percentage increase of twenty-five percent.** In no event shall the increase described under this subsection be applied to the amount, if any, paid to a member or surviving spouse of a deceased member for services as a special consultant under subsection 5 of this section ~~[or, if applicable, subsection 6 of this section]~~. If the board of trustees determines that the index has decreased for any year, the benefits of any retired member that have been increased shall be decreased but not below the member's initial benefit. No annual increase shall be made of less than one percent and no decrease of less than three percent except that any decrease may be limited in amount by the initial benefit.

4. In addition to any other retirement allowance payable under this section and section 86.250, a member, upon termination of employment as police officer and actual service retirement, may request payment of the total amount of the member's mandatory contributions to the retirement system without interest. Upon receipt of such

request, the board shall pay the retired member such total amount of the member's mandatory contributions to the retirement system to be paid pursuant to this subsection within sixty days after such retired member's date of termination of employment as a police officer and actual retirement. **Notwithstanding the foregoing, a member who commenced employment for the first time on or after October 1, 2018, shall not be eligible for the return of his or her mandatory contributions to the retirement system upon termination of employment as a police officer and actual service retirement; except that, a member who commenced employment for the first time on or after October 1, 2018, shall receive his or her mandatory contributions to the retirement system without interest if not vested at the time of termination of employment as a police officer or actual service retirement.**

5. Any person who is receiving retirement benefits from the retirement system, upon application to the board of trustees, shall be made, constituted, appointed and employed by the board of trustees as a special consultant on the problems of retirement, aging and other matters, for the remainder of the person's life or, in the case of a deceased member's surviving spouse, until the earlier of the person's death or remarriage, and upon request of the board of trustees shall give opinions and be available to give opinions in writing or orally, in response to such requests, as may be required. For such services the special consultant shall be compensated monthly, in an amount which, when added to any monthly retirement benefits being received from the retirement system, including any cost-of-living increases under subsection 3 of this section, shall total six hundred fifty dollars a month. This employment shall in no way affect any person's eligibility for retirement benefits under this chapter, or in any way have the effect of reducing retirement benefits, notwithstanding any provisions of law to the contrary.

86.254. 1. Beginning July 1, 1994, in addition to any other annuity, benefits, or retirement allowance provided pursuant to sections 86.200 to 86.366, each present and future retired member **who commenced employment before October 1, 2018**, after attaining the age of sixty years shall, upon application to the board of trustees, be made, constituted, appointed and employed by the board of trustees as an advisor on the problems of retirement, aging and other matters, for the remainder of the retired member's life, and upon request of the board of trustees shall give opinions in writing or orally in response to such requests as may be required.

2. For the performance of duties required in subsection 1 of this section, each retired member employed as an advisor by the board of trustees shall be compensated monthly in an amount of ten dollars per month multiplied by the number of years the retired member is past the age of sixty years. The compensation provided by this subsection shall be adjusted annually. No funding shall be required prior to the effective date of this benefit.

3. Beginning October 1, 1999, in addition to any other benefit provided to any surviving spouse pursuant to sections 86.200 to 86.366, each present and future surviving spouse of a member **who commenced employment before October 1, 2018**, after attaining the age of sixty years shall upon application to the board of trustees, be made, constituted, appointed and employed by the board of trustees as an advisor on the problems of retirement, aging and other matters for the remainder of the surviving spouse's life or until the surviving spouse remarries, whichever is earlier, and upon request of the board of trustees shall give opinions in writing or orally in response to such requests as may be required.

4. For the performance of duties required in subsection 3 of this section, each surviving spouse of a member employed as an advisor by the board of trustees shall be compensated monthly in an amount of ten dollars per month multiplied by the number of years the surviving spouse is past the age of sixty years. The compensation provided by this subsection shall be adjusted annually.

86.257. 1. Upon the application of the chief of police or a member, any member who has completed ten or more years of creditable service or upon the police retirement system created by sections 86.200 to 86.366 first attaining, after August 28, 2013, a funded ratio, as defined in section 105.660 and as determined by the system's annual actuarial valuation, of at least eighty percent, a member who has completed five or more years of creditable service and who has become permanently unable to perform the duties of a police officer as the result of an injury or illness not exclusively caused or induced by the actual performance of his or her official duties or by his or her own negligence shall be retired by the board of trustees of the police retirement system upon certification by the medical board of the police retirement system and approval by the board of trustees of the police retirement system that the member is mentally or physically unable to perform the duties of a police officer, that the inability is permanent or likely to become permanent, and that the member should be retired.

2. Once each year during the first five years following such member's retirement, and at least once in every three-year period thereafter, the board of trustees may, and upon the member's application shall, require any nonduty disability beneficiary who has not yet attained sixty years of age to undergo a medical examination at a place

designated by the medical board or such physicians as the medical board appoints. If any nonduty disability beneficiary who has not attained sixty years of age refuses to submit to a medical examination, his or her nonduty disability ~~[pension]~~ **retirement allowance** may be discontinued until his or her withdrawal of such refusal, and if his or her refusal continues for one year, all rights in and to such ~~[pension]~~ **disability retirement allowance** may be revoked by the board of trustees.

3. If the medical board certifies to the board of trustees that a nonduty disability beneficiary is able to perform the duties of a police officer, and if the board of trustees concurs on the report, then such beneficiary's nonduty disability ~~[pension]~~ **retirement allowance** shall cease.

4. If upon cessation of a disability ~~[pension]~~ **retirement allowance** under subsection 3 of this section, the former disability beneficiary is restored to active service, he or she shall again become a member, and he or she shall contribute thereafter at the same rate as other members. Upon his or her subsequent retirement, he or she shall be credited with all of his or her active retirement, but not including any time during which the former disability beneficiary received a disability ~~[pension]~~ **retirement allowance** under this section.

86.260. 1. Upon termination of employment as a police officer and actual retirement for nonduty disability a member shall receive a service retirement allowance as calculated under subsection 1 of section 86.253 if the member has attained the age of fifty-five or completed twenty years of creditable service; otherwise the member shall receive a nonduty disability retirement allowance which shall be equal to ninety percent of the member's accrued service retirement in section 86.253, but not less than one-fourth of the member's average final compensation; provided, however, that no such allowance shall exceed ninety percent of the member's accrued service retirement benefit based on continuation of the member's creditable service to the age set out in section 86.250. **To the extent a member receiving a nonduty disability retirement allowance is gainfully employed, a proportionate offset shall apply against any disability retirement allowance received if the sum of the member's current salary plus disability retirement allowance equals an amount in excess of one hundred twenty-five percent of the member's current salary.**

2. Effective October 1, 1999, the nonduty disability retirement allowance will be increased by fifteen percent of the member's average final compensation for each unmarried dependent child of the disabled member who is under the age of eighteen, or who, regardless of age, is totally and permanently mentally or physically disabled and incapacitated from engaging in gainful occupation sufficient to support himself or herself.

3. Any member receiving benefits pursuant to the provisions of this section immediately prior to October 1, 1999, shall upon application to the board of trustees be made, constituted, appointed and employed by the board of trustees as a special consultant on the problems of retirement, aging and other matters while the member is receiving such benefits, and upon request of the board of trustees shall give opinions in writing or orally in response to such requests as may be required. Beginning October 1, 1999, for such services as may be required, there shall be payable an additional monthly compensation of one hundred dollars or five percent of the member's average final compensation, whichever is greater, for each unmarried dependent child of the member.

4. Any benefit payable to or for the benefit of a child or children under the age of eighteen years pursuant to the provisions of subsections 2 and 3 of this section shall continue to be paid beyond the age of eighteen years through the age of twenty-two years in those cases where the child is a full-time student at a regularly accredited college, business school, nursing school, school for technical or vocational training, or university, but such extended benefit shall cease whenever the child ceases to be a student. A college or university shall be deemed to be regularly accredited which maintains membership in good standing in a national or regional accrediting agency recognized by any state college or university.

5. No benefits pursuant to this section shall be paid to a child over eighteen years of age who is totally and permanently disabled if such child is a patient or resident of a public-supported institution, nor shall such benefits be paid unless such disability occurred prior to such child reaching the age of eighteen.

86.263. 1. Any member in active service who is permanently unable to perform the full and unrestricted duties of a police officer as the natural, proximate, and exclusive result of an accident occurring within the actual performance of duty at some definite time and place, through no negligence on the member's part, shall be retired by the board of trustees of the police retirement system upon certification by the medical board that the member is mentally or physically unable to perform the full and unrestricted duties of a police officer, that the inability is permanent or likely to become permanent, and that the member should be retired. The inability to perform the "full and unrestricted duties of a police officer" means the member is unable to perform all the essential job functions for the position of police officer as established by the chief of police.

2. No member shall be approved for retirement under the provisions of subsection 1 of this section unless the application was made and submitted by the chief of police or a member no later than five years following the date of accident, provided, that if the accident was reported within five years of the date of the accident and an examination made of the member within thirty days of the date of accident by a health care provider whose services were provided through the chief of police with subsequent examinations made as requested, then an application made more than five years following the date of the accident shall be considered timely.

3. Once each year during the first five years following a member's retirement, and at least once in every three-year period thereafter, the board of trustees may require any disability beneficiary who has not yet attained sixty years of age to undergo a medical examination or medical examinations at a place designated by the medical board or such physicians as the medical board appoints. If any disability beneficiary who has not attained sixty years of age refuses to submit to a medical examination, his or her disability ~~[pension]~~ **retirement allowance** may be discontinued by the board of trustees of the police retirement system until his or her withdrawal of such refusal, and if his or her refusal continues for one year, all rights in and to such ~~[pension]~~ **disability retirement allowance** may be revoked by the board of trustees.

4. If the medical board certifies to the board of trustees that a disability beneficiary is able to perform the duties of a police officer, then such beneficiary's disability ~~[pension]~~ **retirement allowance** shall cease.

5. If upon cessation of a disability ~~[pension]~~ **retirement allowance** under subsection 4 of this section, the former disability beneficiary is restored to active service, he or she shall again become a member, and he or she shall contribute thereafter at the same rate as other members. Upon his or her subsequent retirement, he or she shall be credited with all of his or her active service time as a member including the service time prior to receiving disability retirement, but not including any time during which the former disability beneficiary received a disability ~~[pension]~~ **retirement allowance** under this section.

6. If upon cessation of a disability ~~[pension]~~ **retirement allowance** under subsection 4 of this section, the former disability beneficiary is not restored to active service, such former disability beneficiary shall be entitled to the retirement benefit to which such former disability beneficiary would have been entitled if such former disability beneficiary had terminated service for any reason other than dishonesty or being convicted of a felony at the time of such cessation of such former disability beneficiary's disability ~~[pension]~~ **retirement allowance**. For purposes of such retirement benefits, such former disability beneficiary shall be credited with all of the former disability beneficiary's active service time as a member, but not including any time during which the former disability beneficiary received a disability ~~[beneficiary pension]~~ **retirement allowance** under this section.

86.267. 1. Upon termination of employment as a police officer and actual retirement for accidental disability, other than permanent total disability as defined in subsection 2 of this section, a member shall receive a **disability** retirement allowance of seventy-five percent of the member's average final compensation.

2. Any member who, as the natural and proximate result of an accident occurring at some definite time and place in the actual performance of the member's duty through no negligence on the member's part, is permanently and totally incapacitated from performing any work, occupation or vocation of any kind whatsoever shall receive a **disability** retirement allowance as under subsection 1 of this section or, in the discretion of the board of trustees, may receive a larger **disability** retirement allowance in an amount not exceeding the member's rate of compensation as a policeman in effect as of the date the allowance begins.

3. The board of trustees, in its discretion, may, in addition to the **disability retirement** allowance granted in accordance with the provisions of subsections 1 and 2 of this section, grant an allowance in an amount to be determined by the board of trustees, to provide such member with surgical, medical and hospital care reasonably required after retirement, which are the result and in consequence of the accident causing such disability.

4. Any person who is receiving benefits pursuant to subsection 2 of this section on or after August 28, 1997, and any person who is receiving benefits pursuant to subsection 1 of this section on or after October 1, 2001, and who made mandatory contributions to the retirement system, upon application to the board of trustees, shall be made, constituted, appointed and employed by the board of trustees as a special consultant on the problems of retirement, aging and other matters, and upon request of the board of trustees shall give opinions and be available to give opinions in writing or orally, in response to such requests, as may be required. For such services the retired member shall be paid a lump sum payment in an amount equal to the total amount of the member's mandatory contributions to the retirement system, without interest, within sixty days after approval of the retired member's application by the board of trustees.

86.277. Should a disabled member be restored to active service, such member's disability **retirement** allowance shall cease. The disabled member shall again become a member and shall contribute thereafter at the same rate in effect prior to disability. Any prior service certificate on the basis of which the member's service was computed at the time of retirement shall be restored to full force and effect and in addition upon the member's subsequent retirement, the member shall be credited with all service as a member, and if the member's then average final compensation is less than the average final compensation used in determining the member's disability **retirement** allowance, the latter amount shall be used in determining benefits.

86.283. Upon receipt of proper proofs of the death of a retired member who retired while in service, including retirement for service, ~~ordinary~~ **nonduty** disability or accidental disability, and provided no other benefits are payable from the retirement system, there shall be paid the following benefits:

(1) Effective October 1, 1999, a pension to the surviving spouse until the surviving spouse dies or remarries, whichever is earlier, of forty percent of the deceased member's average final compensation plus fifteen percent of such compensation to, or for the benefit of, each unmarried dependent child of the deceased member, who is either under the age of eighteen, or who, regardless of age, is totally and permanently mentally or physically disabled and incapacitated from engaging in a gainful occupation sufficient to support himself or herself;

(2) Any surviving spouse or unmarried dependent child receiving benefits pursuant to this section immediately prior to October 1, 1999, shall upon application to the board of trustees be made, constituted, appointed and employed by the board of trustees as a special consultant on the problems of retirement, aging and other matters while the surviving spouse or unmarried dependent child is receiving such benefits, and upon request of the board of trustees shall give opinions in writing or orally in response to such requests as may be required. Beginning October 1, 1999, for such services as may be required, a surviving spouse shall receive additional monthly compensation equal to the amount which when added to the benefits the surviving spouse was receiving pursuant to this section prior to October 1, 1999, determined without regard to any increase applied to such benefits prior to October 1, 1999, pursuant to subdivision (8) of this section, will increase the surviving spouse's total monthly payment pursuant to this section to forty percent of the deceased member's average final compensation, and there shall be payable an additional monthly compensation of one hundred dollars or five percent of the member's average final compensation, whichever is greater, for each unmarried dependent child of the member. The additional monthly compensation payable to a surviving spouse pursuant to this subdivision shall be adjusted for any cost-of-living increases that apply to the benefit the surviving spouse was receiving prior to October 1, 1999;

(3) If no surviving spouse benefits are payable pursuant to subdivisions (1) and (2) of this section, such total pension as would have been paid pursuant to subdivisions (1) and (2) of this section had there been a surviving spouse, determined without regard to any increase which would have applied to the surviving spouse's benefits pursuant to subdivision (8) of this section, shall be divided among the unmarried dependent children under age eighteen and unmarried dependent children, regardless of age, who are totally and permanently mentally or physically disabled and incapacitated from engaging in a gainful occupation sufficient to support themselves. The benefit shall be divided equally among the eligible dependent children, and the share of a child who is no longer eligible shall be divided equally among the remaining eligible dependent children; provided that not more than one-half of the surviving spouse's benefits shall be paid for one child;

(4) No benefits pursuant to this section shall be paid to a child over eighteen years of age who is totally and permanently disabled if such child is a patient or resident of a public-supported institution, nor shall such benefits be paid unless such disability occurred prior to such child reaching the age of eighteen;

(5) Whenever any dependent child designated by the board of trustees to receive benefits pursuant to this section is in the care of the surviving spouse of the deceased member, such benefits may be paid to such surviving spouse for the child;

(6) In the event of the death of a retired member receiving accidental disability benefits before such benefits have been paid for five years, the member's surviving spouse until the surviving spouse dies or remarries, whichever is earlier, shall receive an additional pension of ten percent of the deceased member's final average compensation;

(7) Any benefit payable to, or for the benefit of, a child or children under the age of eighteen years pursuant to subdivisions (1) to (3) of this section shall continue to be paid beyond the age of eighteen years through the age of twenty-two years if the child is a full-time student at a regularly accredited college, business school, nursing school, school for technical or vocational training, or university, but such extended benefit shall cease whenever the child ceases to be a student. A college or university shall be deemed to be regularly accredited which maintains membership in good standing in a national or regional accrediting agency recognized by any state college or university;

(8) The benefits payable pursuant to this section to the surviving spouse of a retired member who received or was entitled to receive a service retirement allowance shall be increased in the same percentages and pursuant to the same method as is provided in section 86.253 for adjustments in the service retirement allowance of a retired member.

86.288. In addition to any other benefits payable, notwithstanding any provisions of sections 86.280 and 86.287 to the contrary, if a member **who commenced employment before October 1, 2018**, dies while commissioned as a peace officer, or after retiring and before receiving a refund of the member's mandatory contributions in accordance with section 86.253 or 86.290, or while receiving a disability retirement allowance in accordance with section 86.253 or 86.257, the total amount of the member's mandatory contributions to the retirement system shall be paid without interest to the surviving spouse of such member. Payment pursuant to this section shall be made within sixty days after the later of the date proper proofs of death are provided or August 28, 1994, regardless of when the member died or actually retired, provided that the surviving spouse shall be alive on the date that payment is made.

86.290. **Except in the case of a member who commenced employment for the first time on or after October 1, 2018, who is not vested under section 86.354**, should a member cease to be a policeman except by death or actual retirement, the member may request payment of the amount of the accumulated contributions standing to the credit of the member's individual account, including members' interest, in which event such amount shall be paid to the member not later than one year after the member ceases to be a policeman. If the former member is reemployed as a policeman before any portion of such former member's accumulated contributions is distributed, no distribution shall be made. If the former member is reemployed as a policeman after a portion of the former member's accumulated contributions is distributed, the amount remaining shall also be distributed.

86.320. 1. **(1)** The board of trustees shall certify to the chief of police who shall cause to be deducted, **prior to taxation**, from the salary of each member **hired before October 1, 2018**, on each and every payroll for each and every pay period, ~~seven~~ **eight** percent of the compensation of each member who is not participating in the DROP, including each member whose participation in the DROP has ended and who has returned to active participation in the system pursuant to section 86.251, and zero percent of the compensation of each member who is participating in the DROP or whose participation in the DROP has ended but who has not returned to active participation in the system pursuant to section 86.251.

(2) The board of trustees shall certify to the chief of police who shall cause to be deducted, prior to taxation, from the salary of each member hired on or after October 1, 2018, on each and every payroll for each and every pay period, nine percent of the compensation of each member who is not participating in the DROP and zero percent of the compensation of each member who is participating in the DROP.

2. The deductions provided for in this section shall be made notwithstanding that the minimum compensation provided by law for any member shall be reduced thereby. Every member shall be deemed to consent to the deductions made and provided for in this section, and shall receipt for the member's full salary or compensation and payment of salary or compensation less such deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for services rendered during the period covered by the payment except as to benefits provided by sections 86.200 to 86.366. The chief of police shall certify to the board of trustees on each and every payroll or in such other manner as the board of trustees shall prescribe the amount deducted, and such amounts shall be paid into the system and shall be credited together with members' interest thereon to the individual account of the member from whose compensation such deduction was made.

3. The board of trustees is authorized to grant additional benefits for such parts of contributions as were made prior to the adoption of the seven-percent rate for all members which were in excess of the compulsory contributions required of each member.

86.330. **1.** After each annual valuation, the actuary engaged by the board to make the valuation required by sections 86.200 to 86.366, shall determine the normal contribution rate. The normal contribution rate shall be the rate percent of the earnable compensation of all members obtained by deducting from the total liabilities of the retirement system the amount of the assets in hand to the credit of the retirement system and the present value of expected future member contributions and dividing the remainder by one percent of the present value of the prospective future compensation of all members as computed on the basis of mortality and service tables and interest assumptions adopted by the board of trustees.

2. Notwithstanding the provisions of subsection 1 of this section, if a city not within a county adopts an ordinance as described in subsection 2 of section 86.344, then, after the effective date of such ordinance, for each annual valuation for the first of the plan years beginning with the plan year of such adoption and each subsequent year, the actuary engaged by the board to make the valuation required by sections 86.200 to 86.366 shall determine the normal cost for such year using the entry age normal actuarial cost method as described in this subsection. Under the entry age normal actuarial cost method, the actuarial present value of the projected benefits of each individual included in an actuarial valuation is allocated on a level basis over the service of the individual between entry age and assumed exit age. The portion of this actuarial present value allocated to a valuation year is called the "normal cost".

86.333. **1.** At the first valuation after the effective date of these amendments the actuary engaged by the board of trustees shall compute the rate percent of the total earnable compensation of all members which is equivalent to four percent of the amount of the total unfunded benefit liability on account of all members and beneficiaries which is not dischargeable by the aforesaid normal contribution made on account of such members during the remainder of their active service. The rate percent originally so determined shall be known as "the accrued liability contribution rate".

2. (1) Notwithstanding the provisions of subsection 1 of this section, if a city not within a county adopts an ordinance as described in subsection 2 of section 86.344, then, after each annual valuation for plan years beginning with the year of such adoption, the actuary engaged by the board to make the valuation required by sections 86.200 to 86.366 shall determine the actuarial accrued liability under the entry age normal actuarial cost method. Under the entry age normal actuarial cost method, the actuarial present value of the projected benefits of each individual included in an actuarial valuation is allocated on a level basis over the service of the individual between entry age and assumed exit age. The portion of this actuarial present value not provided for at a valuation date by the actuarial present value of future normal costs is called the "actuarial accrued liability".

(2) The actuary shall determine the initial unfunded actuarial accrued liability as the amount by which the actuarial accrued liability exceeds the actuarial value of the assets of the retirement system. The amortization payment for the initial unfunded actuarial accrued liability as of October 1, 2018, shall be determined as a level percentage of payroll for a twenty-year period. The amortization period for subsequent years for the initial unfunded accrued liability shall decline by one year for each of the next twenty years. Any changes in the unfunded accrued liability that result from experience gains and losses, changes in actuarial assumptions, and changes in plan benefits for plan years beginning on or after October 1, 2018, shall be amortized in accordance with policies and procedures adopted by the board. Such policies shall include the period of amortization and pattern of payments, provided that the period of amortization is no more than thirty years. Other than the initial unfunded liability, the board may combine amortization periods in the interest of efficiency if the effect upon the contribution calculation is not considered material. Such policies adopted by the board shall be based on the advice of the system's actuary and shall comply with all applicable actuarial standards of practice.

86.337. **1.** The total amount payable to the retirement system for each fiscal year shall be not less than the normal contribution rate of the total compensation earnable by all members during the year; provided, however, that the aggregate payment by the said cities shall be sufficient when combined with the assets of the retirement system to provide the pensions and other benefits payable during the then current year.

2. Notwithstanding the provisions of subsection 1 of this section, if a city not within a county adopts an ordinance as described in subsection 2 of section 86.344, the total amount payable to the retirement system for each plan year, beginning on or after October first of the year of the adoption of such ordinance, shall be not less than the greater of the following:

- (1) The sum of:**
 - (a) The normal cost determined under section 86.330; and**
 - (b) The unfunded accrued liability contribution determined under section 86.333; or**
- (2) The amount, when combined with the assets of the retirement system, required to provide the pensions and other benefits payable during the then current plan year.**

86.344. **1.** On or before the first day of March of each year the board of trustees shall certify to the board of estimate and apportionment of the city the amounts which will become due and payable during the year next following for expenses pursuant to subsection 2 of section 86.343 and the cost of benefits as determined pursuant to

section 86.337. The amounts so certified shall be appropriated by the city and transferred to the retirement system in equal payments in the first six months of the ensuing year.

2. The city may change the actuarial formula by which such amounts are calculated to the entry age normal actuarial cost method. The city may adopt an ordinance authorizing the change to the entry age normal actuarial cost method, which ordinance shall include the city's expressed acknowledgment that the benefit calculation formula change is undertaken voluntarily and not under compulsion by the state of Missouri, so that the conversion does not implicate the provisions of article X, sections 16 to 23 of the Constitution of Missouri. If either the provisions of this subsection or the city's adoption of the entry age normal actuarial cost method is determined by a final judgment of a court of competent jurisdiction to violate article X, sections 16 to 23 of the Constitution of Missouri, then this subsection and subsection 2 of section 86.330, subsection 2 of section 86.333, and subsection 2 of section 86.337 referencing this subsection shall be null and void, the method of calculation shall revert to the method used before the effective date of this subsection, and the board of trustees shall certify to the board of estimate and apportionment of the city the amounts that will become due and payable during the year based upon the formula described in subsection 1 of section 86.330, subsection 1 of section 86.333, and subsection 1 of section 86.337.

86.354. **1.** A member's benefit shall be one hundred percent vested and nonforfeitable upon the first of the following to occur:

- (1) The member's attainment of age fifty-five, the normal retirement age; or
- (2) The member's completion of twenty years of creditable service regardless of age; or
- (3) The termination of the plan established pursuant to sections 86.200 to 86.366, to the extent the plan is funded.

2. Notwithstanding any provision in subsection 1 of this section to the contrary:

- (1) Any member who commenced employment before October 1, 2018, who has completed a total of twenty years of creditable service is eligible for retirement at any age; and
- (2) Any member who commenced employment for the first time on or after October 1, 2018, who is one hundred percent vested due to the completion of ten years of creditable service shall not be eligible to receive a retirement allowance until the age of fifty-five.

3. Forfeitures of any nature under such plan shall not be used to increase the benefits of any member, but shall be used to reduce the city's contributions pursuant to section 86.243.

86.355. Any member's retirement allowance under the provisions of sections 86.200 to 86.366 shall not be affected by where such member resides at any time during the members employment or retirement.";

2. ~~[As a condition for the award of any contract or grant in excess of five thousand dollars by the state or by any political subdivision of the state to a business entity, or for any business entity receiving a state administered or subsidized tax credit, tax abatement, or loan from the state, the business entity shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. ~~3.]~~ All ~~[public]~~ employers, **public or private, and business entities** shall enroll and actively participate in a federal work authorization program.

~~[4.]~~ **3.** An employer ~~[may enroll and participate in a federal work authorization program and]~~ **or business entity** shall verify the employment eligibility of every employee in the employer's **or business entity's** hire whose employment commences after the employer **or business entity** enrolls in a federal work authorization program. The employer **or business entity** shall retain a copy of the dated verification report received from the federal government. ~~[Any]~~ **A business entity [that participates] enrolling and participating** in such program shall have an affirmative defense that such business entity has not violated subsection 1 of this section.

~~[5.]~~ **4.** A general contractor or subcontractor of any tier shall not be liable under sections 285.525 to 285.550 when such general contractor or subcontractor contracts with its direct subcontractor who violates subsection 1 of this section, if the contract binding the contractor and subcontractor affirmatively states that the direct subcontractor is not knowingly in violation of subsection 1 of this section and shall not henceforth be in such violation and the contractor or subcontractor receives a sworn affidavit under the penalty of perjury attesting to the fact that the direct subcontractor's employees are lawfully present in the United States.

285.535. 1. The attorney general shall enforce the requirements of sections 285.525 to 285.550.

2. An enforcement action shall be initiated by means of a written, signed complaint under penalty of perjury as defined in section 575.040 to the attorney general submitted by any state official, business entity, or state resident. A valid complaint shall include an allegation which describes the alleged violator as well as the actions constituting the violation, and the date and location where such actions occurred. A complaint which alleges a violation solely or primarily on the basis of national origin, ethnicity, or race shall be deemed invalid and shall not be enforced.

3. Upon receipt of a valid complaint, the attorney general shall, within fifteen business days, request identity information from the business entity regarding any persons alleged to be unauthorized aliens. Such request shall be made by certified mail. The attorney general shall direct the applicable municipal or county governing body to suspend any applicable license, permit, or exemptions of any business entity which fails, within fifteen business days after receipt of the request, to provide such information.

4. The attorney general, after receiving the requested identity information from the business entity, shall submit identity data required by the federal government to verify, under 8 U.S.C. 1373, the immigration status of such persons, and shall provide the business entity with written notice of the results of the verification request:

(1) If the federal government notifies the attorney general that an employee is authorized to work in the United States, the attorney general shall take no further action on the complaint;

(2) If the federal government notifies the attorney general that an employee is not authorized to work in the United States, the attorney general shall proceed on the complaint as provided in subsection 5 of this section;

(3) If the federal government notifies the attorney general that it is unable to verify whether an employee is authorized to work in the United States, the attorney general shall take no further action on the complaint until a verification from the federal government concerning the status of the individual is received. At no point shall any state official attempt to make an independent determination of any alien's legal status without verification from the federal government.

5. ~~[(1) If the federal government notifies the attorney general that an employee is not authorized to work in the United States, and the employer of the unauthorized alien participates in a federal work authorization program, there shall be a rebuttable presumption that the employer has met the requirements for an affirmative defense under subsection 4 of section 285.530, and the employer shall comply with subsection 6 of this section.—~~

~~————(2)] If the federal government notifies the attorney general that an employee is not authorized to work in the United States, the attorney general shall bring a civil action in the circuit court of Cole County if the attorney general reasonably believes the business entity [knowingly] violated subsection 1 of section 285.530[—~~

~~————(a) If the court finds that a business entity did not knowingly violate subsection 1 of section 285.530, the employer shall have fifteen business days to comply with subdivision (1) and paragraph (a) of subdivision (2) of subsection 6 of this section. If the entity fails to do so, the court shall direct the applicable municipal or county governing body to suspend the business permit, if such exists, and any applicable licenses or exemptions of the entity until the entity complies with subsection 6 of this section;—~~

~~————(b) If the court finds that a business entity knowingly violated subsection 1 of section 285.530, the court shall direct the applicable municipal or county governing body to suspend the business permit, if such exists, and any applicable licenses or exemptions of such business entity for fourteen days. Permits, licenses, and exemptions shall be reinstated for entities who comply with subsection 6 of this section at the end of the fourteen day period].~~

(1) Upon a finding of a first violation of section 285.530 by a business entity, the court shall order the suspension of all licenses that are held by the business entity for a minimum of one day and a maximum of thirty days.

(2) Upon a finding of a second violation of section 285.530 by a business entity, the court shall order the suspension of all licenses that are held by the business entity for a minimum of thirty days and a maximum of one year.

(3) Upon a finding of a third violation of section 285.530 by a business entity, the court shall order the permanent suspension of all licenses that are held by the business entity as well as the revocation of the business entity's registration as a corporation, limited liability company, or limited partnership in the state of Missouri, if applicable.

6. ~~[The correction of a violation with respect to the employment of an unauthorized alien shall include the following actions:—~~

~~————(1) (a) The business entity terminates the unauthorized alien's employment. If the business entity attempts to terminate the unauthorized alien's employment and such termination is challenged in a court of the state of Missouri, the fifteen business day period for providing information to the attorney general referenced in subsection 3 of this section shall be tolled while the business entity pursues the termination of the unauthorized alien's employment in such forum; or—~~

~~————(b) The business entity, after acquiring additional information from the employee, requests a secondary or additional verification by the federal government of the employee's authorization, under the procedures of a federal work authorization program. While this verification is pending, the fifteen business day period for providing information to the attorney general referenced in subsection 3 of this section shall be tolled; and—~~

~~————(2) A legal representative of the business entity submits, at an office designated by the attorney general, the following:—~~

~~————(a) A sworn affidavit stating that the violation has ended that shall include a description of the specific measures and actions taken by the business entity to end the violation, and the name, address, and other adequate identifying information for any unauthorized aliens related to the complaint; and—~~

~~_____ (b) Documentation acceptable to the attorney general which confirms that the business entity has enrolled in and is participating in a federal work authorization program.~~

~~_____ 7. The suspension of a business license or licenses under subsection 5 of this section shall terminate one business day after a legal representative of the business entity submits the affidavit and other documentation required under subsection 6 of this section following any period of restriction required under subsection 5 of this section.~~

~~_____ 8. For an entity that violates subsection 1 of section 285.530 for a second time, the court shall direct the applicable municipal or county governing body to suspend, for one year, the business permit, if such exists, and any applicable license or exemptions of the business entity. For a subsequent violation, the court shall direct the applicable municipal or county governing body to forever suspend the business permit, if such exists, and any applicable license or exemptions of the business entity.~~

~~_____ 9.] In addition to the penalties in [subsections] **subsection 5** [and 8] of this section:~~

(1) Upon the first violation of subsection 1 of section 285.530 by any business entity awarded a state contract or grant or receiving a state-administered tax credit, tax abatement, or loan from the state, the business entity shall be deemed in breach of contract and the state may terminate the contract and suspend or debar the business entity from doing business with the state for a period of three years. Upon such termination, the state may withhold up to twenty-five percent of the total amount due to the business entity;

(2) Upon a second or subsequent violation of subsection 1 of section 285.530 by any business entity awarded a state contract or grant or receiving a state-administered tax credit, tax abatement, or loan from the state, the business entity shall be deemed in breach of contract and the state may terminate the contract and permanently suspend or debar the business entity from doing business with the state. Upon such termination, the state may withhold up to twenty-five percent of the total amount due to the business entity.

~~[10.] 7. Sections 285.525 to 285.550 shall not be construed to deny any procedural mechanisms or legal defenses included in a federal work authorization program.~~

~~[11.] 8. Any business entity subject to a complaint and subsequent enforcement under sections 285.525 to 285.540, or any employee of such a business entity, may challenge the enforcement of this section with respect to such entity or employee in the courts of the state of Missouri.~~

~~[12.] 9. If the court finds that any complaint is frivolous in nature or finds no probable cause to believe that there has been a violation, the court shall dismiss the case. For purposes of this subsection, "frivolous" shall mean a complaint not shown by clear and convincing evidence to be valid. Any person who submits a frivolous complaint shall be liable for actual, compensatory, and punitive damages to the alleged violator for holding the alleged violator before the public in a false light. If the court finds that a complaint is frivolous or that there is not probable cause to believe there has been a violation, the attorney general shall issue a public report to the complainant and the alleged violator stating with particularity its reasons for dismissal of the complaint. Upon such issuance, the complaint and all materials relating to the complaint shall be a public record as defined in chapter 610.~~

~~[13.] 10. The determination of whether a worker is an unauthorized alien shall be made by the federal government. A determination of such status of an individual by the federal government shall create a rebuttable presumption as to that individual's status in any judicial proceedings brought under this section or section 285.530. The court may take judicial notice of any verification of an individual's status previously provided by the federal government and may request the federal government to provide automated or testimonial verification.~~

~~[14.] 11. Compensation, whether in money or in kind or in services, [knowingly] provided to any unauthorized alien shall not be allowed as a business expense deduction from any income or business taxes of this state.~~

~~[15.] 12. Any business entity which terminates an employee in accordance with this section shall not be liable for any claims made against the business entity under chapter 213 for the termination.~~

13. Any costs incurred by the business entity for participating in a federal work authorization program may be deducted from the business entity's income or business taxes in this state.

285.555. Should the federal government discontinue or fail to authorize or implement any federal work authorization program, then subsections 2 and 3 of section 285.530 ~~[and paragraph (b) of subdivision (1) of subsection 6 of section 285.535 and paragraph (b) of subdivision (2) of subsection 6 of section 285.535]~~ shall not apply after the date of discontinuance or failure to authorize or implement, and the general assembly shall review sections 285.525 to 285.555 for the purpose of determining whether the sections are no longer applicable and should be repealed."; and

Further amend said bill, Page 14, Section 285.750, Line 26, by inserting after all of said section and line the following:

"Section B. The repeal and reenactment of sections 285.530, 285.535, and 285.555 of this act shall become effective January 1, 2019."; and

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

O give thanks unto the Lord, for He is good: for His mercy endureth forever. (Psalm 118:29)

O God from whom flows the life that is in us all, we thank You for the mercies You give us so freely. For family and friends, for homes in which love rules, for sacred places where we can worship as we desire, for a Country that is free, we thank You. For duties that make us strong, for truth that enforces our attempts for justice, and for love which surrounds us in our search for peace, we thank You.

Strengthen us to fight against every enemy of the human spirit, to stand bravely for what is true, right, and good, and help us to live our own lives so that when night comes we may not only receive praise from You but also have the inner assurance of having fought a good fight and having kept the faith.

Bless our dear ones with the gift of Your grace, comfort the sorrowing, heal the sick, and give light to all who sit in darkness.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was led by Addison Redmon.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Oliver Curtman, Piper Curtman, Carolina Vallé Franca, Adam Bartow, Michael Rentchler, and Colleen Rentchler.

"198.610. 1. The provisions of sections 198.610 to 198.630 shall be known and may be cited as the "Authorized Electronic Monitoring in Long-Term Care Facilities Act".

2. For purposes of sections 198.610 to 198.630, the following terms shall mean:

(1) "Authorized electronic monitoring", the placement and use of an electronic monitoring device by a resident in his or her room in accordance with the provisions of sections 198.610 to 198.630;

(2) "Department", the department of health and senior services;

(3) "Electronic monitoring device", a surveillance instrument with a fixed position video camera or an audio recording device, or a combination thereof, that is installed in a resident's room under the provisions of sections 198.610 to 198.630 and broadcasts or records activity or sounds occurring in the room;

(4) "Facility", any residential care facility, assisted living facility, intermediate care facility, or skilled nursing facility;

(5) "Resident", a person residing in a facility;

(6) "Resident's representative", a resident's legal representative.

198.612. 1. A resident may be permitted to conduct authorized electronic monitoring of the resident's room through the use of electronic monitoring devices placed in the room under the provisions of sections 198.610 to 198.630 if the facility in which the resident resides permits electronic monitoring devices in its policies and procedures, and the electronic monitoring devices comply with the facility's requirements therein.

2. Nothing in sections 198.610 to 198.630 shall be construed to allow the use of an electronic monitoring device to take still photographs or for the nonconsensual interception of private communications.

3. Except as otherwise provided in this section, a resident, a resident's representative, or the parent of a resident under eighteen years of age and the facility shall consent in writing on a notification and consent form prescribed by the department in order for authorized electronic monitoring to be conducted in the resident's room. If the resident has not affirmatively objected to the authorized electronic monitoring and the resident's physician determines that the resident lacks the ability to understand and appreciate the nature and consequences of electronic monitoring, the following individuals may consent on behalf of the resident in order of priority:

- (2) The resident's representative;

4. Prior to another person, other than a resident's representative, consenting on behalf of a resident eighteen years of age or older in accordance with the provisions of sections 198.610 to 198.630, the resident shall be asked by that person, in the presence of a facility employee, if he or she wants authorized electronic monitoring to be conducted. The person shall explain to the resident:

- (3) With whom the recording may be shared according to section 198.622; and
- (4) The resident's ability to decline all recording.

For the purposes of this subsection, a resident affirmatively objects if he or she orally, visually, or through the use of auxiliary aids or services declines authorized electronic monitoring. The resident's response shall be documented on the notification and consent form.

- (6) The roommate's adult brother or sister who has the written consent of all other adult siblings of the roommate to act as the sole decision maker regarding authorized electronic monitoring.

7. Consent by a roommate under subsection 6 of this section authorizes the resident's use of any recording obtained under sections 198.610 to 198.630 as provided under section 198.622.

8. Any resident previously conducting authorized electronic monitoring shall obtain consent from any new roommate before the resident may resume authorized electronic monitoring. If a new roommate does not consent to authorized electronic monitoring and the resident conducting the authorized electronic monitoring does not remove or disable the electronic monitoring device, the facility may turn off the device.

9. Consent may be withdrawn by the resident or roommate at any time, and the withdrawal of consent shall be documented in the resident's clinical record. If a roommate withdraws consent and the resident conducting the authorized electronic monitoring does not remove or disable the electronic monitoring device, the facility may turn off the electronic monitoring device.

House Amendment No. 4

AMEND House Committee Substitute for House Bill No. 2265, Page 8, Section 393.170, Line 18, by inserting immediately after said section and line the following:

"393.1025. As used in sections 393.1020 to 393.1030, the following terms mean:

- (1) "Commission", the public service commission;
- (2) "Department", the department of natural resources;
- (3) "Electric utility", any electrical corporation as defined by section 386.020;
- (4) **"Processed solid biomass engineered fiber fuel", any fuel derived from raw biomass feedstock produced in this state that is changed from its original form by pyrolysis or other thermal or thermochemical conversion in a manufacturing process resulting in a solid fuel product with a heat value of at least eight thousand four hundred British Thermal Units per pound on an as-received basis;**

(5) "Renewable energy credit" or "REC", a tradeable certificate of proof that one megawatt-hour of electricity has been generated from renewable energy sources; ~~and~~

~~[(5)]~~ (6) "Renewable energy resources", electric energy produced from wind, solar thermal sources, photovoltaic cells and panels, dedicated crops grown for energy production, cellulosic agricultural residues, plant residues, **processed solid biomass engineered fiber fuel**, methane from landfills, from agricultural operations, or from wastewater treatment, thermal depolymerization or pyrolysis for converting waste material to energy, clean and untreated wood such as pallets, hydropower (not including pumped storage) that does not require a new diversion or impoundment of water and that has a nameplate rating of ten megawatts or less, fuel cells using hydrogen produced by one of the above-named renewable energy sources, and other sources of energy not including nuclear that become available after November 4, 2008, and are certified as renewable by rule by the department.

393.1030. 1. The commission shall, in consultation with the department, prescribe by rule a portfolio requirement for all electric utilities to generate or purchase electricity generated from renewable energy resources. Such portfolio requirement shall provide that electricity from renewable energy resources shall constitute the following portions of each electric utility's sales:

- (1) No less than two percent for calendar years 2011 through 2013;
- (2) No less than five percent for calendar years 2014 through 2017;
- (3) No less than ten percent for calendar years 2018 through 2020; and
- (4) No less than fifteen percent in each calendar year beginning in 2021.

At least two percent of each portfolio requirement shall be derived from solar energy. The portfolio requirements shall apply to all power sold to Missouri consumers whether such power is self-generated or purchased from another source in or outside of this state. A utility may comply with the standard in whole or in part by purchasing RECs. Each kilowatt-hour of eligible energy generated in Missouri shall count as 1.25 kilowatt-hours for purposes of compliance. **Each kilowatt-hour of eligible energy generated from processed solid biomass engineered fiber fuel shall count as 1.50 kilowatt-hours for purposes of compliance.**

2. The commission, in consultation with the department and within one year of November 4, 2008, shall select a program for tracking and verifying the trading of renewable energy credits. An unused credit may exist for up to three years from the date of its creation. A credit may be used only once to comply with sections 393.1020 to 393.1030 and may not also be used to satisfy any similar nonfederal requirement. An electric utility may not use a credit derived from a green pricing program. Certificates from net-metered sources shall initially be owned by the customer-generator. The commission, except where the department is specified, shall make whatever rules are necessary to enforce the renewable energy standard. Such rules shall include:

- (1) A maximum average retail rate increase of one percent determined by estimating and comparing the electric utility's cost of compliance with least-cost renewable generation and the cost of continuing to generate or purchase electricity from entirely nonrenewable sources, taking into proper account future environmental regulatory risk including the risk of greenhouse gas regulation. Notwithstanding the foregoing, until June 30, 2020, if the maximum average retail rate increase would be less than or equal to one percent if an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility is ignored for purposes of calculating the

increase, then additional solar rebates shall be paid and included in rates in an amount up to the amount that would produce a retail rate increase equal to the difference between a one percent retail rate increase and the retail rate increase calculated when ignoring an electric utility's investment in solar-related projects initiated, owned, or operated by the electric utility. Notwithstanding any provision to the contrary in this section, even if the payment of additional solar rebates will produce a maximum average retail rate increase of greater than one percent when an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility are included in the calculation, the additional solar rebate costs shall be included in the prudently incurred costs to be recovered as contemplated by subdivision (4) of this subsection;

(2) Penalties of at least twice the average market value of renewable energy credits for the compliance period for failure to meet the targets of subsection 1 of this section. An electric utility will be excused if it proves to the commission that failure was due to events beyond its reasonable control that could not have been reasonably mitigated, or that the maximum average retail rate increase has been reached. Penalties shall not be recovered from customers. Amounts forfeited under this section shall be remitted to the department to purchase renewable energy credits needed for compliance. Any excess forfeited revenues shall be used by the department's energy center solely for renewable energy and energy efficiency projects;

(3) Provisions for an annual report to be filed by each electric utility in a format sufficient to document its progress in meeting the targets;

(4) Provision for recovery outside the context of a regular rate case of prudently incurred costs and the pass-through of benefits to customers of any savings achieved by an electrical corporation in meeting the requirements of this section.

3. As provided for in this section, except for those electrical corporations that qualify for an exemption under section 393.1050, each electric utility shall make available to its retail customers a solar rebate for new or expanded solar electric systems sited on customers' premises, up to a maximum of twenty-five kilowatts per system, measured in direct current that were confirmed by the electric utility to have become operational in compliance with the provisions of section 386.890. The solar rebates shall be two dollars per watt for systems becoming operational on or before June 30, 2014; one dollar and fifty cents per watt for systems becoming operational between July 1, 2014, and June 30, 2015; one dollar per watt for systems becoming operational between July 1, 2015, and June 30, 2016; fifty cents per watt for systems becoming operational between July 1, 2016, and June 30, 2017; fifty cents per watt for systems becoming operational between July 1, 2017, and June 30, 2019; twenty-five cents per watt for systems becoming operational between July 1, 2019, and June 30, 2020; and zero cents per watt for systems becoming operational after June 30, 2020. An electric utility may, through its tariffs, require applications for rebates to be submitted up to one hundred eighty-two days prior to the June thirtieth operational date. Nothing in this section shall prevent an electrical corporation from offering rebates after July 1, 2020, through an approved tariff. If the electric utility determines the maximum average retail rate increase provided for in subdivision (1) of subsection 2 of this section will be reached in any calendar year, the electric utility shall be entitled to cease paying rebates to the extent necessary to avoid exceeding the maximum average retail rate increase if the electrical corporation files with the commission to suspend its rebate tariff for the remainder of that calendar year at least sixty days prior to the change taking effect. The filing with the commission to suspend the electrical corporation's rebate tariff shall include the calculation reflecting that the maximum average retail rate increase will be reached and supporting documentation reflecting that the maximum average retail rate increase will be reached. The commission shall rule on the suspension filing within sixty days of the date it is filed. If the commission determines that the maximum average retail rate increase will be reached, the commission shall approve the tariff suspension. The electric utility shall continue to process and pay applicable solar rebates until a final commission ruling; however, if the continued payment causes the electric utility to pay rebates that cause it to exceed the maximum average retail rate increase, the expenditures shall be considered prudently incurred costs as contemplated by subdivision (4) of subsection 2 of this section and shall be recoverable as such by the electric utility. As a condition of receiving a rebate, customers shall transfer to the electric utility all right, title, and interest in and to the renewable energy credits associated with the new or expanded solar electric system that qualified the customer for the solar rebate for a period of ten years from the date the electric utility confirmed that the solar electric system was installed and operational.

4. The department shall, in consultation with the commission, establish by rule a certification process for electricity generated from renewable resources and used to fulfill the requirements of subsection 1 of this section. Certification criteria for renewable energy generation shall be determined by factors that include fuel type, technology, and the environmental impacts of the generating facility. Renewable energy facilities shall not cause

undue adverse air, water, or land use impacts, including impacts associated with the gathering of generation feedstocks. If any amount of fossil fuel is used with renewable energy resources, only the portion of electrical output attributable to renewable energy resources shall be used to fulfill the portfolio requirements.

5. In carrying out the provisions of this section, the commission and the department shall include methane generated from the anaerobic digestion of farm animal waste and thermal depolymerization or pyrolysis for converting waste material to energy as renewable energy resources for purposes of this section.

6. The commission shall have the authority to promulgate rules for the implementation of this section, but only to the extent such rules are consistent with, and do not delay the implementation of, the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void."; and

Further amend said bill, Page 9, Section 393.1100, Line 31, by inserting immediately after said section and line the following:

"393.1130. 1. This section shall be known and may be cited as "The Nuclear Energy Standard".

2. As used in this section, the following terms shall mean:

(1) "Commission", the public service commission;

(2) "Small modular nuclear reactor", a nuclear reactor based on fission that is approved under federal and state laws and regulations to be constructed in this state and produces less than three hundred megawatts of clean electrical energy;

(3) "Utility", any electrical corporation, as defined under section 386.020, but this term shall not include any electrical corporation as described under subsection 2 of section 393.110.

3. Upon the fulfillment of subsection 4 of this section, the commission shall prescribe by rule that all utilities in this state produce electricity using small modular nuclear reactors such that two percent of each utility's total electricity retail sales are made based on electricity generated by such reactors. The commission shall have discretion with regard to the time for requiring compliance with the nuclear energy standard, but in no case shall it require full compliance less than three years from the fulfillment of the conditions for the effective date of this section. The commission may promulgate such rules or regulations as are necessary to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.

4. This section shall become effective only if a production facility for small modular nuclear reactors has been built in this state and is operational. A facility shall be classified as operational if such facility has produced no fewer than three small modular nuclear reactors in accordance with all federal and state laws and regulations and such reactors are legally available for sale or use. If the commission determines that a production facility is properly operational in accordance with this section, then it shall comply with the requirements of subsection 3 of this section. The commission shall notify the revisor of statutes when a facility has been built and becomes operational.

5. Notwithstanding subsection 3 of this section to the contrary, a utility may petition the commission to satisfy the two percent generation requirement from renewable or hydroelectric sources, or with the purchase of renewable energy credits, as defined in section 393.1025. The commission may grant such a petition upon a finding of undue hardship for compliance or due to a lack of increase in demand for energy generation by the utility."; and

Further amend said bill, Page 21, Section 393.1670, Line 68, by inserting immediately after said section and line the following:

"620.3080. 1. As used in this section, the following terms shall mean:

(1) "Job creation, worker training, and infrastructure development programs", the Missouri works program established under sections 620.2000 to 620.2020, the Missouri business use incentives for large-scale development act established under sections 100.700 to 100.850, the Missouri works training program established under sections 620.800 to 620.809, and the real property tax increment allocation redevelopment act established under sections 99.800 to 99.865;

(2) "Small modular nuclear reactor production facility" or "SMR production facility", a facility, approved under federal and state laws and regulations to be constructed, that produces nuclear reactors based on fission that each produce less than three hundred megawatts of clean electrical energy.

2. Notwithstanding any other provision of law to the contrary, no benefits authorized under job creation, worker training, and infrastructure development programs for an SMR production facility shall be considered in determining compliance with applicable limitations on the aggregate amount of benefits that may be awarded annually or cumulatively under subdivision (3) of subsection 10 of section 99.845, subsection 5 of section 100.850, subsection 7 of section 620.809, and subsection 7 of section 620.2020. No SMR production facility shall be authorized for state benefits under job creation, worker training, and infrastructure development programs that exceed, in the aggregate, one hundred fifty million dollars annually under all such programs."; and

"386.1200. The commission shall have authority to approve programs or rates for electrical corporations that are designed to assist low-income residential customers in restoring or retaining access to essential electric utility services while also seeking to mitigate the adverse financial impacts experienced by other customers as a result of the loss in revenue contribution and the increase in disconnection,

reconnection, collection, call center, and other expenses that occur when such customers cannot maintain utility service. The aggregate impact of any special low-income rate shall be limited to no more than one-half of one percent of the total revenue requirement allocated to the residential customer class used to set rates. The commission shall not require any electrical corporation to verify the financial status of its customers, and shall permit electrical corporations to rely upon a third party or community agency to verify any eligibility requirements approved by the commission in order for a residential customer to qualify for a low-income program or rate approved under this section."; and

(a) Measures, records, or sends a customer's utility usage or other data by use of radio waves or broadband over power lines;

(b) Allows for two-way communication between the meter and the utility or its agent; or

(c) Allows for a utility or its agent to control a customer's thermostat, appliance, or service;

(2) "Traditional meter", an analog or similar meter that is unable to transmit usage information and is only intended to be read by an individual through a visual display. A traditional meter is not designed to be and is not capable of transmitting usage data by using radio waves or broadband over power lines, allowing two-way communication between the meter and the utility or its agents, or allowing a utility or its agents to control a customer's thermostat, appliance, or service. A traditional meter does not include an advanced meter that has certain functionality turned off or deactivated;

(3) "Utility", any entity regulated by the commission under chapter 386 or 393.

2. A utility shall not install an advanced meter, upgrade the functionality of a previously installed advanced meter, or replace a customer's meter with an advanced meter, a traditional meter, or any other type of meter unless:

(1) Prior to such installation, upgrade, or replacement, the utility notifies the customer of the intended installation, upgrade, or replacement. Such notice may be sent by mail, electronic means, telephone, or door hanger. Such notice shall be separate from any billing mailing or notification;

(2) Immediately before performing the installation, upgrade, or replacement, the on-site utility worker or his or her agent attempts to orally inform the customer of the installation, upgrade, or replacement; and

COMMUNICATIONS

March 14, 2018

Mr. Adam Crumbliss
Chief Clerk
Missouri House of Representatives
Missouri State Capitol
Jefferson City, MO 65101

Dear Mr. Crumbliss:

It has come to my attention that in the Journal of the House for Tuesday, March 13, 2018, Representative Josh Peters is listed as voting “aye” on the third reading vote for House Bill 1573.

Since Representative Peters has been absent with leave from the House for several weeks and participated in no other votes on March 13 before or after the vote on House Bill 1573, I believe Representative Peters’ vote on this bill was registered in error. Please take whatever corrective steps you deem appropriate.

Sincerely,

/s/ Gail McCann Beatty

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

FORTY-FIRST DAY, THURSDAY, MARCH 15, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by the Most Reverend W. Shawn McKnight, Bishop of Jefferson City.

Every good tree bringeth forth good fruit. (Matthew 7:17)

We open our minds to You, O God, and pray that Your spirit may come into our hearts, giving us strength and guidance. Remove from within us any bitterness that influences our lives, any resentment that ruins our attitudes, and any worry that drains and wears us out.

Help us to think truthfully and clearly, to speak forcefully and faithfully, and to work heartily and hopefully, and to live trustfully and truly. In this spirit may we learn to do what is best for our State and good for the people we serve and love.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Reece Lawson, Libby Barber, and Brenden McDonald.

The Journal of the fortieth day was approved as printed.

“34.378. 1. The state shall not enter into a contingency fee contract with a private attorney unless the attorney general makes a written determination prior to entering into such a contract that contingency fee representation is both cost effective and in the public interest. Any written determination shall include specific findings for each of the following factors:

- (1) Whether there exists sufficient and appropriate legal and financial resources within the attorney general's office to handle the matter;
- (2) The time and labor required; the novelty, complexity, and difficulty of the questions involved; and the skill requisite to perform the attorney services properly;
- (3) The geographic area where the attorney services are to be provided; and
- (4) The amount of experience desired for the particular kind of attorney services to be provided and the nature of the private attorney's experience with similar issues or cases.

2. If the attorney general makes the determination described in subsection 1 of this section, the attorney general shall request written proposals from private attorneys to represent the state, unless the attorney general determines that requesting proposals is not feasible under the circumstances and sets forth the basis for this determination in writing. If a request for proposals is issued, the attorney general shall choose the lowest and best bid or request **that** the office of administration establish an independent panel to evaluate the proposals and choose the lowest and best bid.

3. The state shall not enter into a contract for contingency fee attorney services unless the following requirements are met throughout the contract period and any extensions to the contract:

- (1) The government attorneys shall retain complete control over the course and conduct of the case;
- (2) A government attorney with supervisory authority shall oversee the litigation;
- (3) The government attorneys shall retain veto power over any decisions made by outside counsel;
- (4) A government attorney with supervisory authority for the case shall attend all settlement conferences; and
- (5) Decisions regarding settlement of the case shall be reserved exclusively to the discretion of the attorney general.

4. The attorney general shall develop a standard addendum to every contract for contingent fee attorney services that shall be used in all cases, describing in detail what is expected of both the contracted private attorney and the state, including, without limitation, the requirements listed in subsection 3 of this section.

5. Copies of any executed contingency fee contract and the attorney general's written determination to enter into a contingency fee contract with the private attorney shall be posted on the attorney general's website for public inspection within five business days after the date the contract is executed and shall remain posted on the website for the duration of the contingency fee contract, including any extensions or amendments to the contract. Any payment of contingency fees shall be posted on the attorney general's website within fifteen days after the payment of such contingency fees to the private attorney and shall remain posted on the website for at least three hundred sixty-five days.

6. Any private attorney under contract to provide services to the state on a contingency fee basis shall, from the inception of the contract until at least four years after the contract expires or is terminated, maintain detailed current records, including documentation of all expenses, disbursements, charges, credits, underlying receipts and invoices, and other financial transactions that concern the provision of such attorney services. The private attorney shall maintain detailed contemporaneous time records for the attorneys and paralegals working on the matter in increments of no greater than one-tenth of an hour and shall promptly provide these records to the attorney general, upon request. Any request under chapter 610 for inspection and copying of such records shall be served upon and responded to by the attorney general's office.

7. **Except as otherwise provided in subsection 8 of this section, a retained private attorney shall not be entitled to a fee, exclusive of any costs and expenses described in subsection 8 of this section, of more than:**

- (1) **Fifteen percent of that portion of any amount recovered that is ten million dollars or less;**
- (2) **Ten percent of that portion of any amount recovered that is more than ten million dollars but less than or equal to fifteen million dollars;**
- (3) **Five percent of that portion of any amount recovered that is more than fifteen million dollars but less than or equal to twenty million dollars; and**
- (4) **Two percent of that portion of any amount recovered that is more than twenty million dollars.**

8. **The total fee payable to all retained private attorneys in any matter that is the subject of a contingency fee contract shall not exceed ten million dollars, exclusive of any costs and expenses provided by the contract and actually incurred by the retained private attorneys, regardless of the number of actions or proceedings or the number of retained private attorneys involved in the matter.**

9. **A contingency fee:**

- (1) **Shall be payable only from moneys that are actually received under a judgment or settlement agreement; and**
- (2) **Shall not be based on any amount attributable to a fine or civil penalty.**

10. **As used in this section, "amount recovered" does not include any moneys paid as costs.**

11. By February first of each year, the attorney general shall submit a report to the president pro tem of the senate and the speaker of the house of representatives describing the use of contingency fee contracts with private attorneys in the preceding calendar year. At a minimum, the report shall:

- (1) Identify all new contingency fee contracts entered into during the year and all previously executed contingency fee contracts that remain current during any part of the year, and for each contract describe:
 - (a) The name of the private attorney with whom the department has contracted, including the name of the attorney's law firm;

 - (c) The name of the parties to the legal matter;

CORRECTION TO THE HOUSE JOURNAL

AFFIDAVIT

I, State Representative DaRon McGee, District 36, hereby state and affirm that my vote was incorrectly recorded as “absent with leave” on the motion by which HB 1573 was read the third time and passed on page 1235 of the Journal of the House for the thirty-ninth day, Tuesday, March 13, 2018. Pursuant to House Rule 94, I ask that the Journal be corrected to note that I was in the chamber while the board was open, and I did, in fact, vote “Aye.”

IN WITNESS WHEREOF, I have hereunto subscribed my hand to this affidavit on this 15th day of March, 2018.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

THIRTY-FOURTH DAY, MONDAY, MARCH 5, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Charlie Davis.

In the words of a great man and wonderful leader, Dr. Martin Luther King Jr.:

Thou Eternal God, out of whose absolute power and infinite intelligence the whole universe has come into being, we humbly confess that we have not loved Thee with our hearts, souls and minds, and we have not loved our neighbors as Christ loved us. We have all too often lived by our own selfish impulses rather than by the life of sacrificial love as revealed by Christ. We often give in order to receive. We love our friends and hate our enemies. We go the first mile but dare not travel the second. We forgive but dare not forget.

And so, as we look within ourselves, we are confronted with the appalling fact that the history of our lives is the history of an eternal revolt against You. But Thou, O God, have mercy upon us. Forgive us for what we could have been but failed to be. Give us the intelligence to know Your will. Give us the courage to do Your will. Give us the devotion to love Your will.

In the name and spirit of Jesus, we pray.

As we prepare to lay to rest our good friend Keith English, I pray for Your Holy Spirit to comfort his wife and family. Give them the peace that transcends our understanding and the love that only YOU can give.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Aminhan Jessica Lobster.

The Journal of the thirty-third day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

THIRTY-FIFTH DAY, TUESDAY, MARCH 6, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The peace of God, which passes all understanding, will keep your hearts and your minds. (Philippians 4:7)

O loving God, who has created us to live in love with You and in love with one another, yet our world is torn by terrorism, our Nation divided, and our own lives troubled, we confess our faults, our lack of understanding, and our failure to love. Forgive us, we pray, and help us from this day forward to be more responsive and positive to You and more willing to act and support the needs of all in this people's House.

Bless this House of Representatives, our Speaker, and all who work with them. May they take time to listen to You and, in so doing, be given insight to see clearly the way to take, courage to walk in that way, and patience to persist. May they be channels through which Your love can bring greater peace, joy, and benefit to those they serve.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was led by ROTC Cadet Abby Lewis.

The Journal of the thirty-fourth day was approved as printed by the following vote:

House Amendment No. 2

AMEND House Bill No. 1442, Page 1, Section 49.060, Line 13, by inserting the following after all of said line:

"59.800. 1. Beginning on July 1, 2001, notwithstanding any other condition precedent required by law to the recording of any instrument specified in subdivisions (1) and (2) of **subsection 1** of section 59.330, an additional fee of five dollars shall be charged and collected by every recorder of deeds in this state on each instrument recorded. The additional fee shall be distributed as follows:

(1) One dollar and twenty-five cents to the recorder's fund established ~~[pursuant to]~~ **under** subsection 1 of section 59.319, provided, however, that all funds received ~~[pursuant to]~~ **under** this section shall be used exclusively for the purchase, installation, upgrade and maintenance of modern technology necessary to operate the recorder's office in an efficient manner;

(2) One dollar and seventy-five cents to the county general revenue fund; and

(3) Two dollars to the fund established in subsection 2 of this section.

2. **(1)** There is hereby established a revolving fund known as the "Statutory County Recorder's Fund", which shall receive funds paid to the recorders of deeds of the counties of this state ~~[pursuant to]~~ **under** subdivision (3) of subsection 1 of this section. The director of the department of revenue shall be custodian of the fund and shall make disbursements from the fund for the purpose of subsidizing the fees collected by counties that hereafter elect or have heretofore elected to separate the offices of clerk of the circuit court and recorder. The subsidy shall consist of the total amount of moneys collected ~~[pursuant to]~~ **under** subdivisions (1) and (2) of subsection 1 of this section subtracted from fifty-five thousand dollars, **except under such circumstances in which the annual average of funds collected under subsection 1 of this section during the previous three calendar years are insufficient to meet all obligations calculated in this subdivision. In such circumstances, the provisions of subdivision (2) of this subsection shall apply.** The moneys paid to qualifying counties ~~[pursuant to]~~ **under** this subsection shall be deposited in the county general revenue fund. For purposes of this section a "qualified county" is a county that hereafter elects or has heretofore elected to separate the offices of clerk of the circuit court and recorder and in which the office of the recorder of deeds collects less than fifty-five thousand dollars in fees ~~[pursuant to]~~ **under** subdivisions (1) and (2) of subsection 1 of this section, on an annual basis. Moneys in the statutory county recorder's fund shall not be considered state funds and shall be deemed nonstate funds.

(2) In the event funds collected under subdivision (3) of subsection 1 of this section are insufficient to meet the obligations under subdivision (1) of this subsection, the director of revenue shall calculate the projected shortfall that would otherwise be incurred based on the formula outlined under subdivision (1) of this subsection. If the fund balance is greater than the annual average disbursement from the fund during the previous three years, up to thirty-three percent of the amount that exceeds the annual three-year average to meet the obligation may be used to meet the obligations. Should this amount be insufficient or unavailable to meet the shortfall, the director of revenue shall set a new requisite amount to determine a qualified county under subdivision (1) of this subsection other than fifty-five thousand dollars, which reflects the revenue collected under subdivision (3) of subsection 1 of this section in addition to thirty-three percent of the excess fund balance."; and

House Amendment No. 1

AMEND House Committee Substitute for House Bill Nos. 1729, 1621 & 1436, Page 6, Section 290.095, Line 15, by inserting immediately after said section and line the following:

"290.400. **1.** As used in sections 290.400 to ~~[290.450]~~ **290.440** the following words have the meanings indicated unless the context clearly requires otherwise:

- (1) "Commission", the labor and industrial relations commission of Missouri;
- (2) "Employee", every woman or man in receipt of or entitled to compensation for labor performed for any employer;
- (3) "Employer", every person, firm, corporation, agent, manager, representative, contractor, subcontractor, principal or other person having control or direction of any woman or man employed at any labor, or responsible directly or indirectly for the wages of another;
- (4) ~~["Female", a woman of eighteen years or over;~~
- ~~———(5)] "Wage rates" or "wages", [any compensation for labor measured by time, piece, or otherwise]~~ **all compensation in any form that an employer provides to employees in payment for work done or services rendered including, but not limited to, base pay, overtime bonuses, stock options, awards, tips, or various forms of nonmonetary compensation if provided in lieu of or in addition to monetary compensation, provided that such compensation has economic value to an employee.**

2. Nothing in sections 290.400 to 290.440 shall prevent an employee from exercising his or her rights under any other provision of law.

290.410. **1.** Notwithstanding any other provisions of the law, no employer shall ~~[pay any female in his employ at wage rates less than the wage rates paid to male employees in the same establishment for the same quantity and quality of the same classification of work, provided that nothing herein shall prohibit a variation of rates of pay for male and female employees engaged in the same classification of work based upon a difference in seniority, length of service, ability, skill, difference in duties or services performed, difference in the shift or time of day worked, hours of work, or restrictions or prohibitions on lifting or moving objects in excess of specified weight, or other reasonable differentiation, or factors other than sex, when exercised in good faith]~~ **discriminate in providing compensation based on gender for equal work, the performance of which requires equal skill, effort, and responsibility, and which is performed under similar working conditions.**

2. Notwithstanding the provisions of subsection 1 of this section, it shall not be unlawful for an employer to pay different wage rates to employees if such payments are made pursuant to:

- (1) A bona fide seniority or merit system;
- (2) A system that measures earnings by quantity or quality of production;
- (3) Any bona fide factor other than gender, provided that wage differentials based on varying market rates for equal jobs shall not be considered differentials based on bona fide factors other than gender; or
- (4) Bona fide regional economic differentials.

3. An employer who is paying wages in violation of this section shall not, in order to comply with this section, reduce the wage of any employee.

4. No employer shall discharge, take any adverse action, or otherwise retaliate in any manner against any individual because such individual has:

- (1) Opposed any act or practice made unlawful by this section; or
- (2) Testified, assisted, or participated in any manner in an investigation, hearing, or other proceeding to enforce this section.

5. No employer shall discharge, take any adverse action, or otherwise retaliate in any manner against, coerce, intimidate, threaten, or interfere with any employee because such employee either inquired about, compared, or otherwise discussed the employee's wages or the wages of another employee; or exercised, enjoyed, aided, or encouraged any other person to exercise or enjoy any right granted or protected by this section.

290.440. **1.** Any employer who violates section 290.410 is liable to the ~~[female]~~ employee affected in the amount of the wages of which the ~~[female]~~ employee is deprived by reason of the violation **and an additional amount in compensatory damages, such additional amount not to exceed twice the wages awarded.**

2. ~~[Any female employee receiving less than the wage to which she is entitled under sections 290.400 to 290.450 may recover in a civil action the balance of the wages, together with the costs of suit, notwithstanding any agreement to work for a lesser wage.]~~ **Any employer who violates subsection 4 or 5 of section 290.410 is liable to any individual affected in the amount of all wages and benefits lost as a result of the violation and, if awarded, an additional amount of compensatory damages in an amount to be determined by a judge or jury trial.**

3. ~~[The burden of proof shall be upon the person bringing the claim to establish that the differentiation in rate of pay is based upon the factor of sex and not upon other differences or factors.]~~ **In the event of a finding that an employer has violated section 290.410, a court may enjoin such employer from future violations of section 290.410 and may order the employer to take such additional steps as are necessary, including reclassification of affected workers to ensure an end to the employer's gender-based pay practices or, if the employer has engaged in unlawful retaliation prohibited by section 290.410, the court may order such relief as to make the employee whole, including reinstatement.**

4. **Any employee prevailing in a civil action brought under sections 290.400 to 290.440, in addition to the remedies set forth in this section, may also recover court costs and reasonable attorney's fees, notwithstanding any agreement to work for a lesser wage. Any action brought under sections 290.400 to 290.440 shall be commenced within two years after the alleged violation occurs or the date of the reasonable discovery of such violation.**

5. **If an employee can show a deliberate pattern of violations of the provisions of sections 290.400 to 290.440, the court may order the employer to pay punitive damages to the employee in addition to any other compensation or injunctive relief ordered."; and**

Further amend said bill, Page 22, Section 290.340, Line 7, by inserting immediately after said section and line the following:

~~"[290.450. Any action based upon or arising under sections 290.400 to 290.450 shall be instituted in the circuit court within six months after the date of the alleged violation, but in no event shall any employer be liable for any pay due under sections 290.400 to 290.450 for more than thirty days prior to receipt by the employer of written notice of claim thereof from the female employee.]"~~; and

HCS HB 1645, relating to actions for damages due to exposure to asbestos, was taken up by Representative DeGroot.

On motion of Representative DeGroot, the title of **HCS HB 1645** was agreed to.

Representative Barnes (60) offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1645, Page 1, Section 537.880, Line 9, by inserting after all of said line the following:

"(2) "Asbestos settlement", a settlement of any asbestos action, or any claim for damages or other relief that could have been filed as an asbestos action;"; and

Further amend said bill and section, Pages 1 to 2, by renumbering said section accordingly; and

Further amend said bill and section, Page 2, Line 37, by inserting after all of said section and line the following:

"537.881. 1. Within sixty days after an asbestos action is filed or within thirty days of the effective date of this section for asbestos actions that are pending on that effective date, each defendant shall:

(1) Provide the court and parties with a sworn statement signed by an authorized representative of the defendant and defendant's counsel, under penalties of perjury, indicating that an investigation of all asbestos actions or claims against the defendant and all settlements entered into by the defendant or any predecessor thereto has been conducted. The sworn statement shall indicate the outcome or resolution of each such asbestos action, claim or settlement, and for those actions or claims which are not resolved, their current status.

(2) Provide all parties with all materials from such actions, claims, or settlements, including materials from all law firms connected to the defendant in relation to asbestos, including anyone at a law firm involved in an asbestos action, claim or settlement, any prior law firm representing the defendant, or any other firm that has represented the defendant in any capacity relating to asbestos. Documents should be accompanied by a custodial affidavit from the defendant certifying that the materials submitted by the defendants are true and complete.

2. The defendant shall have a continuing duty, until final resolution of the asbestos action, to supplement the statement and materials provided under subsection 1 of this section. The defendant shall supplement and amend the information and materials provided under subsection 1 of this section within thirty days after any additional action, claim, or settlement.

3. A court may impose sanctions for the failure by a defendant or defendant's counsel to comply with this section, including entry of default judgment with prejudice against defendant for willful failure to comply with the requirements of sections 537.800 to 537.890.

4. The submission of the sworn statement under subsection 1 of this section shall be in addition to any disclosure requirements otherwise imposed by law, rules of civil procedure, court order or ruling, applicable agreement or stipulation, local rule, or case management order. Nothing in this section shall prevent a court of competent jurisdiction from requiring any disclosures in addition to the disclosures required under this section."; and

Further amend said bill, Page 4, Section 537.886, Line 21, by inserting after all of said section and line the following:

"537.887. 1. Asbestos action, claim, and settlement documents provided under section 537.881 are presumed to be relevant and authentic and are admissible in evidence in an asbestos action. No claims of privilege shall apply to asbestos action, claim, or settlement documents provided under section 537.881.

2. A plaintiff in an asbestos action may seek discovery against any other party in an asbestos action, claim, or settlement disclosed by a defendant under section 537.881. The defendant shall not claim privilege or confidentiality to bar discovery. The defendant shall provide consent or any other expression of permission that may be required by the other parties to the asbestos action, claim, or settlement disclosed as provided under section 537.881 to release information and materials sought by the plaintiff.

3. Asbestos action, claim, and settlement documents that are sufficient to have entitled another person to a judgment against or settlement from the defendant in any asbestos action, claim, or settlement disclosed under section 537.881 when the exposure occurred at a time overlapping with the exposure alleged by the plaintiff in an asbestos action may be sufficient to support a jury finding that the plaintiff was exposed to asbestos by the defendant and that such exposure was a substantial contributing factor in causing the plaintiff's injury that is at issue in the asbestos action.

4. The parties in the asbestos action may introduce at trial any asbestos action, claim, or settlement documents provided under section 537.881 to prove, without limitation, causation for the plaintiff's claimed injury, death, or loss; to prove that the defendant is a tortfeasor, liable for the injury or wrongful death for the purposes of section 537.060; or to prove issues relevant to an adjudication of the asbestos claim, unless the exclusion of asbestos action, claim, or settlement materials is otherwise required by the rules of evidence."; and

Further amend said bill, Page 5, Section 537.888, Line 15, by inserting after all of said section and line the following:

"537.889. 1. In an asbestos action, upon the filing by a plaintiff of an appropriate motion seeking sanctions or other relief, the court may impose any sanction provided by court rule or law of this state including, but not limited to, an entry of default judgment against a defendant for that defendant's failure to comply with the disclosure requirements of sections 537.880 to 537.890.

2. The amount of contribution in asbestos personal injury or wrongful death actions, or settlement agreements with asbestos injury trusts established under the federal bankruptcy code, shall be addressed for the purposes of this section in the following manner:

(1) In the event a plaintiff has filed a claim with an asbestos injury trust established under the federal bankruptcy code, any settlement agreement reached shall reduce the plaintiff's claim against other tortfeasors by the amount of consideration actually received by plaintiff from such trust.

(2) If a defendant satisfies a judgment entered following a verdict in favor of a plaintiff in an asbestos action, such defendant shall be assigned the plaintiff's right to file and collect consideration from asbestos trusts under the federal bankruptcy code arising from claims where consideration has not already been received by the plaintiff."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Ross assumed the Chair.

Speaker Richardson resumed the Chair.

Representative Vescovo moved the previous question.

House Amendment No. 1

AMEND House Bill No. 1892, Page 1, Section 57.117, Line 3, by inserting after all of said section and line the following:

"320.097. 1. As used in this section, "fire department" means any agency or organization that provides fire suppression and related activities, including but not limited to fire prevention, rescue, emergency medical services, hazardous material response, dispatching, or special operations to a population within a fixed and legally recorded geographical area.

2. No employee of a fire department who has worked for seven years for such department shall, as a condition of employment, be required to reside within a fixed and legally recorded geographical area of the fire department if the only public school district available to the employee within such fire department's geographical area is a public school district that is or has been unaccredited or provisionally accredited in the last five years of such employee's employment. Employees who have satisfied the seven-year requirement in this subsection and who choose to reside outside the geographical boundaries of the department shall reside within a one-hour response time. No charter school shall be deemed a public school for purposes of this section.

3. No employee of a fire department who has not resided in such fire department's fixed and legally recorded geographical area, or who has changed such employee's residency because of conditions described in subsection 2 of this section, shall as a condition of employment be required to reside within the fixed and legally recorded geographical area of the fire department if such school district subsequently becomes fully accredited.

4. No employee of a fire department who is paid on an hourly basis shall be required to live in a fire department's fixed and legally recorded geographical area.

320.098. No county shall require attendance at a specific training academy by any candidate for a firefighter position but may require a specific certification from any training academy.

321.017. 1. Notwithstanding the provisions of section 321.015, no employee of any fire protection district or ambulance district shall serve as a member of any fire district or ambulance district board while such person is employed by any fire district or ambulance district, except that an employee of a fire protection district or an ambulance district may serve as a member of a voluntary fire protection district board or a voluntary ambulance district board.

2. Notwithstanding any other provision of law to the contrary, individual board members shall not be eligible for employment by the board within twelve months of termination of service as a member of the board unless such employment is on a volunteer basis or without compensation.

3. Notwithstanding any provision of law to the contrary, no fire protection district or ambulance district shall require an employee who is paid on an hourly basis to live within the district.

321.200. 1. Except as otherwise provided in subsection 3 of this section, the board shall meet regularly, not less than once each month, at a time and at some building in the district to be designated by the board. Notice of the time and place of future regular meetings shall be posted continuously at the firehouse or firehouses of the district. Additional meetings may be held, when the needs of the district so require, at a place regular meetings are held, and notice of the time and place shall be given to each member of the board. Meetings of the board shall be held and conducted in the manner required by the provisions of chapter 610. All minutes of meetings of the board and all other records of the fire protection district shall be available for public inspection at the main firehouse within the district by appointment with the secretary of the board within one week after a written request is made between the hours of 8:00 a.m. and 5:00 p.m. every day except Sunday. without delegation thereof to less than a quorum of the board. Agents, employees, engineers, auditors, attorneys, firemen and any other member of the staff of the district may be employed or discharged only by a board which includes at least two directors; but any board of directors may suspend from duty any such person or staff member who willfully and deliberately neglects or refuses to perform his or her regular functions.

2. Any vacancy on the board shall be filled by the remaining elected members of the board, except when less than two elected members remain on the board any vacancy shall be filled by the circuit court of the county in which all or a majority of the district lies. The appointee or appointees shall act until the next biennial election at which a director or directors are elected to serve the remainder of the unexpired term.

3. Notwithstanding any provision of sections 610.015 and 610.020 to the contrary, when Missouri Task Force One or any Urban Search and Rescue Task Force is activated for deployment by the federal emergency management agency, state emergency management agency, or statewide mutual aid, a quorum of the board of directors of the affiliated fire protection district may meet in person, via telephone, facsimile, internet, or any other voice or electronic means, without public notice, in order to authorize by roll call vote the disbursement of funds necessary for the deployment.

4. In the event action is necessary under subsection 3 of this section, the board of directors of the affiliated fire protection district shall keep minutes of the emergency meeting and disclose during the next regularly scheduled meeting of the board that the emergency meeting was held, the action that precipitated calling the emergency meeting without notice, and that the minutes of the emergency meeting are available as a public record of the board.

5. Members of a fire district or ambulance district board of directors shall only receive compensation for meetings the member attended. If multiple meetings occur on the same day, members shall not receive compensation for more than one meeting.

Blessed be the name of God forever and ever: for wisdom and might are His. (Daniel 2:20)

Almighty God, reveal to us Your glory as we turn our thoughts upward and lift up our hearts to Your presence. May discernment and discretion, with confidence and courage, arise within us with renewed strength, as we again open our minds to You who is always understanding, always merciful, and always seeking our good and the good of our people.

Grant to us, as we pray, such an awareness of Your spirit that this long day may be spent in Your service and for the best interests of our State. Give to us the grace to ask what You would have us do, that in Your wisdom we may be saved from wrong choices, in Your light we may walk and not faint, and in Your love we may live with true joy.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Dylan Werner, Kaiden Caudle, Abbi Suthoff, Nolan Bennett, Hudson Moyer, Jordan Luebbering, Carter Bryan, Bennett Wilde, and Carson Roling.

Speaker Richardson assumed the Chair.

The Journal of the thirty-fifth day was approved as printed by the following vote:

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He that handleth a matter wisely shall find good: and who so trusteth in the Lord, happy is he. (Proverbs 16:20)

O God, whose power supports us, and whose peace sustains us, our minds and hearts grow with wonder when we consider how mindful You are of us and how eager to lead us in right and good paths.

Inspire us, we pray, with a deeper concern for the welfare of all Missourians and instill in us a greater desire to walk with You and to work together that Your kingdom of love and peace may come and Your will be done in the Show-Me State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Curtis Taussig, Colton Taussig, and Corban Smith.

The Journal of the thirty-sixth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

THIRTIETH DAY, MONDAY, FEBRUARY 26, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Steve Lynch.

Father,

As beautiful and magnificent as this Chamber is, it pales in comparison to Your glory. As historic as this Capitol is, it is but a thin slice of time in comparison to Your eternity.

God, You are the beginning and the end, the Great I Am. You are everything. And yet You invite us to come boldly to Your throne of grace to seek Your counsel and wisdom.

Father, considering the gravity of what we do here and the lives that our decisions affect, let us take advantage of Your offer to help us every day as we as serve the citizens of Missouri in this place.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Representative Vescovo suggested the absence of a quorum.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

THIRTY-FIRST DAY, TUESDAY, FEBRUARY 27, 2018

The House met pursuant to adjournment.

Speaker Pro Tem Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Thou shalt do that which is right and good in the sight of the Lord. (Deuteronomy 6:18)

Almighty God, who knows our needs before we ask and who is striving to lead us in right and good paths, we turn to You in this fellowship of prayer seeking light for our lives, hope for our hearts, and strength for our spirits.

We come to You with the problems and confusions of daily living, praying for greater faith and wisdom, for more compassion and kindness. We are tempted to doubt, to yield to moods of depression, and to become cynical. By the power of Your spirit, restore our souls and lead us to righteousness, peace, and love for Your name's sake and for the good of all the people of Missouri.

Guide our State in these unsettled times. Inspire our Governor, our Speaker, Members of this House, and all who work under the dome of this glorious Capitol. Increase our influence for good by our genuine reliance upon You and by our generous response to the needs of all men and women.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirtieth day was approved as printed by the following vote:

RULE 1

Any hearings upon such issue shall be commenced at such time and place as determined by the chair. Recesses and adjournments shall be determined by the chair. The special committee shall be allowed to meet or conduct hearings during the session of the House of Representatives without requesting leave of the House of Representatives.

RULE 2

Any hearings shall be open to the public and press, except that the chair, in his or her discretion, may close all or a portion of such hearings to hear the testimony of certain witnesses or review evidence. At the conclusion of the investigation the committee shall prepare a transcript of the hearings, except that the chair, in his or her discretion, may order that the identity of certain witnesses, certain testimony, or certain evidence be redacted, blurred, or obfuscated in a manner to protect the identity or privacy of any witness. The chair shall determine whether cameras or other audio or visual recording devices and ancillary lighting and electrical equipment shall be allowed at such hearings and to the extent and in the manner determined by the chair.

RULE 3

RULE 5

All witnesses shall testify under the following oath, which shall be administered by the chair:

“Do you solemnly swear (or affirm) that the testimony you shall give in the hearing now pending before this committee shall be the truth, the whole truth, and nothing but the truth, so help you God?”.

The sergeant-at-arms of the House of Representatives, under direction of the committee, shall execute the lawful orders of the committee and may employ such aid and assistance as may be necessary to carry out and enforce such orders.

RULE 7

Subpoenas for the appearance of witnesses and subpoenas duces tecum for the production of any paper or document shall be issued by the Speaker of the House of Representatives, upon request of the committee, in the manner prescribed by law. A subpoena or subpoena duces tecum may be enforced by statutory or common law, or by applying to a judge of the circuit court of Cole County for an order to show cause why the subpoena or subpoena duces tecum should not be enforced.

RULE 8

The chair shall preside over the hearings, and shall rule on all questions regarding the admission or rejection of testimony, decorum, and procedure in accordance with these rules. The chair may request assistance from any law enforcement agency to maintain order at the hearings and in the hallways and spaces adjoining the hearing area. VACANCIES: 001

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

God is not far from each one of us: for in Him we live, and move, and have our being. (Acts 17:27-28)

O God, we bow before You reverently and humbly as we begin the work of another day. You are with us every moment of every day. Help us, we pray to You, to be aware of Your presence as we strive to lead our people in right and good paths.

We thank You for brave words and courageous deeds which have made our State great. In this moment we pray for those who are working and serving to keep our State great in this day - our leaders in the House and Senate, the men and women in the Armed Forces, those who labor for peace and freedom.

Give truth to our minds, love to our hearts, courage to our spirits, and strength to our hands that we may make patriotism shine with loyalty, love, and life.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Speaker Pro Tem Haahr assumed the Chair.

Representative Korman offered **House Amendment No. 1.***House Amendment No. 1*

AMEND House Bill No. 1797, Page 1, Section A, Line 2, by inserting immediately after all of said section and line the following:

"393.1025. As used in sections 393.1020 to 393.1030, the following terms mean:

- (1) "Commission", the public service commission;
- (2) "Department", the department of natural resources;
- (3) "Electric utility", any electrical corporation as defined by section 386.020;
- (4) **"Processed solid biomass engineered fiber fuel", any fuel derived from raw biomass feedstock produced in this state that is changed from its original form by pyrolysis or other thermal or thermochemical conversion in a manufacturing process resulting in a solid fuel product with a heat value of at least eight thousand four hundred British Thermal Units per pound on an as-received basis;**

(5) "Renewable energy credit" or "REC", a tradeable certificate of proof that one megawatt-hour of electricity has been generated from renewable energy sources; ~~and~~

~~[(5)]~~ (6) "Renewable energy resources", electric energy produced from wind, solar thermal sources, photovoltaic cells and panels, dedicated crops grown for energy production, cellulosic agricultural residues, plant residues, **processed solid biomass engineered fiber fuel**, methane from landfills, from agricultural operations, or from wastewater treatment, thermal depolymerization or pyrolysis for converting waste material to energy, clean and untreated wood such as pallets, hydropower (not including pumped storage) that does not require a new diversion or impoundment of water and that has a nameplate rating of ten megawatts or less, fuel cells using hydrogen produced by one of the above-named renewable energy sources, and other sources of energy not including nuclear that become available after November 4, 2008, and are certified as renewable by rule by the department.

393.1030. 1. The commission shall, in consultation with the department, prescribe by rule a portfolio requirement for all electric utilities to generate or purchase electricity generated from renewable energy resources. Such portfolio requirement shall provide that electricity from renewable energy resources shall constitute the following portions of each electric utility's sales:

- (1) No less than two percent for calendar years 2011 through 2013;
- (2) No less than five percent for calendar years 2014 through 2017;
- (3) No less than ten percent for calendar years 2018 through 2020; and
- (4) No less than fifteen percent in each calendar year beginning in 2021.

At least two percent of each portfolio requirement shall be derived from solar energy. The portfolio requirements shall apply to all power sold to Missouri consumers whether such power is self-generated or purchased from another source in or outside of this state. A utility may comply with the standard in whole or in part by purchasing RECs. Each kilowatt-hour of eligible energy generated in Missouri shall count as 1.25 kilowatt-hours for purposes of compliance. **Each kilowatt-hour of eligible energy generated from processed solid biomass engineered fiber fuel shall count as 1.50 kilowatt-hours for purposes of compliance.**

2. The commission, in consultation with the department and within one year of November 4, 2008, shall select a program for tracking and verifying the trading of renewable energy credits. An unused credit may exist for up to three years from the date of its creation. A credit may be used only once to comply with sections 393.1020 to 393.1030 and may not also be used to satisfy any similar nonfederal requirement. An electric utility may not use a credit derived from a green pricing program. Certificates from net-metered sources shall initially be owned by the customer-generator. The commission, except where the department is specified, shall make whatever rules are necessary to enforce the renewable energy standard. Such rules shall include:

(1) A maximum average retail rate increase of one percent determined by estimating and comparing the electric utility's cost of compliance with least-cost renewable generation and the cost of continuing to generate or purchase electricity from entirely nonrenewable sources, taking into proper account future environmental regulatory risk including the risk of greenhouse gas regulation. Notwithstanding the foregoing, until June 30, 2020, if the maximum average retail rate increase would be less than or equal to one percent if an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility is ignored for purposes of calculating the increase, then additional solar rebates shall be paid and included in rates in an amount up to the amount that would produce a retail rate increase equal to the difference between a one percent retail rate increase and the retail rate

increase calculated when ignoring an electric utility's investment in solar-related projects initiated, owned, or operated by the electric utility. Notwithstanding any provision to the contrary in this section, even if the payment of additional solar rebates will produce a maximum average retail rate increase of greater than one percent when an electric utility's investment in solar-related projects initiated, owned or operated by the electric utility are included in the calculation, the additional solar rebate costs shall be included in the prudently incurred costs to be recovered as contemplated by subdivision (4) of this subsection;

(2) Penalties of at least twice the average market value of renewable energy credits for the compliance period for failure to meet the targets of subsection 1 of this section. An electric utility will be excused if it proves to the commission that failure was due to events beyond its reasonable control that could not have been reasonably mitigated, or that the maximum average retail rate increase has been reached. Penalties shall not be recovered from customers. Amounts forfeited under this section shall be remitted to the department to purchase renewable energy credits needed for compliance. Any excess forfeited revenues shall be used by the department's energy center solely for renewable energy and energy efficiency projects;

(3) Provisions for an annual report to be filed by each electric utility in a format sufficient to document its progress in meeting the targets;

(4) Provision for recovery outside the context of a regular rate case of prudently incurred costs and the pass-through of benefits to customers of any savings achieved by an electrical corporation in meeting the requirements of this section.

3. As provided for in this section, except for those electrical corporations that qualify for an exemption under section 393.1050, each electric utility shall make available to its retail customers a solar rebate for new or expanded solar electric systems sited on customers' premises, up to a maximum of twenty-five kilowatts per system, measured in direct current that were confirmed by the electric utility to have become operational in compliance with the provisions of section 386.890. The solar rebates shall be two dollars per watt for systems becoming operational on or before June 30, 2014; one dollar and fifty cents per watt for systems becoming operational between July 1, 2014, and June 30, 2015; one dollar per watt for systems becoming operational between July 1, 2015, and June 30, 2016; fifty cents per watt for systems becoming operational between July 1, 2016, and June 30, 2017; fifty cents per watt for systems becoming operational between July 1, 2017, and June 30, 2019; twenty-five cents per watt for systems becoming operational between July 1, 2019, and June 30, 2020; and zero cents per watt for systems becoming operational after June 30, 2020. An electric utility may, through its tariffs, require applications for rebates to be submitted up to one hundred eighty-two days prior to the June thirtieth operational date. Nothing in this section shall prevent an electrical corporation from offering rebates after July 1, 2020, through an approved tariff. If the electric utility determines the maximum average retail rate increase provided for in subdivision (1) of subsection 2 of this section will be reached in any calendar year, the electric utility shall be entitled to cease paying rebates to the extent necessary to avoid exceeding the maximum average retail rate increase if the electrical corporation files with the commission to suspend its rebate tariff for the remainder of that calendar year at least sixty days prior to the change taking effect. The filing with the commission to suspend the electrical corporation's rebate tariff shall include the calculation reflecting that the maximum average retail rate increase will be reached and supporting documentation reflecting that the maximum average retail rate increase will be reached. The commission shall rule on the suspension filing within sixty days of the date it is filed. If the commission determines that the maximum average retail rate increase will be reached, the commission shall approve the tariff suspension. The electric utility shall continue to process and pay applicable solar rebates until a final commission ruling; however, if the continued payment causes the electric utility to pay rebates that cause it to exceed the maximum average retail rate increase, the expenditures shall be considered prudently incurred costs as contemplated by subdivision (4) of subsection 2 of this section and shall be recoverable as such by the electric utility. As a condition of receiving a rebate, customers shall transfer to the electric utility all right, title, and interest in and to the renewable energy credits associated with the new or expanded solar electric system that qualified the customer for the solar rebate for a period of ten years from the date the electric utility confirmed that the solar electric system was installed and operational.

4. The department shall, in consultation with the commission, establish by rule a certification process for electricity generated from renewable resources and used to fulfill the requirements of subsection 1 of this section. Certification criteria for renewable energy generation shall be determined by factors that include fuel type, technology, and the environmental impacts of the generating facility. Renewable energy facilities shall not cause undue adverse air, water, or land use impacts, including impacts associated with the gathering of generation feedstocks. If any amount of fossil fuel is used with renewable energy resources, only the portion of electrical output attributable to renewable energy resources shall be used to fulfill the portfolio requirements.

5. In carrying out the provisions of this section, the commission and the department shall include methane generated from the anaerobic digestion of farm animal waste and thermal depolymerization or pyrolysis for converting waste material to energy as renewable energy resources for purposes of this section.

6. The commission shall have the authority to promulgate rules for the implementation of this section, but only to the extent such rules are consistent with, and do not delay the implementation of, the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

393.1130. 1. This section shall be known and may be cited as "The Nuclear Energy Standard".

2. As used in this section, the following terms shall mean:

(1) "Commission", the public service commission;

(2) "Small modular nuclear reactor", a nuclear reactor based on fission that is approved under federal and state laws and regulations to be constructed in this state and produces less than three hundred megawatts of clean electrical energy;
